A final payment of all principal and interest not sooner paid on the Loan shall be due and payable on the Maturity Date.

Section 2.04. Payments Generally. If any payment hereunder shall become due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in computing interest in connection with such payment. Payments received will be applied to charges, fees and expenses (including attorneys' fees), accrued interest and principal, which shall be applied first, to the next scheduled payment of interest, second, to the next scheduled payment of principal, unless otherwise specified to be payment made for any fees, expenses or other obligations due to the Bank.

Section 2.06. Break Funding Indemnification. The City agrees to indemnify the Bank against any liabilities, losses or expenses (including, without limitation, loss of margin, any loss or expense sustained or incurred in liquidating or employing deposits from third parties, and any loss or expense incurred in connection with funds acquired to effect, fund or maintain the Loan

-8-

(or any part thereof)) which the Bank sustains or incurs as a consequence of either (i) the City's failure to make a payment on the due date thereof, (ii) the City's revocation (expressly, by later inconsistent notices or otherwise) in whole or in part of any notice given to the Bank to prepay the Loan (or any part thereof), or (iii) the City's payment or prepayment (whether voluntary, after acceleration of the maturity of the Loan or otherwise) on a day other than the regularly scheduled due date therefor. A notice as to any amounts payable pursuant to this paragraph given to the City by the Bank shall, in the absence of manifest error, be conclusive and shall be payable upon demand. The City's indemnification obligations hereunder shall survive the payment in full of the Loan and all other amounts payable hereunder.

Section 2.07. Evidence of Debt. The Loan made by the Bank shall be evidenced by one or more accounts or records maintained by the Bank in the ordinary course of business. The accounts or records maintained by the Bank shall be conclusive absent manifest error of the amount of the Loan made by the Bank to the City and the interest and payments thereon. Any failure to so record or any error in doing so will not, however, limit or otherwise affect the obligation of the City hereunder to pay any amount owing with respect to the Obligations. The City shall execute and deliver to the Bank a Note, which evidences the Bank's Loan in addition to such accounts or records. The Bank may attach schedules to its Note and endorse thereon the date, amount and maturity of its Loan and payments with respect thereto.

Section 2.08. Interest Rate Adjustments.

a) Default Rate. Upon maturity, whether by acceleration, demand or otherwise, and at the Bank's option upon the occurrence of any Event of Default (as hereinafter defined) and during the continuance thereof, the Obligations outstanding hereunder (including, without, limitation the Loan) shall bear interest at a rate per annum (based on a year of three hundred sixty-five (365) or three hundred sixty-six (366) days, as the case may be, and actual days elapsed) equal to the Default Rate. The Default Rate shall continue to apply whether or not judgment shall be entered on this Agreement or the Note. The Default Rate is imposed as liquidated damages for the purpose of defraying the Bank's expenses incident to

the handling of delinquent payments, but is in addition to, and not in lieu of, the Bank's exercise of any rights and remedies hereunder, under the other Loan Documents or under applicable law, and any fees and expenses of any agents or attorneys which the Bank may employ. In addition, the Default Rate reflects the increased credit risk to the Bank of carrying a loan that is in default. The City agrees that the Default Rate is a reasonable forecast of just compensation for anticipated and actual harm incurred by the Bank, and that the actual harm incurred by the Bank cannot be estimated with certainty and without difficulty.

b) Determination of Taxability, (i) In the event a Determination of Taxability occurs, to the extent not payable to the Bank under the terms of the Ordinance, the City hereby agrees to pay to the Bank on demand therefor (1) an amount equal to the difference between (A) the amount of interest that would have been paid to the Bank on the Loan during the period for which interest on the Loan is included in the gross income of the Bank if the Loan had borne interest at the Taxable Rate, beginning on the Taxable Date (the "Taxable Period"), and (B) the amount of interest actually paid to the Bank during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by the Bank as a result of interest on the Loan

-9-

becoming included in the gross income of the Bank, together with any and all attorneys' fees, court costs, or other out-of-pocket costs incurred by the Bank in connection therewith;

ii) Subject to the provisions of clause (iii) below, the Bank shall afford the City the opportunity, at the City's sole cost and expense, to contest (1) the validity of any amendment to the Code which causes the interest on the Loan to be included in the gross income of the Bank or (2) any challenge to the validity of the tax exemption with respect to the interest on the Loan, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); provided that, in no event shall the Bank be required to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the City or any other Person; and

iii) As a condition precedent to the exercise by the City of its right to contest set forth in clause (ii) above, the City shall, on demand, immediately reimburse the Bank for any and all expenses (including attorneys' fees for services that may be required or desirable, as determined by the Bank in its sole discretion) that may be incurred by the Bank in connection with any such contest, and shall, on demand, immediately reimburse the Bank for any and all penalties or other charges payable by the Bank for failure to include such interest in its gross income.

