OFFICE OF THE MAYOR

CITY OF CHICAGO

RAHM EMANUEL
MAYOR

September 10, 2014

TO THE HONORABLE, THE CITY COUNCIL OF THE CITY OF
CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinance authorizing a land exchange with Southern Railway Corporation.

Your favorable consideration of this ordinance will be appreciated.

Mayor

Very truly yours,

**AN ORDINANCE AUTHORIZING THE EXCHANGE OF CITY PROPERTY FOR THE FORMER
ENGLEWOOD CONNECTING LINE**

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of certain real property located on the 6000 block of South Lafayette Avenue, which is legally described on Exhibit A attached hereto and depicted on Exhibit B attached hereto (the "60th Street Property"); and

WHEREAS, the City is also the owner of certain real property formerly comprising a part of (or located near) access ramps for the Chicago Skyway located in the vicinity of 63rd Street, Michigan Avenue and Prairie Avenue, which is legally described on Exhibit C attached hereto and depicted on Exhibit D attached hereto (the "Skyway Property"); and

WHEREAS, the 60th Street Property and the Skyway Property are collectively referred to herein as the "City Property"; and

WHEREAS, Norfolk Southern Railway Company ("NS") is the owner of a former elevated rail line known as the "Englewood Connecting Line" that runs generally from South Wallace Avenue (600 West) on the east to South Hoyne Avenue (2100 West) on the west along the 58th/59th Street corridor, which is legally described on Exhibit E attached hereto and depicted on Exhibit F attached hereto (the "Englewood Connecting Line"); and

WHEREAS, the Englewood Connecting Line is approximately 1.7 miles in length and ranges between 50 feet and 100 feet in width; and

WHEREAS, the City Property contains approximately 5.1 acres, and the Englewood Connecting Line contains approximately 17 acres; and

WHEREAS, the City is interested in acquiring the Englewood Connecting Line for the future construction of an elevated nature trail and open space that would link the existing at-grade parks and adjacent urban agricultural sites, as outlined in "The Green Healthy Neighborhoods Land Use Plan," adopted by the Chicago Plan Commission on March 20, 2014; and

WHEREAS, pursuant to an ordinance adopted by the City Council on April 10, 2013, the City and NS entered into two agreements relating to NS's expansion of its 47th Street intermodal facility: (i) an Agreement for the Sale and Redevelopment of Land, pursuant to which the City agreed to sell land to NS for the expansion, and a Neighborhood Investment Fund Agreement ("Neighborhood Agreement"), pursuant to which NS agreed to undertake certain environmental and economic development initiatives; and

WHEREAS, among its commitments under the Neighborhood Agreement, NS agreed to convey the Englewood Connecting Line to the City for development of a linear trail in exchange for City land or other consideration of approximately equivalent value; and

WHEREAS, NS has submitted a proposal to the City's Department of Planning and Development (the "Department") to convey the Englewood Connecting Line to the City in exchange for the City Property, which NS intends

to include in its proposed 63rd Street intermodal yard expansion; and

WHEREAS, the conversion of the Englewood Connecting Line to a nature and bike trail will beautify the Englewood neighborhood and help mitigate the air quality concerns associated with the intermodal yard expansion; and

WHEREAS, the appraised value of the Skyway Property is approximately \$810,000, based on its enhancement value to NS's adjoining property; and

WHEREAS, the appraised value of the 60th Street Property varies considerably depending on whether the appropriate comparable sales are sales of residential lots to the general market (minimal due to a lack of demand) or sales to NS for its intermodal yard expansion; and

WHEREAS, similarly, the value of the Englewood Connecting Line varies significantly depending on whether one looks at demand for the rail corridor to the general market (minimal since the cost to remove the embankment to make the land usable exceeds the value of the underlying land) or its value to the City as an assembled right-of-way; and

WHEREAS, based on the underlying value assumptions, the fair market value of the 60th Street Property ranges from approximately \$41,000 at the low end (value to the general market) to approximately \$620,000 on the high end (based on the highest price NS has paid for land in the area), and the fair market value of the Englewood Connecting Line ranges from \$0 (liquidation value) to approximately \$1.4 million (corridor enhancement value); and

