(d) ~~No more than 40 horse drawn carriage licenses shall be issued, the public convenience and necessity requiring such limitation.~~

e) ~~The commissioner may refuse to renew a license for the initial license period or for any subsequent license period provided for in this ordinance; if that license was revoked during the previous license period or if the applicant for renewal fails to qualify for renewal under any provision of this chapter or rules and regulations promulgated hereunder; or any provision of this municipal code; the laws of Illinois or federal law relating to the use or operation of a vehicle on a public way. In the event that the commissioner determines that a license shall not be renewed, the commissioner shall notify the applicant within 30 days, which notice shall state the reason for the nonrenewal.~~

f) ~~If a renewal is denied the applicant may within ten days of the mailing of notice of the denial, make written demand upon the commissioner for a hearing. Upon receipt of a timely written demand for a hearing, the commissioner shall within 30 days conduct a hearing. If upon such a hearing the applicant establishes through competent evidence that the denial was based upon incorrect findings, the commissioner shall issue the license. If upon such a hearing the denial is found to have been based upon correct findings, the denial shall become final. After entry of a final denial the applicant shall be ineligible to make a new application for a period of six months.~~

g) ~~In the event that a license is not renewed by the commissioner or if a licensee chooses not to apply for renewal, the commissioner shall grant all such available licenses by the random selection of qualified applicants. If the commissioner shall find that the application for renewal, and all other statements and documents required to be filed with said application have been properly executed; that the applicant is qualified to pursue this occupation; that the carriage or carriages are in safe and proper condition, and that the horse has been properly licensed under Sections 7-12-210 and 7-12-220 of the municipal code, the commissioner will issue the applicant a license for each horse drawn carriage applied for, to terminate on the thirty first day of December following the date of issue, except that no more than 40 licenses shall be issued or outstanding at any one time.
