### Step 3, # 15

The subject property is the site of Rowe Middle School, a public charter school within the Chicago Public Schools.

100% of the property is used for public education and its related activities.

The applicant, Northwestern University Settlement Association, began operating the school on the subject site in September 2015 under a lease agreement with the former owner. At the time, the school building contained 9,840 square feet of space. The school has been in operation continually since 2015.

The applicant, Northwestern University Settlement Association purchased the subject property on March 31, 2016.

In April 2016, Northwestern University Settlement Association began construction of an addition to the original school building that added approximately 4,400 square feet of space to Rowe Middle School. Construction of the addition was completed on September 1, 2016. During the construction period, classes continued to be held in the original building, except during the summer months when that building underwent renovation.

Classes began in September for the new school year. With the new addition, the school contains 14,280 square feet.

Step 3, #16

The applicant, Northwestern University Settlement Association purchased the subject property on March 31, 2015. Prior to the purchase, the applicant rented the subject property and utilized it to operate Rowe Middle School beginning September 2015. Please see the information set forth above.