(c) Maximum Rate. viii) the Bank shall have received a copy of a pay-off letter from the Prior Lender setting forth, among other things, the total amount of Debt outstanding and owing to them; and

(ix) such other assurances, certificates, documents, consents or opinions as the Bank reasonably may require.

b) The representations and warranties of the City contained in Section 3 hereof or in the Ordinance, or which are contained in any document furnished at any time under or in connection herewith or therewith, are true and correct on and as of the Closing Date.

c) No Default or Event of Default exists, or would result from the making of the Loan or from the

application of the proceeds thereof.

Section 8. Expenses and Indemnification.

a) The City shall pay (i) promptly after closing and upon receipt of an invoice, all reasonable out-of-pocket expenses incurred by the Bank (including the reasonable fees, charges and disbursements of counsel for the Bank), in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the Note or any amendments, modifications or waivers of the provisions hereof or thereof, and (ii) all out-of-pocket expenses incurred by the Bank (including the fees, charges and disbursements of any counsel for the Bank), and shall pay all fees and time charges for attorneys who may be employees of the Bank, in connection with the enforcement or protection of its rights (A) in connection with this Agreement, the Note and the Ordinance, including its rights under this Section, or (B) in connection with the Loan made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loan.

b) To the extent permitted by law, the City agrees to indemnify and hold harmless the Bank, its officers, directors, employees and agents (each an "Indemnified Party") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses (including reasonable fees and disbursements of counsel to the Bank approved by the City provided that Chapman and Cutler LLP is hereby approved by the City) whatsoever which an Indemnified Party may incur (or which may be claimed against an Indemnified Party by any Person) by reason of or in connection with the execution and delivery of and consummation of the transactions contemplated under this Agreement and the Loan Documents, including, without limitation, the execution and delivery of, or payment or failure to pay by any Person under, this

-22-

Agreement; provided, however, that the City shall not be required to indemnify the Bank for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of the Bank in performing its obligations under this Agreement. Nothing in this paragraph is intended to limit the obligations of the City to pay its obligations hereunder and under the Loan Documents to which the City is a party. The provisions of this paragraph shall survive the termination of this Agreement and the payment in full of the Obligations of the City hereunder. Each Indemnified Party shall notify the City of any amounts which are owed to such Indemnified Party pursuant to this paragraph.

Section 9. Miscellaneous.

Section 9.01. Notices. All notices, demands, requests, consents, approvals and other communications required or permitted hereunder ("Notices") must be in writing (except as may be agreed otherwise above with respect to borrowing requests) and will be effective upon receipt. Notices may be given in any manner to which the parties may separately agree, including electronic mail. Without limiting the foregoing, first-class mail, facsimile transmission and commercial courier service are hereby agreed to as acceptable methods for giving Notices. Regardless of the manner in which provided, Notices may be sent to a party's address as set forth above or to such other address as any party may give to the other for such purpose in accordance with this section.

Section 9.02. Preservation of Rights. No delay or omission on the Bank's part to exercise any right or power arising hereunder will impair any such right or power or be considered a waiver of any such right or power, nor will the Bank's action or inaction impair any such right or power. The Bank's rights and remedies hereunder are cumulative and not exclusive of any other rights or remedies which the Bank may have under other agreements, at law or in equity.

Section 9.03. Illegality. If any provision contained in this Agreement should be invalid, illegal or unenforceable in

any respect, it shall not affect or impair the validity, legality and enforceability of the remaining provisions of this Agreement.

Section 9.04. Changes in Writing. No modification, amendment or waiver of, or consent to any departure by the City from, any provision of this Agreement will be effective unless made in a writing signed by the party to be charged, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Notwithstanding the foregoing, the Bank may modify this Agreement or any of the other Loan Documents for the purposes of completing missing content or correcting erroneous content, without the need for a written amendment, provided that the Bank shall send a copy of any such modification to the City (which notice may be given by electronic mail). No notice to or demand on the City will entitle the City to any other or further notice or demand in the same, similar or other circumstance.

Section 9.05. Entire Agreement. This Agreement (including the documents and instruments referred to herein) constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.

