FINAL FOR PUBLICATION

4. This Plan of Development consists of fifteen (15) Statements: a Bulk Regulations and Data Table; an Existing Zoning Map; a Planned Development Boundary and Property Line Map, an Existing Land-Use Map, Site Plan, Green Roof Plan, Front Building Elevation, Rear Building Elevation, and Side Building Elevations prepared by Axios Architects and Consultants LTD. and dated September 15, 2016 submitted herein. In any instance where a provision of this planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses are allowed in the area delineated herein as a Residential Planned Development: multi-unit residential buildings (total of 14) containing a maximum of eighty-four (84) dwelling units, private open space/recreation areas; accessory uses and buildings with required and non-required accessory off-street parking.
6. On-premise signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development ("DPD"). Off-premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height of any measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations established by the (FAA) Federal Aviation Administration.
8. The maximum permitted floor area ratio (F.A.R.) for the site shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and floor area measurements, the definitions in the Chicago Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using Net Site Area of 207,228 square feet or (4.76 acres of land area).-
9. Upon review and determination, "Part II Review", pursuant to section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site Plan and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan and approval will be by the Department of Planning and

Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

- 1 1. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning administrator upon the application for such modification by the applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
12. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
13. The Applicant will comply with Rules and Regulations for the Maintenance of Stock-Piles Promulgated by the Commissioner of Street and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings pursuant to Section 13-32-125 of the Municipal Code of Chicago or any other provision of that Code.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The project will be in substantial compliance with the current City of Chicago Sustainable Development policy set forth by DPD. The proposed buildings shall provide a vegetated ("Green") roof totaling a minimum of 50% of the net roof areas or 14,112 square feet and obtain Building Certification.
15. This planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a zoning map amendment to rezone the property to a RT4 Residential Two-Flat, Townhouse and Multi-Unit District which was the underlying zoning classification that formed the basis of this Planned Development.

Department of Planning and Development
City of Chicago

MEMORANDUM

Alderman Daniel S. Solis
Chairman, City Council Committee on Zoning

Patricia A. Scudiero, Chicago Plan Commission

September 16, 2016

RE: Proposed Planned Development for property generally located at 2102 North Natchez.

On September 15, 2016, the Chicago Plan Commission recommended approval of the proposed planned development submitted by Mia Property Acquisitions, LLC-2120 Natchez. A copy of the proposed planned development is attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning hearing.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Planning and Zoning recommendation and a copy of the Resolution. If you have any questions in this regard, please do not hesitate to contact me at 744-5777.