WHEREAS, the combined value of the Skyway Property (approximately \$810,000) and the 60th Street Property at its high end (approximately \$620,000) is approximately equal to the value of the Englewood Connecting Line at its high end (approximately \$1.4 million); and

WHEREAS, given the difficulty of estimating a single-point value for either the 60th Street Property or the Englewood Connecting Line, and the benefits to the City of acquiring the uninterrupted rail corridor for conversion to a nature trail, the Department has recommended that the City Council authorize the land exchange; and

WHEREAS, public notices advertising the Department's intent to exchange the City Property for the Englewood Connecting Line, and requesting alternative proposals, appeared in the Chicago Sun-Times on July 18, July 25 and August 1, 2014; and

WHEREAS, no other responsive proposals were received by the deadline indicated in the aforesaid notices; and

WHEREAS, by Resolution adopted on June 19, 2014, the Chicago Plan Commission approved the land exchange; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above findings and recitals are hereby incorporated by reference and constitute a material part of this ordinance.

SECTION 2. The City's conveyance of the City Property to NS in exchange for NS's

2

conveyance of the Englewood Connecting Line to the City is hereby approved. This approval is expressly conditioned upon the City entering into a land exchange agreement with NS in substantially the form attached hereto as Exhibit G. The Commissioner of the Department (the "Commissioner") or a designee of the Commissioner is each hereby authorized to negotiate, execute and deliver the Land Exchange Agreement,

and such other documents as may be necessary or appropriate to implement the provisions of this ordinance, subject to the approval of the Corporation Counsel. Such Land Exchange Agreement and other documents may contain terms and provisions that the Commissioner deems appropriate, including, without limitation, indemnification by the City. The Commissioner is further authorized to accept a deed of conveyance from NS for the Englewood Connecting Line, subject to the approval of the Corporation Counsel.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying the City Property to NS, or to an entity of which NS is the sole controlling party.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall be in full force and effect immediately upon its passage and approval.

WHEREAS, NS has agreed to convey the Englewood Connecting Line to the City, and the City has agreed to convey the City Property to NS (such transaction, the "Land Exchange"); and

1

WHEREAS, the City Property and the Englewood Connecting Line are sometimes referred to herein individually as a "Property" and collectively as the "Properties"; and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 2014, and published at pages _____ through _____ in the Journal of the Proceedings of the City Council of such date, authorized the Land Exchange (the "Project Ordinance").

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Incorporation of Recitals. The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the Parties.

2. Agreement to Exchange. NS hereby agrees to convey to the City, and the City hereby agrees to accept from NS, the Englewood Connecting Line, and the City hereby agrees to convey to NS, and NS hereby agrees to accept from the City, the City Property. Each such transfer is to be made in consideration of the other, and is subject to the terms and conditions of this Agreement.

3. Closing. Subject to the fulfillment of the conditions hereof and provided that all of the covenants, representations and warranties of the Parties are true and correct on the date of closing as though made on such date, the closing of the Land Exchange ("Closing") shall take place at the downtown offices of Greater Illinois Title Company (the "Title Company"), 120 North LaSalle Street, Suite 900, Chicago, Illinois 60602, within thirty (30) days after the later of (i) the satisfaction of the Skyway Condition Precedent in Section 5(c) hereof, and (ii) the expiration or waiver by each Party of the Inspection Condition Precedent in Section 6 hereof, or such other date as is mutually agreed by the Parties (the "Closing Date"). At the Closing, each Party shall deliver into escrow the documents provided for under this Agreement. The Closing shall be through an escrow with the Title Company.

4. Deed. At Closing, each Party shall convey its Property to the other by a recordable quit claim deed ("Deed") subject to: (a) the standard exceptions in an ALTA title insurance policy; (b) general real estate taxes and any special assessments or other taxes; (c) all easements, encroachments, covenants and restrictions of record and not shown of record; (d) all statutes, laws, regulations, rules and ordinances of any kind affecting the Property (including, without limitation, zoning and building laws, ordinances, codes or approvals and environmental protection laws or regulations); (e) public and private rights of way; (f) such other title defects as may exist; and (g) any and all exceptions caused by the acts of the Parties, their Agents or any person or entity directly or indirectly controlling, controlled by or under common control with the Parties ("Affiliates").