-23-

Section 9.06. Counterparts. This Agreement may be signed in any number of counterpart copies and by the parties hereto on separate counterparts, but all such copies shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or e-mail transmission shall be effective as delivery of a manually executed counterpart. Any party so executing this Agreement by facsimile or e-mail transmission shall promptly deliver a manually executed counterpart, provided that any failure to do so shall not affect the validity of the counterpart executed by facsimile or e-mail transmission.

Section 9.07. Successors and Assigns. This Agreement will be binding upon and inure to the benefit of the City and the Bank and their respective heirs, executors, administrators, successors and assigns; provided, however, that the City may not assign this Agreement in whole or in part without the Bank's prior written consent and the Bank at any time may assign this Agreement in whole or in part.

Section 9.08. Interpretation. In this Agreement, unless the Bank and the City otherwise agree in writing, the singular includes the plural and the plural the singular; words importing any gender include the other genders; references to statutes are to be construed as including all statutory provisions consolidating, amending or replacing the statute referred to; the word "or" shall be deemed to include "and/or", the words "including", "includes" and "include" shall be deemed to be followed by the words "without limitation"; references to articles, sections (or subdivisions of sections) or exhibits are to those of this Agreement; and references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments, but only to the extent such amendments and other modifications are not prohibited by the terms of this Agreement. Section headings in this Agreement are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose. Unless otherwise specified in this Agreement, all accounting terms shall be interpreted and all accounting determinations shall be made in accordance with GAAP. If this Agreement is executed by more than one party as City, the obligations of such persons or entities will be joint and several.

Section 9.09. No Consequential Damages, Etc. The Bank will not be responsible for any damages, consequential, incidental, special, punitive or otherwise, that may be incurred or alleged by any person or entity, including the City, as a result of this Agreement, the other Loan Documents, the transactions contemplated hereby or thereby, or the use of the proceeds of the Loan.

Section 9. JO. Assignments and Participations. At any time, without any notice to the City (except so hereinafter provided), the Bank may sell, assign, transfer, negotiate, grant participations in, or otherwise dispose of all or any part of

the Bank's interest in the Loan. The City hereby authorizes the Bank to provide, without any notice to the City, any information concerning the City, including information pertaining to the City's financial condition, business operations or general creditworthiness, to any person or entity which may succeed to or participate in all or any part of the Bank's interest in the Loan. Any sale, assignment, transfer, negotiation or disposition (other than any such action consented to by the City) must be to an "accredited investor" as defined in Regulation D of the Securities Act of 1933 (the "1933 Act") or a "qualified institutional buyer" within the meaning of Section 144A of the 1933 Act. The

Bank shall give the City thirty (30) days' notice prior to taking any such action. Unless, within 30 days of such notice the City objects to any such sale, assignment, transfer, negotiation or disposition on the grounds that the new entity is an entity that the City is not authorized to conduct business with the Bank may proceed with such action. Notwithstanding the foregoing, the Bank shall not be required to notify the City of any such action following the occurrence of an Event of Default hereunder. No notification of the City shall be required in connection with the granting of a participation in the Bank's interest in the Loan.

Section 9.11. USA PATRIOT Act Notice. The Bank hereby notifies the City that pursuant to the requirements of the USA PATRIOT Act, the Bank is required to obtain, verify and record information that identifies the City and any Obligor (as defined in the Note), which information includes the name and address of the City and any Obligor and other information that will allow the Bank to identify the City and any Obligor in accordance with the USA PATRIOT Act.

Section 9.12. Reserved.

Section 9.13. Confidentiality. In connection with the Obligations, this Agreement and the other Loan Documents, the Bank and the City will be providing to each other, whether orally, in writing or in electronic format, nonpublic, confidential or proprietary information (collectively, "Confidential Information"). Each of the City and the Bank agrees (i) to hold the Confidential Information of the other in strict confidence; (ii) not to disclose or permit any other person or entity access to the Confidential Information of the other party, except for disclosure or access to a party's affiliates and its or their employees, officers, directors, agents, representatives, or other third parties that provide or may provide ancillary support relating to the Obligations, this Agreement and/or the other Loan Documents and require disclosure or access in the course of employment or services, or to its external or internal auditors or regulatory authorities, and (iii) not to use such Confidential Information except in connection with the Obligations and for the purposes of this Agreement and the other Loan Documents. It is understood and agreed that the obligation to protect such Confidential Information shall be satisfied if the party receiving such Confidential Information utilizes the same control (but no less than reasonable) as it does to avoid disclosure of its own confidential and valuable information. It is also understood and agreed that no information shall be within the protection of this Agreement where such information: (a) is or becomes publicly available through no fault of the party to whom such Confidential Information has been disclosed; (b) is released by the originating party to anyone without restriction; (c) is rightly obtained from third parties who are not, to such receiving party's knowledge, under an obligation of confidentiality; or (d) is required to be disclosed by subpoena or similar process of applicable law or regulations, including specifically the Freedom of Information Act, 5 ILCS 140/1, et seq. and the Local Records Act, 50 ILCS 205/1, et seq.

