RECITALS

- A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.
- B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq.. as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.
 - C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City

(the "City Council") adopted ordinances on April 9, 2003, published at pages 106129 to 106248 of the Journal of Proceedings of the City Council of the City for said date: (1) approving a redevelopment plan (the "Redevelopment Plan") for the 119th and Halsted Redevelopment Project Area (the "Area"), as amended pursuant to an ordinance adopted on April 9, 2003, and published in the Journal for such date at pages 106129 to 106248, and as subsequently amended pursuant to an ordinance adopted on April 30, 2014, and published in the Journal for such date at pages 78911 to 79114; (2) designating the Area as a Redevelopment Project Area pursuant to the Act, as amended pursuant to an ordinance adopted on April 30, 2014, and published in the Journal for such date at pages 79115 to 79125; and (3) adopting tax increment allocation financing for the Area, as amended pursuant to an

ordinance adopted on April 30, 2014, and published in the Journal for such date at pages 79126 to 79135 (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the Redevelopment Plan attached hereto as Exhibit D.

F. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Available Incremental Taxes (as defined below), to pay for or reimburse any of the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

In addition, as described in Section 8.05 hereof, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes (as defined herein) pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds.

(a) Prior Expenditures. Only those expenditures made by any of the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded

Improvements shall not be reimbursed to any of the Developer Parties by the City with City Funds but may be eligible for reimbursement through the Lender Financing or Equity identified in Section 4.01 hereof.

- (b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.
- 6 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.
- 7 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, one or more of the Developer Parties shall submit documentation regarding the applicable expenditures to DPD which shall be satisfactory to DPD in its sole discretion. Delivery by one or more of the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:
 - (a) the total amount of the Requisition Form represents the actual cost of the actual amount payable to (or paid to) the contractors who have performed work on the Project, and/or their payees, and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;
 - (b) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;
- c) the Developer has approved all work and materials for the current Requisition Form, and such work and materials conform to the Plans and Specifications;
- d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;
- e) none of the Developer Parties have received notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;
- f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and
 - (g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds (as defined hereinafter) equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall

10

mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by any of the Developer Parties pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a

written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Bond Ordinance, if any, the TIF Bonds, if any, the TIF Ordinances, and/or this Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement or suspend disbursement of the City Funds upon the occurrence of an Event of Default unless foreclosure proceedings have been commenced under any mortgage securing any Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that no lender providing Lender Financing has cured the Event of Default within the curative time period provided under Section 15.03.

- 8 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) the investor limited partner to remove KJ Manor, LLC, an Illinois limited liability company (the "General Partner"), the General Partner of Developer, in accordance with Developer's limited partnership agreement, provided the substitute general partner is acceptable to City in its reasonable discretion and the City provides its written consent, and (ii) the General Partner to pledge to Citibank all of the General Partner's rights, title and interest in and to the Developer and under the Developer's limited partnership agreement as collateral for the Developer's obligations under the loans made or to be made by Citibank to Developer.
- 9 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds disbursed are subject to being reimbursed upon the Developer Parties' noncompliance with the provisions of this Agreement.

"Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes; provided, however, the Developer is permitted to apply for a Class 9 designation, or a comparable abatement or exemption under any program that may replace or supplement the Class 9 program, from Cook County.

The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.18(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

iii) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.
- c) Real Estate Taxes.
 - (i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except any exemption for which DPD has provided its prior written consent.
 - (ii) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.18(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer Parties and their agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.18(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer Parties, their successors or assigns, may waive and terminate the Developer Parties' covenants and agreements set forth in this Section 8.18(c).

8.19 Affordable Housing Covenant. The Developer Parties agree and covenant to the City that, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

22

- a) The Facility shall be operated and maintained solely as senior residential rental housing;
- b) Sixty-Five (65) of the residential units in the Facility shall be available for occupancy to and be occupied solely by one or more qualifying as Low Income Families (as defined below) upon initial occupancy; and
- c) Sixty-Five (65) of the residential units in the Facility has monthly rents paid by the tenants not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

SECTION 10. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

- 10.01 Employment Opportunity. The Developer Parties on behalf of themselves and their successors and assigns, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer Parties operating on the Property (collectively, with the Developer Parties, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer Parties during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:
- a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seg., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a nondiscriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.
- b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.
- c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et serj. (1993), and any subsequent amendments and regulations promulgated thereto.
- d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the

responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

- e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.
- f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.
- 10.02 City Resident Construction Worker Employment Requirement. The Developer Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the

Developer Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer Parties shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seg.., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in Exhibit H hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs") as follows:

- a. at least 24 percent by MBEs;
- b. at least 4 percent by WBEs.

26

Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer Parties' MBE/WBE commitment may be achieved in part by the Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of

the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer Parties' MBE/WBE commitment as described in this Section 10.03.

The Developer Parties shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Developer Parties, on five Business Days' notice, to allow the City to review the Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Section 10.03, the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Developer Parties' MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Developer Parties shall be required to meet with the monitoring staff of DPD with regard to the Developer Parties' compliance with its obligations under this Section 10.03. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer Parties shall demonstrate to DPD their plan to achieve their obligations under this Section 10.03, the sufficiency of which shall be approved by DPD. During the Project, the Developer Parties shall submit the documentation required by this Section 10.03 to the monitoring staff of DPD. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer Parties are not complying with their obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other

27

remedies provided hereunder, the City may: (1) issue a written demand to the Developer Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer Parties, or (3) seek any other remedies against the Developer Parties available at law or in equity.

