17. The Applicant acknowledges and agrees that the rezoning of the Property from a B3-3 Community Shopping District to a B3-5 Community Shopping District for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). At the time of each Part II review for the Residential Project, the Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement No. 17 (i.e. amount of Cash Payment) accordingly, without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment. The Commissioner of the Department of Planning and Development may enforce remedies with respect to any breach of this Statement 17, and may enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
