Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential Planned Development: Residential Dwelling Units; Wireless Communications Facilities; and accessory uses.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 44,335.00 square feet and a base FAR of 5.0, with the total FAR allowed under this Planned Development of 5.0.

9. The Applicant acknowledges and agrees that the rezoning of the Property from B3-3/C1 -3 to B2-5, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units, or, with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site.. The Property is located in a "higher income area" within the meaning of the ARO, and the project has a total of 252 units. As a result, the Applicant's affordable housing obligation is 25 units (10% of 252, rounded down), 6 of which are Required Units (2.5% of 252, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 12 affordable units in the rental building to be constructed in the Planned Development, and making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 per unit ("Cash Payment" for the 13 remaining units, as set forth in the Affordable Housing Profile Form attached hereto as

Final landscape plan review and approval will be by the Department of Planning and Development.
