RESOLUTION OF THE BOARD BACKGROUND

*Public hearings were held on this application by the Zoning Board of Appeals at its regular meeting held on September 21, 2012, after due notice thereof as provided under Chicago Municipal Code ("MCC") Section 17-13-0107-B and by publication in the Chicago Sun-Times.*

The Zoning Administrator denied the application of Media

Page 2 of 3

Communications, Inc. (the "Applicant") for a permit for an off-premise/advertising wall sign measuring 60' in height and 20' in length for a total of 1200 sq. ft. in that it violated MCC 17-12-1002-F which prohibits signs on Pedestrian Streets, as the proposed sign would be located at 2616 North Milwaukee Avenue in Chicago (the "Subject Property") which has been designated as a Pedestrian Street; and the resultant sign would violate MCC 17-12-1006-A which entirely prohibits off-premise signs within 100' of a Residential District as the Subject Property is within 100' of a Residential District; MCC 17-12-1003-E which allows a maximum combined size of 200 sq. ft. total, combined surface of signs on a building

in the zoning district where the Subject Property is located and the building at the Subject Property already displays signs which exceed the allowable combined sq. ft. allowable; and MCC 17-12-1006-H which prohibits off premise signs within 300' any other off-premises advertising sign and Applicant seeks a permit for two signs on the same building within 20' of each other.

The Applicant claimed legal non-conforming status for the signs at the Subject Property which would allow the Application to be granted as signs which pre-date 1990 as "grandfathered" and considered legal non-conforming signs and changes of content are permissible and in this instance should be permitted.

The Applicant presented its case and the Objectors testified in opposition. Applicant presented photographs of the Subject Property with various signs painted on the side of the building; Objectors presented inspection reports from the City's Buildings Department citing illegal non-conforming signs on the building at the Subject Property. Both sides presented memoranda of law on its behalf.

#### FINDINGS AND RESOLUTION

Pursuant to Sections 17-13-1207 and 17-13-1208 of the Chicago Zoning Ordinance, the Zoning Board of Appeals may only sustain an appeal if it finds that the Zoning Administrator erred. The Board must grant a presumption of correctness to the Zoning Administrator's decision, and the burden of persuasion is on the appellant. Having fully heard the testimony and arguments of the parties, and being fully advised in the matter, the Zoning Board of Appeals now makes the following findings regarding the Applicant's appeal:

1. The Applicant provided proper notice, both by mail and by posting.
2. At issue is MCC 17-6.7-1(c) (1990) "A legal non-conforming sign shall not be altered, expanded, or relocated in any way, other than to perform normal and necessary repairs or to change copy of the sign"; Applicant maintains that the signs on the side of the building at the Subject Property have always been present since well prior to 1990, and if not present, they were reinstalled within a year as a gap of less

CAL. NO. 348-12-A 349-12-A

than a year is allowable. Objectors maintain that not only had more than an allowable time lapse in which no sign was displayed on the wall of the Subject Property, but, also, that Applicant's intended method of installing new signs would constitute an impermissible "alteration" of the sign in violation of MCC 17-15-0504.

3. The Board finds that as there were frequently signs of varying sizes on the side of the building at the Subject Property.
4. The Board finds that the method by which the Applicant intends to affix new signs to the building at the Subject Property does not violate MCC 17-15-0504.

Therefore, the Board hereby reverses the decision of the Zoning Administrator. The Applicant's appeal is granted. The permit which was denied and which constituted the basis of the Appeal should be granted. This is a final decision subject to review under the Illinois Administrative Review Law (735 ILCS 5/3).