5. Condition of Title.

(a) Each Party has or shall obtain a title insurance commitment for the Property which it is acquiring (the "Commitment"), and may, at its own expense, obtain a survey of such Property (the "Survey"). If either Party (the "Objecting Party") has objections to matters disclosed by the Commitment or the Survey, such Objecting Party may notify the other Party (the "Property Owner") in writing (the "Title Objection Notice") and the Property Owner may, but shall have no obligation to, cure the same or agree in writing to cure the same prior to Closing

2

or obtain affirmative insurance against loss or damage that may be occasioned by the same and provide evidence reasonably satisfactory to the Objecting Party thereof. If the Property Owner does not cure the objections or agree in writing to cure the objections or otherwise endorse or insure the same prior to Closing, the Objecting Party shall have the option to do one of the following: (i) accept title to the Property subject to the exceptions; or (ii) terminate this Agreement by delivery of written notice to the Property Owner prior to the Closing, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder.

b) Each Party may, at its sole cost and expense, update the Commitment and Survey for the Property it is acquiring, and shall be solely responsible for and shall pay all costs associated with obtaining a title policy and any endorsements it deems necessary for such Property. Neither Party makes any representation or warranty of whatever nature regarding the truth, accuracy, validity, completeness, usefulness, suitability or any other aspect of the Commitment or Survey for its Property, and each Party expressly disclaims any such representation and warranty. Each Party relies on the Commitment and Survey for the Property it is acquiring at its sole risk.

c) NS acknowledges and agrees that the Skyway Property is included in the Chicago Skyway Concession and Lease Agreement dated as of October 27, 2004, by and between the City and Skyway Concession Company, LLC (as amended or supplemented, the "Skyway Lease"), and that the City has asked Skyway Concession Company, LLC (the "Skyway Operator") to release such property from the Skyway Lease. Notwithstanding anything to the contrary contained in this Agreement, the City shall have no obligation to transfer the Skyway Property to NS unless and until the Skyway Operator has released such property from the Skyway Lease (the "Skyway Condition Precedent").

6. Inspection Contingency.

a) Inspections. Each Party (the "Inspecting Party") and its agents, employees, contractors, and representatives (collectively, "Agents") shall have the right to enter upon the Property it is acquiring (the "Subject Property") at any time after the Effective Date, through and including the last day of the Inspection Period (as hereinafter defined), for the purpose of inspecting, surveying, engineering, performing

environmental tests and such other work (collectively, the "Inspections") as the Inspecting Party shall consider appropriate upon reasonable notice to the Property Owner. The Inspecting Party shall and does hereby indemnify, protect, defend and hold the Property Owner and its officers, directors, partners, members, managers, employees and agents harmless from and against any and all actions, causes of action, damages, claims, liens, liabilities, losses, costs and expenses (including, without limitation, reasonable attorneys' fees of counsel selected by the Property Owner and costs of litigation) arising from or caused by the actions of the Inspecting Party or its Agents upon the Subject Property. The foregoing indemnification shall survive the Closing and any termination of this Agreement.

b) **Inspection Period.** The obligations of the Inspecting Party under this Agreement are expressly subject to and conditioned upon the determination by the Inspecting Party, in its sole discretion, that the Subject Property is satisfactory for the uses and purposes intended by the Inspecting Party, which determination shall be made within six (6) months after the Effective Date (as such period may be extended pursuant to this Section 6, the "Inspection Period"). The foregoing condition precedent is referred to herein as the "Inspection Condition Precedent." The Inspection Condition Precedent includes, without limitation, the City's evaluation of the bridges

