WHEREAS, the City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, in accordance with the Act, the Crane TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Central West Redevelopment Plan, and the City has found that the Crane TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Crane Facility that are necessary and directly result from the redevelopment project constituting the Crane Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; now, therefore,

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One: Incorporation of Recitals

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two: The Crane Project

The Board covenants, represents and warrants that the plans and specifications for the Crane Project at a minimum meet the general requirements for the Crane Facility as set forth in Exhibit 1 hereof. The Board covenants, represents and warrants that it has complied and shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Crane Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

Article Three: Funding

1. Upon the execution hereof, the Board shall provide the Department with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon Crane TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in Exhibit 2. Requisition for reimbursement of Crane TIF-Funded Improvements out of the Crane City Funds shall be made not more than four (4) times per year (or as otherwise permitted by the Department). The City shall disburse the Crane City Funds to the Board within fifteen (15) days after the City's approval of a Requisition Form. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Crane Project, to the extent that such costs are TIF-Funded Improvements.

2. The cost of the Crane Project is \$2,340,050. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Crane Project, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the Crane City Funds to the Crane Project and that all costs of completing the Crane Project over the Crane City Funds shall be the sole responsibility of the Board.

3. Attached as Exhibit 4 and incorporated herein is a list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Crane Project, to be paid for out of Crane City Funds ("Crane TIF-Funded Improvements"); and to the extent the Crane TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the Crane TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these Crane TIF-Funded Improvements are necessary and directly result from the Central West Redevelopment Plan. All Crane TIF-Funded Improvements shall (a) qualify as redevelopment project costs under the Act, (b) qualify as eligible costs under the Central West Redevelopment Plan; and (c) be improvements that the Commissioner has agreed to pay for out of Central West Increment, subject to the terms of this Agreement.

4. [intentionally omitted]

5. If requested by the City, the Board shall provide to the City reasonable access to its books and records relating to the Crane Project.

6. Commencing with the first State fiscal year (July 1-June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2021, the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130% of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50% of the grant amount that the Board receives that is in excess of 130% of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50% of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment

financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

7. During the Term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Crane Property or any interest therein, or (b) the Crane Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the Crane City Funds hereunder pursuant to the Act. Subject to applicable law, the Board shall pay any proceeds of any Transfer to the City. Nothing contained in this Article Three. Section 7 shall be construed as prohibiting the Commission from holding title to the Crane Property or the Crane Facility for the benefit of the Board as may be permitted or required by law or the City from holding title to the Crane Property or the Crane Facility in trust for the use of schools as may be permitted or required by law.

Article Four: Term

The Term of the Agreement shall commence effective as of the Effective Date and shall expire on the date on which the Central West Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five: Indemnity; Default

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Crane Project.
2. . The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Increment Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall

not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

6

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant that the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
