CHA represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the City Municipal Code and that it will inform subcontractors of this provision and require their compliance.

24 Shakman/City Hiring Plan .

a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

b) CHA is aware that City policy prohibits City employees from directing any individual to apply for a position with the CHA, either as an employee or as a subcontractor, and from directing the CHA to hire an individual as an employee or as a subcontractor. Accordingly, the CHA must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the CHA under this Agreement are employees or subcontractors of the CHA, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by CHA.

(c) The CHA will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

12

(d) In the event of any communication to the CHA by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, the CHA will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the Superintendent of Police. The CHA will also cooperate with any inquiries by IGO Hiring

Oversight related to this Agreement.

7.25 FOIA and Local Records Act Compliance.

a) FOIA. The CHA acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the CHA receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Agreement then the CHA covenants to comply with such request within two (2) Business Days of the date of such request. Failure by the CHA to timely comply with such request will be a breach of this Agreement.

b) Exempt Information. Documents that the CHA submits to the City under this Agreement or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the CHA to be treated as a trade secret or information that would cause competitive harm, FOIA requires that the CHA mark any such documents as "proprietary, privileged or confidential." If the CHA marks a document as "proprietary, privileged and confidential", then the City will evaluate whether such document may be withheld under the FOIA. The City, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(e) Local Records Act. The CHA acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the CHA covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

IN WITNESS WHEREOF, the CHA and the City, acting through the CPD have executed this Agreement as of the date first written above.