3

on the Englewood Connecting Line (the "Bridge Inspection") and the performance of Phase II testing on the Englewood Connecting Line (the "Phase II Testing"). The City anticipates that it may not complete the Bridge Inspection and/or the Phase II Testing within the initial 6-month Inspection Period, in which case the City shall have an additional six (6) months to complete such activities and the Inspection Period shall be extended for such additional time. In addition, the Parties may mutually agree to extend the Inspection Period for additional periods of time. If the Inspection Condition Precedent is not satisfied or waived by the Inspecting Party prior to the expiration of the Inspection Period, as such period may have been extended, then the Inspecting Party shall have the option to terminate this Agreement prior to the expiration of the Inspection Period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Inspecting Party fails to provide written notice to the Property Owner prior to the expiration of the initial 6-month Inspection Period, the Inspecting Party shall be deemed to have exercised its right to extend the Inspection Period for an additional six (6) months. If the Inspecting Party fails to provide written notice to the Property Owner prior to the expiration of the Inspection Period, as such period may have been extended by right or mutual agreement, the Inspecting Party shall be deemed to have waived its right to terminate this Agreement pursuant to the provisions of this Section 6 and the Parties shall proceed as provided in this Agreement.

c) Prior to entry upon the Subject Property by the Inspecting Party or its Agents, the Inspecting Party shall give the Property Owner notice of at least 24 hours (which may be by telephone or email), and shall provide proof of insurance for itself and its Agents, as required by Exhibit D

d) This Section 6 shall survive the expiration or termination of this Agreement (regardless of the reason for such termination).

7. **Closing Deliveries.** On or before the Closing Date, each Party shall deliver to the Title Company to hold in escrow the following documents duly executed and, if applicable, in proper form for recording:

a) a Deed in form acceptable to the other Party and the Title Company, duly executed and acknowledged, conveying good and indefeasible title in fee simple to its Property;

b) all necessary state, county and municipal real estate transfer tax declarations;

(c) an ALTA statement in form required by the Title Company;

d) an affidavit confirming that the Party is not a "foreign corporation" within the meaning of Section 1445 of the Internal Revenue Code;

e) prorations and adjustments as provided herein;

f) such evidence as the Title Company shall reasonably require as to the authority of each Party to enter into this Agreement and discharge its obligations hereunder; and

4

(g) such other documents as may be reasonably required by the Title Company to close the Land Exchange and issue a title policy, if requested, for each Property.

8. Date of Possession; Condition of Property at Closing. Each Party shall deliver possession of its Property to the other Party at the Closing. If either Property is not materially in the same condition on the date of Closing as it was on the Effective Date, ordinary wear and tear excepted, the Party buying such Property shall have as its sole remedy the right to terminate this Agreement; provided, however, such Party shall first deliver written notice to the other Party of the objectionable condition and allow the other Party thirty (30) days (or such longer period as shall be reasonably necessary) to restore the Property to its prior condition. Notwithstanding anything to the contrary contained in this Agreement, neither Party shall have any obligation in the event of casualty or other loss or destruction to restore the Property to its prior condition.

9. Expenses. Each Party shall pay all costs and expenses in connection with the Property it is acquiring hereunder, including, without limitation, title insurance fees and premiums, recording fees, transfer taxes (if the transfer is not an exempt transaction), legal fees and expenses and all other closing costs; provided, however, the Parties shall share equally in the costs of any escrow fees incurred in connection with the Land Exchange.

10. Taxes. General and special real estate and other ad valorem taxes and assessments not yet due or payable shall be prorated as of the Closing Date on the basis of 105% of the most recent ascertainable taxes or assessments. Such prorations shall be final and unadjustable.

11. **"As Is" Sale; Release and Indemnification.**

a) Each Party acknowledges and agrees that it has had or will have adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the Property it is acquiring, and perform any surveys, environmental assessments, soil and other tests it deems necessary or desirable to satisfy itself as to the condition of such Property, and accepts the risk that any inspection may not disclose all material matters affecting such Property. Each Party agrees to accept the Property it is acquiring in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of such Property or the suitability of such Property for any purpose whatsoever. Each Party hereby acknowledges that, in accepting such Property, it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the other Party. Each Party agrees that it is its sole responsibility and obligation to take such action as is necessary to put the Property it is acquiring hereunder in a condition which is suitable for its intended use.

