SUBSTITUTE ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Chicago Park District (the "Park District"), is an Illinois municipal corporation and a unit of local government under Article VII, Section 1 of the 1970 Constitution, of the State of Illinois, and as such is authorized to exercise control over and supervise the operation of all parks within the corporate limits of the City; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Department of Housing and Economic Development ("HED") has determined that the Fee-Paying Developments built in the Community Areas listed on Exhibit A attached hereto have deepened the already significant deficit of open space in those Community Areas, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the Proceedings of the City Council (the "Journal") of the same date; and

WHEREAS, the Park District is the owner of parcels of land at Hartigan Beach Park and King Lockhart Park, as described on Exhibit A hereto (collectively, the "Property");

X

WHEREAS, the City and the Park District desire to create park space at the above mentioned parcels (the "Project") for the benefit and use of the general public and the respective Community Area in which they are located; and

WHEREAS, the City desires to grant the Park District impact fee funds to pay for or reimburse development costs associated with constructing park space at the Property; and

WHEREAS, HED desires to provide to the Park District Open Space Fees in an amount not to exceed \$357,678 (the "Grant") for the Project; and to create open spaces and recreational facilities in the Community Areas listed on Exhibit A: and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, HED has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein and on Exhibit A through this ordinance; and

WHEREAS, HED has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Park District agree as follows:

SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Park District for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the ABudget@), which budget is hereby approved by HED, and only after Park District has submitted Certificate(s) of Expenditure to HED (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Park District may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure©) as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Park District must submit documentation regarding the applicable expenditures to HED. Delivery by Park District to HED of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

c) Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and

d) Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

3. Park District hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Park District must repay to the City any such excess Grant funds received by Park District.

4. Park District is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Park District be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

5. The source of funds for the City=s obligations under this Agreement are funds identified by CAPS Codes: PS01 131 54 5001 2604 (Hartigan Beach Park) and PS72 131 54 5072 2604 (King Lockhart Park). Park District hereby acknowledges and agrees that the City=s obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Park District in writing of that occurrence, and Park District will have the right,

but not the obligation to terminate this Agreement by written notice to the City.

SECTION 2. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT

A. Title Commitment and Insurance: Survey. Park District must be responsible for obtaining, at its own expense, any title commitment or title policy and survey with respect to the Property that it deems necessary.

B. Construction Documents and Landscape Plan. Park District has developed the construction documents and a plan for the Project (the ADrawings@) as shown on Exhibit C. No material deviation from the Drawings will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. The approval of the Drawings by HED are for the purposes of this Agreement only and other than as set forth in the Drawings, no structures or improvements are to be constructed on the Property by Park District without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed and will not constitute the approval required by the City=s Department of Buildings, or any other Department of the City.

C. Schedule. Park District has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the ASchedule@). No material deviation from the Schedule will be made without the prior written approval of HED,

which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of HED be required for any changes to the Schedule required because of the City=s failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. Use. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Park District or any other person or entity to use the Project for private parties or events.

E. Certification. Park District must submit a payment certification form as attached as Exhibit E prior to any Grant funds being released.

SECTION 3. TERM OF AGREEMENT

Term of Agreement. The term of this Agreement will commence as of the Closing Date and, unless otherwise terminated as provided in this Agreement, will expire on the second anniversary of the Closing Date. Notwithstanding the foregoing, if Park District modifies the Schedule pursuant to Section 2(c) of this Agreement and such modification extends beyond the term, the term will be adjusted accordingly.

SECTION 4. COVENANTS AND REPRESENTATIONS

Park District hereby warrants, represents and/or covenants to the City that:

1. Park District will use the Grant solely for the Project and to pay for eligible costs as determined in the sole discretion of the City and outlined on Exhibit B.

2. Park District will comply with all applicable federal, state, and local statutes, laws, ordinances,

rules, regulations and executive orders that are in effect from time to time that pertain to or affect the Project, Park District, or the Grant. Upon the City's request, Park District will provide evidence of such compliance satisfactory to the City.

