2940-2946 West Lake Street Type 1 Rezoning Narrative

The site at 2940-2946 West Lake Street (the "Property") is approximately 13,735 square feet and contains two buildings. The building at 2940 West Lake is a two-story building and is currently occupied by a construction office and other general office uses. The building at 2946 West Lake is a tall one-story building which is vacant. It was constructed in 2006 and has never been occupied. The total floor area of the Property is 13,522 square feet. The Property is currently zoned M1-2, Limited Manufacturing/Business Park District and is located within the Kinzie Industrial Corridor. The proposed zoning classification is C3-2, Commercial, Manufacturing and Employment District. This is a required Type 1 Zoning Map Amendment per Section 17-13-03 02-A (b) in that the zoning change is from a district that does not impose maximum height limits to a district that does impose a maximum height limit.

The proposed use of the Property and primary purpose of the zoning amendment is to

operate an art gallery with its ancillary functions such as art inventory storage, administrative offices, and the shipping/receiving of art work. The existing building area is 13,522 square feet with a floor area ratio ("FAR") of 0.98. After some internal alterations, the proposed floor area will be 15,769 square feet with a FAR of 1.15. The maximum allowed FAR in both the M1-2 and C3-2 district is 2.2. Thus, the existing building including the proposed alterations is well below the allowable FAR.

There are four existing parking spaces located in front of the 2946 West Lake building with access from Lake Street. No off-street loading is required because the gross floor area is less than 24,999 square feet. The existing height of the Property is 26.5 feet and will not change. The C3-2 district has a maximum height of 45 feet.