b) Each Party, on behalf of itself and its successors and assigns, and their respective officers,

directors, employees, members, managers, agents and representatives (collectively, the "Buyer Parties") hereby releases, renounces and waives any claims or causes of action it may have against the other Party (the "Selling Party"), its officers, agents and employees, under any existing or future theory of law (federal, state or local, or by common law), whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or

5

occurring after the Closing, based upon, arising out of or in any way connected with, directly or indirectly, the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of hazardous or toxic materials, substances, wastes or other environmentally regulated substances, or other contaminants or pollutants in, on, under or about the Property, and shall undertake and discharge all liabilities of the Selling Party arising from any structural, physical or environmental condition that existed on the Property prior to the Closing

(c) The provisions of this Section 11 shall survive the Closing.

12. Representations and Warranties of NS. NS hereby represents and warrants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

a) NS has the power and authority to execute and deliver this Agreement and perform its obligations hereunder.

b) NS's execution, delivery and performance of its obligations under this Agreement have been duly authorized by all necessary corporate action, and do not violate NS's articles of incorporation or bylaws, as the same may be amended and supplemented, nor any applicable provision of law, nor will such execution, delivery and performance, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which NS, or any Party affiliated with NS, is a Party or by which NS or the Englewood Connecting Line is bound.

c) To the actual knowledge of Kelly Harris, no action, litigation, investigation or proceeding of any kind is pending or threatened against NS or any of its Affiliates, by or before any court, governmental commission, board, bureau or any other administrative agency, and NS knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could affect the ability of NS to perform its obligations hereunder.

d) To the actual knowledge of Kelly Harris NS has not: (i) granted, suffered or permitted any lien, claim or encumbrance upon the Englewood Connecting Line or any portion thereof; (ii) permitted or suffered any levy, attachment, claim or restraint to be made affecting the Englewood Connecting Line; or (iii) executed any leases, licenses, easements, service or other use agreements for the Englewood Connecting Line.

e) NS is not a person or entity described by Section 1 of the Executive Order (No. 13,224) Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, 66 Fed. Reg. 49,079 (September 25, 2001), and does not engage in any dealings or transactions, and is not otherwise associated, with any of those persons or entities.

13. Representations and Warranties of City. The City hereby represents and warrants to NS that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(a) The execution of this Agreement by the City and the performance of its obligations hereunder have been authorized by the Project Ordinance.

6

(b) The City has the authority as a home rule unit of local government to execute and deliver this Agreement and perform its obligations hereunder.

14. Brokers. Each Party warrants to the other that it has not used the services of a real estate broker or agent in connection with this transaction. Each Party agrees to indemnify, defend and hold the other Party harmless from any claim for real estate commissions arising by reason of the indemnifying Party's breach of this warranty. The provisions of this Section 14 shall survive Closing or the termination of this Agreement.

15. Default and Remedies. In the event of a default by a Party in the performance of its obligations under this Agreement, such Party shall immediately proceed to cure or remedy such default upon written notice from the other Party. In the event of a default that has not been cured within 30 days, the non-defaulting Party, as its sole remedy, may enforce this Agreement by an action for specific performance. If the non-defaulting Party fails to exercise such remedy within thirty (30) days after the scheduled Closing Date by filing a complaint in the District Court in Cook County, Illinois, then this Agreement shall be deemed terminated and neither Party shall have any further rights or remedies hereunder. Each Party hereby waives and releases any other rights or remedies which it may have at law or in equity

16. Time is of the Essence. The Parties agree that time is of the essence in the performance of their obligations under this Agreement and every provision hereof in which time is an element. No extension of time for the performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act.

17. Waiver and Estoppel. Any delay by either Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive said Party of or limit such rights in any way. No waiver made by either Party with respect to any specific default by the other Party shall be construed, considered or treated as a waiver of the rights of said Party with respect to any other defaults of the other Party.

18. Counterparts. This Agreement may be signed in any number of counterparts with the same effect as if the signatures to each counterpart were upon a single instrument, and is intended to be binding when all Parties have delivered their signatures to the other Parties. Signatures may be delivered by facsimile transmission. All counterparts shall be deemed an original of this Agreement.

