TOW ZONES:

West 23rd Street; West 23rd Street (north side) from South. Dearborn Street to South Federal Street; No Parking Tow Zone. No City Council action necessary for Warning Signs. Requested signs will be posted - (16-06677770) [02016-7150]

TRAFFIC WARNING SIGNS AND/OR SIGNALS:

East 76th Street; All Way Stop Sign. Project Development and CDOT does not recommended an All Way Stop Sign at this location because it can increase congestion, and create a false sense of security for pedestrians that everyvehicle will stop. CDOT does not recommended an all-way stop at this location -- (16-08233922) [Or2016-619]

North Central Avenue and West George Street; All Way Stop Sign. Not Recommended. North Central Avenue is an Arterial Street. An Engineering Study indicates All Way Stop Signs are not warranted according to established Federal and State Standards and could increase accidents - (16-0872654) [Or2016-568]

These Do Not Pass recommendations were concurred in by all members of the Committee present, with no dissenting votes.

Respectfully submitted,

Walter Burnett, Jr. " Chairman,
Committee on Pedestrian and Traffic Safety
