ORDINANCE V

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Section 7-28-250 of the Municipal Code of the City of Chicago is hereby amended by deleting the language stricken through and by inserting the language underscored, as follows:

7-28-250 Refuse collection cost - Reimbursement.

Any alderman may introduce into the city council, on behalf of the governing associations or boards of condominiums, cooperative residential buildings and those townhouses which do not qualify to receive the services provided by the city for refuse collection ~~located in his or her ward~~, an ordinance providing for the rebate of the cost incurred by owner-occupied units of the residential building for refuse collection. Beginning January 1, 1995, the implementation of a recycling program by governing associations or boards, pursuant to Section 11-5-021 of the Municipal Code, shall be a condition for receiving such a rebate. Attached to this ordinance shall be a notarized statement listing the amount of the annual cost incurred for refuse collection for the residential units in the building, the number of residential units in the building, and a letter confirming the executed agreement with the private scavenger service providing refuse collection for the residential building. The original ordinance and notarized statement shall be referred to the committee on finance, and such referral must occur on or before ~~January 31~~ the last day of February of the calendar year immediately following the billing period for refuse collection. If such referral does not take place in a timely fashion for any given year, the affected units shall no longer be eligible for any further refuse rebates pursuant to this section. A copy of the ordinance and attached notarized statement shall be transmitted to the city comptroller.

(Omitted text is unaffected by this ordinance)

The city council may not reimburse a governing association or board for the cost of refuse collection services which is unreasonable or which has not been timely referred in ordinance form as specified in the first paragraph of this section to the committee on finance ~~on or before January 31 of the calendar year immediately following the billing period for refuse collection.~~

SECTION 2. This ordinance shall be effective upon passage and approval.