19. Date for Performance. If any date for performance falls on a Saturday, Sunday or legal holiday, then the time of such performance shall be extended to the next business day thereafter.

20. Entire Agreement; Modification. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes and replaces any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the Parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the Party benefited by such term.

21. Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

22. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

23. Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

24. Severability. If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof, is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

25. Successors and Assigns. This Agreement shall be binding on and shall inure to the benefit of the Parties named herein and to their respective successors and assigns. Notwithstanding the foregoing, prior to the Closing, neither Party may assign its rights hereunder without the prior written consent of the other Party.

26. Notices. Any notice, demand or communication required or permitted to be given hereunder shall be given in writing at the addresses set forth below by any of the following means: (a) personal service; (b) facsimile; (c) overnight courier; or (d) registered or certified first class mail, postage prepaid, return receipt requested:

27. Conflict of Interest/Limitation of Liability. NS represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in NS, its affiliates, or this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. NS hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

29. Patriot Act Certification. NS represents and warrants that neither it nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by NS, (b) while this Agreement or any Other Contract (as

hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

b) NS represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached it, or the date it approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

c) NS agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

d) NS agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011 -4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

e) Notwithstanding anything to the contrary contained herein, NS agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 30 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

f) If NS intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

g) For purposes of this provision:

i) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

ii) "Other Contract" means any other agreement with the City to which NS is a Party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

iii) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

10

iv) Individuals are "domestic partners" if they satisfy the following criteria:

1) they are each other's sole domestic partner, responsible for each other's common welfare; and

- 2) neither Party is married; and
- 3) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- 4) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- 5) two of the following four conditions exist for the partners:
 - A) The partners have been residing together for at least 12 months.
 - B) The partners have common or joint ownership of a residence.
 - C) The partners have at least two of the following arrangements:
 - joint ownership of a motor vehicle;
 - joint credit account;
 - a joint checking account;
 - a lease for a residence identifying both domestic partners as tenants.
 - (D) Each partner identifies the other partner as a primary beneficiary in a will.

v) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

31. Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. NS understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

32. Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code, NS warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by NS, or its general contractors or subcontractors, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity.

11

This section does not limit the duty of NS, and its general contractors and subcontractors, to comply with all applicable laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the eligibility of NS for future contract awards insofar as not preempted by Federal law or regulation..

33. **2011 City Hiring Plan Prohibitions.**

a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

b) NS is aware that City policy prohibits City employees from directing any individual to apply for a position with NS, either as an employee or as a subcontractor, and from directing NS to hire an individual as an employee or as a subcontractor. Accordingly, NS must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by NS under this Agreement are employees or subcontractors of NS, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by NS.

c) NS will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or Party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or Party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or Parties or candidates for elected public office.

d) In the event of any communication to NS by a City employee or City official in violation of Section 33(b) above, or advocating a violation of Section 33(c) above, NS will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the Commissioner of DPD. NS will also cooperate with any inquiries by OIG Hiring Oversight.

34. Failure to Maintain Eligibility to Do Business with the City. Failure by NS or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. NS shall at all times comply with Section 2-154-020 of the Municipal Code.

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nascoip.com <<http://www.nascoip.com>>, including its Annual Report for the fiscal year ended December 31, 2012, and at NSC's filings with the U.S. Securities and Exchange Commission ("US SEC"), where are found at <<http://www.sec.gov>>.

The following two paragraphs are responsive to Certification V.B.I .e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B. I .e is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security and the Operational Safety and Health Administration, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, in addition to that material information which may be found at the noted US SEC website, also attached in Table V.B.I.e is that information which can be secured without undue effort or expense.

V.B.6. (1 of 1)

TABLE V.B.I.e

Part I

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C. and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of \$4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.
2. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of \$9,900 in January, 2010.
3. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidentally breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of \$9,000 in penalties in these two dockets.
4. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a \$1,500 penalty, which was paid.
5. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a \$500 penalty, which was paid.

6. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. A penalty of \$98,600 was paid on July 19, 2011 pursuant to a Final Order. Two additional Notices of Probable Violation and a Notice of Amendment were received in February 2011. On August 18, 2011 an additional penalty of \$77,500 was paid pursuant to a Final Order. Norfolk Southern has since retained a third party operator for this pipeline, thus resolving the alleged deficiencies.
8. In late June, 2010, the State of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a

V.B.1-e-A (1 of3)

Consent Order for Preliminary Injunction with the court that requires certain actions be undertaken by Norfolk Southern at the facility. A final Consent Order was entered by the Court on August 11, 2011 that provided for final relief and the payment of an \$115,000 penalty.

9. NSR concluded negotiations with the Federal Railroad Administration and paid \$993,060 to resolve alleged violations of various FRA regulations (e.g., mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2012 and early 2013. Date of action: 8/12/2013
10. NSR concluded negotiations with the Federal Railroad Administration and paid \$1,412,495 to resolve alleged violations of various FRA regulations (e.g., mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2011 and early 2012. Date of action: 8/9/2012.
11. NSR concluded negotiations with the Federal Railroad Administration and paid \$1,160,965 to resolve alleged violations of various FRA regulations (e.g., mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2010 and early 2011. Date of action: 6/30/2011.
12. NSR concluded negotiations with the Federal Railroad Administration and paid \$1,334,005 to resolve alleged violations of various FRA regulations (e.g., mechanical defects, safety appliance, hazardous material handling) transmitted by FRA in 2009 and early 2010. Date of action: 7/15/2010.
13. The Tennessee Department of Environment and Conservation issued a Notice of Violation to NSR concerning soil runoff in connection with construction of an intermodal facility near Memphis, TN. Date of action: 1/13/2012.
14. On June 22, 2012, in a case arising in Michigan, an Administrative Law Judge found Norfolk Southern had violated the anti-retaliation provisions of 49 U.S.C. 20109(a)(4), which prohibits employment discrimination against employees who report work-related injuries. Norfolk Southern was ordered to pay the complainant \$4,000; Norfolk Southern has appealed this decision.
15. On January 8, 2013, in a case arising in South Carolina, an Administrative Law Judge found Norfolk Southern had violated the anti-retaliation provisions of 49 U.S.C. 20109(a)(4), which prohibits employment discrimination against employees who report work-related injuries. Norfolk Southern was ordered to pay the complainant \$30,000; Norfolk Southern has appealed this decision and the case is now resolved.
16. Norfolk Southern received a Notice of Violation issued by the Tennessee Department of Environmental conservation

in January 2012 related to sediment runoff in connection with construction of the Memphis Regional Intermodal Facility in Rossville, Tennessee. Norfolk Southern will contest liability and the imposition of any penalties, and this matter is described here consistent with SEC rules and requirements concerning governmental proceedings with respect to environmental laws and regulations. A monetary penalty has not been officially imposed, but we do not believe that the outcome of this proceeding will have a material effect on our financial position, results of operations, or liquidity.

17. Norfolk Southern received a Notice of Violation and a penalty in the amount of \$25,000.00 on May 14, 2013 from the Altoona Water Authority for POTW permit limit violations. Norfolk Southern contested liability and the basis of the imposition of this

V.B.1.e-A(2 of 3)

penalty as the citation specifically identifies exceedances of permit conditions that occurred prior to the effective date of the amendments to establish the new permit limits. Subsequently, on August 27, 2013, Norfolk Southern entered into an Informal Settlement Agreement with Altoona Water Authority for full and final resolution and settlement of all violations and penalties and agreed to pay a total payment of \$ 11,000.

18. NSR entered into an Informal Settlement Agreement with the Occupational Safety and Health Administration to resolve alleged violations federal workplace safety regulations and paid \$12,750 to resolve these alleged violations issued by OSHA on June 11, 2013. Date of action: 7/3/2013
19. NSR entered into an Informal Settlement Agreement with the Occupational Safety and Health Administration to resolve alleged violations federal workplace safety regulations and agreed to remediate certain conditions to resolve these alleged violations issued by OSHA on May 5, 2013. Date of action: 6/10/2013