3. Park District agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4. Park District has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

5. Signing, delivery and performance by Park District of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Park District is party or by which it is bound.

6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Park District that would materially impair its ability to perform under this Agreement.

7. Park District is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

8. If the Grant, or a portion thereof, is used for construction, Park District and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

9. Park District must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

10. Park District must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

11. Intentionally Omitted.

12. Intentionally Omitted.

13. The Parties agree that the Park District will maintain the Project improvements on the Property in a condition and manner acceptable to the City.

14. It is the duty of Park District and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Park District and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Park District represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Park District in connection with this Agreement of this provision in writing and require their compliance.

It is the duty of the Park District and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Park District and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Park District represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Park District in connection with this Agreement of this provision in writing and require their compliance.

4.15 Failure by Park District or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

4.16 Independent Contractor

(a) The Park District shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

b) The City is subject to the May 31, 2007 Order entitled AAgreed Settlement Order and Accord@ (the AShakman Accord@) and June 24, 2011 "City of Chicago Hiring Plan^ (the ACity Hiring Plan@) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

c) Park District is aware that City policy prohibits City employees from directing any individual to apply for a position with Park District, either as an employee or as a subcontractor, and from directing Park District to hire an individual as an employee or as a subcontractor. Accordingly, Park District must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Park District under this Agreement are employees or subcontractors of Park District, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Park District.

d) Park District will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individuals political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individuals political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Park District by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Park District will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City=s Office of the Inspector General ("IGO Hiring Oversight") and

also to the head of HED. Park District will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

4.17 FOIA and Local Records Act Compliance

(a) FOIA. Park District acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Park District receives a request from the City to produce records within the scope of FOIA, then Park District covenants to comply with such request within 48 hours of the date of such request. Failure by

Park District to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Park District submits to the City during the term

of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Park District to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Park District mark any such documents as "proprietary, privileged or confidential." If Park District marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Park District acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq. as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Park District covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 5. ENVIRONMENTAL MATTERS

1. It will be the responsibility of Park District to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

2. Park District agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Park

District must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Park District.

3. Prior to inspecting the Property, Park District or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

SECTION 6. INSURANCE

6.1. Park District must provide and maintain at Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

INSURANCE TO BE PROVIDED

1. Workers Compensation and Employers Liability. Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work or services for Park District must maintain limits of not less than \$1,000,000 with the same terms in this subsection.

3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, Park District must provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

4. Professional Liability. When any architects, engineers, or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or caused to be maintained, with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6.1.5 Self Insurance. To the extent permitted by applicable law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered

by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

6.2. ADDITIONAL REQUIREMENTS. Park District must furnish the City of Chicago, Department of Housing and Economic Development, 121 N. LaSalle Street, Room 1101,

Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Park District must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Park District is not a waiver by the City of any requirements for Park District to obtain and maintain the specified coverages. Park District must advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance does not relieve Park District of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Park District.

Park District agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Park District in no way limit Park District's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Park District under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Park District must require all subcontractors to provide insurance required in this Agreement, or Park District may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Park District unless otherwise specified in this Agreement.

If Park District or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Park District will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Park District and/or any contractors or subcontractors in implementing the Project, if any, or Park District's breach of this Agreement. This defense and indemnification obligation survives any termination or expiration of this Agreement.

SECTION 8. NO LIABILITY OF OFFICIALS

No elected or appointed official or member or employee or agent of the City will be charged personally by Park District or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

SECTION 9. DEFAULT AND REMEDIES

1. If Park District, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below.

2. Prior to termination, the City will give Park District 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Park District does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Park District will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

9.3. Either Party may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of this Agreement, or damages for failure of performance, or both.

SECTION 10. NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

1. Pursuant to Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term business relationship is defined in Section 2-156-080 of the Code.

2.