The Developer Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer Parties have conducted environmental studies sufficient to conclude that the Project may be constructed, completed and

operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer Parties or any person directly or indirectly controlling, controlled by or under common control with the Developer Parties, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. - i) the Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or
- ii) the Developer Parties' or any contractor's failure to pay contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

because it violates any law or public policy, Developer Parties shall contribute the maximum portion that they are permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer Parties' loan statements, if any, General Contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer Parties' offices for inspection, copying, audit and examination by an authorized representative of the City, at the

- b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property, assets, operations or condition, financial or otherwise;
 - (c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

- e) the commencement of any proceedings in bankruptcy by or against the Developer Parties or for the liquidation or reorganization of the Developer Parties, or alleging that the Developer Parties are insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory

(f) the appointment of a receiver or trustee for the Developer Parties, for any substantial part of the Developer Parties' assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer Parties; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

- (k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City.

For purposes of Sections 15.01 (i) and 15.01 (j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten percent (10%) of the Developer's partnership interests.

Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to Section 8.19, the Developer Parties or Affiliates shall reimburse the City all of the City Funds disbursed to any one of the Developer Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

3 Curative Period.

(a) In the event the Developer Parties shall fail to perform a monetary covenant which Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of their receipt of a written notice from the City specifying that they have failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a nonmonetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not

be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of their receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Party shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

34

- (b) Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 17 and to any Lender providing Lender Financing (including, without limitation, Citibank) or the limited partners of the Developer, and any Lender providing Lender Financing (including, without limitation, Citibank) or the limited partners of the Developer shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:
- i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lenders of such notice from the City; and
- ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the Lenders within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

The City shall accept such performance by any Lender providing Lender Financing (including, without limitation, Citibank) or the limited partners of the Developer for the account of the Developer with the same force and effect as if performed by the Developer.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in

interest, such

35

party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

- (b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.
- (c) Prior to the issuance by the City to the Developer Parties of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit D hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer Parties by more than ninety (90) days.
- 2 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.
- 3 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default

37

or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

- Waiver. Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.
- Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.
- 7 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.
- 8 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.
- 9 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.
- 10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.
- 11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.
- 12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.
- 13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

- 14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

This Agreement shall be binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer Parties, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

17 Force Majeure. Neither the City, the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. 39

Failure by the Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. The Developer Parties hereby represent and warrant that, to the best of their knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

23 Debarment Certification. Failure by the Developer Parties or any controlling person of either, as defined in Section 1-23-010 of the Municipal Code, thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby.

24 Inspector General and Legislative Inspector General. It is the duty of the Developer Parties, any subgrantee, bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. OPINION OF DEVELOPER PARTIES' COUNSEL

[To be retyped on the Developer Parties' Counsel's letterhead]

City of Chicago 121 North LaSalle Street Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to KJ Manor Limited Partnership, an Illinois limited partnership (the "Developer") and its general partner, KJ Manor, LLC, an Illinois limited liability company (the "General Partner"), in connection with the construction of certain facilities on land located in the 119th and Halsted Redevelopment Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- a) Kennedy Jordan Manor Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer, KJM, Inc. and the City of Chicago (the "City"); and
- b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

- a) the original or certified, conformed or photostatic copies of (1) the Developer's (i) Certificate of Existence, (ii) partnership agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all partners' proceedings relating to the Project; and (2) the General Partner's (i) Articles of Incorporation, (ii) By-Laws, if any, (iii) the certificate of good standing, and (iv) records of all corporate proceedings relating to the Project; and
- b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Developer and the General Partner), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is my opinion that:

- 1. The Developer is a limited partnership, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. The General Partner is a not-for-profit corporation, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.
- 2. The Developer and the General Partner have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's limited partnership agreement or the General Partner's articles of organization, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer or the General Partner is a party or by which the Developer or the General Partner or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer or the General Partner is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).
- 3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer and the General Partner.
- 4. Each of the Documents to which the Developer or the General Partner is a party has been duly executed and delivered by a duly authorized officer of the Developer or the General Partner, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Developer or the General Partner enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.
- 5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against the Developer or the General Partner nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or the General Partner or affecting the Developer or the General Partner or its property, or seeking to restrain or enjoin the performance by the Developer or the General Partner of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of my knowledge after diligent inquiry, the Developer or the General

Partner is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the

Developer or, the General Partner or its business.

- 6. To the best of my knowledge after diligent inquiry, there is no default by the Developer or the General Partner or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer or the General Partner is a party or by which the company or its properties is bound.
- 7. To the best of my knowledge after diligent inquiry, all of the assets of the Developer or the General Partner are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.
- 8. The execution, delivery and performance of the Documents by the Developer or the General Partner have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.
- 9. To the best of my knowledge after diligent inquiry, the Developer or the General Partner own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.
- 10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

58

This opinion is issued at the Developer's and the General Partner's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and

Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation. Copies of Citigroup's periodic reports are on file with the SEC, which can be located at the SEC's website (www.sec.gov <http://www.sec.gov>).

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. Citigroup and its affiliated entities routinely cooperate with such investigations.

Citigroup is a public company, and as such files periodic and current reports with the U.S. Securities and Exchange Commission as required by the Securities Exchange Act of 1934 that include current descriptions of material regulatory proceedings, investigations and litigation. Copies of Citigroup's periodic reports are on file with the SEC, which can be located at the SEC's website (www.sec.gov <http://www.sec.gov>).

In the ordinary course of business, Citigroup Inc. ("Citigroup") and its subsidiaries and affiliates are defendants or co-defendants in various litigation matters incidental to and typical of the broad range of businesses in which they are engaged. For example, typical actions in broker-dealer subsidiaries are civil suits, arbitration proceedings, and other matters related to activities occurring in the normal course of business as a broker and dealer in securities, as an underwriter of securities, as an investment banker or otherwise. Copies of Citigroup's periodic reports are on file with the SEC, which can be located at the SEC's website (www.sec.gov http://www.sec.gov).
