If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

6 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this

Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation,

reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the

employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services.

7

Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period that is the longer of (A) 5 years after the final payment made in connection with this Agreement (or, 6 years after the final payment made in connection with this Agreement, with respect to any records that are required to be maintained pursuant to the Contractor's obligations under the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), which was part of the American Recovery and Reinvestment Act of 2009, specifically 45 C.F.R. § 164.5300), or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Special Service Area - Additional Audit Requirements

Accounting System

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance for the Contractor's Selection of a CPA Firm (Independent Auditor)

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria, and scope of the work required. Audit firm evaluations can replace an annual RFP process; an RFP process every three years is preferred.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit.
 - b. **Qualifications of the CPA Firm, management, and staff, including experience in auditing like entities.**
 - c. **Policies on notification of changes in key personnel.**
 - d. Whether the proposed staff has received continuing professional education that is relevant to the performance of this engagement during the previous 2 years,
 - e. Whether the CPA Firm has received a positive peer review within the last 3 years.
 - f. **Whether the CPA Firm is independent, as defined by applicable auditing standards.**
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past 3 years.
 - h. Confirmation the CPA Firm and key personnel assigned to this engagement maintains an active license in the State of Illinois and attached a copy of a current license with the RFP response or annually.
 - i. Confirmation the CPA Firm is not on the City's debarred vendor list,
 - j. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP. including cost

and independence.
- .5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.

- c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
- d. Ask questions of the bidders to eliminate any ambiguities.
- e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.

6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:

- a. Audit scope, objectives, and purposes.
- b. Deadlines for the work to be performed.
- c. Audit fees.
- d. Report format, including providing a PDF digital version of the final audit.
- e. Type and timing of support to be provided to the CPA Firm by the Special Service Area Commission ("SSAC").
- f. Professional auditing standards to be followed in performing the audit.
- g. Independence of the CPA Firm to the SSAC.
- h. **Terms of making changes to the scope of the agreement.**
- i. **CPA Firm's ownership of the work papers, retention period, and requirement for availability to the City upon request.**

Summary Schedule of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service

Tax Funds collected for prior tax years which remain previously unspent.

- b. Section 3 02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount slated in (he Agreement
- c. Section 3 03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit of Financial Statements

As discussed in Section 3.07. "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g. columns should be 2015 Budget, 2015 Actual, Variance, 2014 Budget, 2014 Actual, Variance).
3. **Statement of Cash Flows.**
4. **Notes to the Financial Statements.**
5. Summary Schedule of Findings that also includes the management response to any audit findings and any subsequent CPA Firm and/or City's and/or management responses until the CPA Firm and/or the City consider the findings sufficiently remedied.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

CPA Firm License

The CPA Firm shall attach as an exhibit to the audit the firm's active license and key personnel to this engagement in the State of Illinois.

Audit Presentations

The CPA Firm shall attend at least one (1) SSAC meeting and be available for other meetings as requested by the City to present the draft and/or final audit and respond to questions.

Debarment

Upon issuance of the final audit, the CPA Firm shall confirm it is not on the City's debarred vendor list.

CITY OF CHICAGO

MULTI- PROJECT LABOR AGREEMENT

This Model Multi-Project Labor Agreement ("Agreement") is entered into by and between City of Chicago, an Illinois municipal corporation, as Owner, on behalf of itself and each of its contractors, subcontractors of whatsoever tier performing construction work on any project to which this Agreement shall be applicable, and each of the undersigned labor organizations

signatory hereto.

Whereas, Owner is responsible for construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago, Illinois; Due to the size, scope, cost and duration of the multitude of Projects traditionally performed by the City of Chicago, the parties to this Agreement have determined that it is in their interest to have these Projects completed in the most timely, productive, economical and orderly manner possible, and without* labor disruptions of any kind that might interfere with, or delay, any of these Projects;

Whereas, the parties have determined that it is desirable to eliminate the potential for friction and disruption of these Projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation, and that such mutual undertakings should be maintained, and if possible, strengthened, and that the ultimate beneficiaries remain the Owner of the project; and.

Whereas, the Owner acknowledges that it has a serious and ongoing concern regarding labor relations associated with the Projects and through its completion irrespective of the existence of a collective bargaining relationship with any of the signatory labor organizations.

NOW THEREFORE, in order to further these goals and objectives and to maintain the spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, Owner its representatives and agents shall not contract or subcontract, nor permit any other person, firm, company, or entity to contract or subcontract, any construction, demolition, rehabilitation or renovation work for the Project work covered under this Agreement or within the trade jurisdiction of the signatory labor organization, to be performed at the Site of construction or off-site solely for installation at the Site (including all tenant improvements, if applicable), unless such work is performed only by a person, firm or company signatory, or willing to become signatory, to the applicable area-wide collective bargaining agreement(s) with the union(s) or the appropriate trade/craft union(s) or subordinate body or affiliate of the Chicago & Cook County Building & Construction Trades Council ("Council") or the Teamsters' Joint , Council No. 25-. Copies of all such current collective bargaining agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all Requests for Bids and/or Proposals and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all contractors and subcontractors; provided that the total Project value exceeds \$25,000.00. In no event shall contracts be "split" so as to avoid the applicability of this Agreement.