For the purposes of this Agreement, Confidential Information of a party shall include, without limitation, any financial information, scientific or technical information, design, process, procedure or improvement and all concepts, documentation, reports, data, data formats, specifications, computer software, source code, object code, user manuals, financial models, screen displays and formats, software, databases, inventions, knowhow, showhow and trade secrets, whether or not patentable or copyrightable, whether owned by a party or any third party, together with all memoranda, analyses, compilations, studies, notes, records,

drawings, manuals

-25-

or other documents or materials which contain or otherwise reflect any of the foregoing information.

Each of the City and the Bank agrees to return to the other or destroy all Confidential Information of the other upon the termination of this Agreement; provided, however, each party may retain such limited information for customary archival and audit purposes only for reference with respect to prior dealings between the parties subject at all times to the continuing terms of this Section 9.13.

Each of the City and the Bank agrees not to use the other's name or logo in any marketing, advertising or related materials, without the prior written consent of the other party.

Section 9.14. Sharing Information with Affiliates of the Bank. The City acknowledges that from time to time other financial and banking services may be offered or provided to the City or one or more of its subsidiaries and/or affiliates (in connection with this Agreement or otherwise) by the Bank or by one or more subsidiaries or affiliates of the Bank or of The PNC Financial Services Group, Inc., and the City hereby authorizes the Bank to share any information delivered to the Bank by the City and/or its subsidiaries and/or affiliates pursuant to this Agreement or any of the Loan Documents to any subsidiary or affiliate of the Bank and/or The PNC Financial Services Group, Inc., subject to any provisions of confidentiality in this Agreement or any other Loan Documents.

Section 9.15. Obligations Absolute. The payment obligations of the City under this Agreement shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including without limitation the following:

- a) any lack of validity or enforceability of this Agreement, the Note or the Ordinance;
- b) any amendment or waiver of or any consent to departure from all or any of this Agreement, the Note or the Ordinance;
- c) the existence of any claim, set-off, defense or other right which the City may have at any time against the Bank or any other person or entity, whether in connection with this Agreement, the other Loan Documents, the transactions contemplated herein or therein or any unrelated transaction; or
- d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Section 9.16. Compliance with OFAC Sanctions Program, (a) Upon the request of the Bank, the City shall use reasonable efforts to provide the Bank with any information regarding the City which any Governmental Authority requires the Bank to obtain from the City in order for the Bank to comply with all applicable OFAC Sanctions Programs.

(b) If the City obtains actual knowledge or receives any written notice that the City is named on the then current OFAC SDN List (such occurrence, an "OFAC Event"), the City shall promptly give written notice to the Bank of such OFAC Event. Failure to comply with this Section shall not constitute an Event of Default hereunder.

Section 9.17. USA Patriot Act Notice. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each borrower that opens an account. What this means: when the City opens an account, the Bank will ask for the business name, business address, taxpayer identifying number and other information that will allow the Bank to identify the City, such as organizational documents. For some businesses and organizations, the Bank may also need to ask for identifying information and documentation relating to certain individuals associated with the business or organization.

Section 9.18. Counsel. The City hereby represents that it has been represented by competent counsel of its choice, or has knowingly waived its right to use and retain counsel, in the negotiation and execution of this Agreement and the other Loan Documents; that it has read and fully understood the terms hereof; that the City and any retained counsel have been afforded an opportunity to review, negotiate and modify the terms of this Agreement and the other Loan Documents; and that it intends to be bound hereby. In accordance with the foregoing, the general rule of construction to the effect that any ambiguities in a contract are to be resolved against the party drafting the contract shall not be employed in the construction and interpretation of this Agreement or any other Loan Document.

Section 9.19. Credit Agreements Act. The City expressly agrees that for purposes of this Agreement and the other Loan Documents: (i) this Agreement and the Note shall be a "credit agreement" under the Illinois Credit Agreements Act, 815 ILCS 160/1, et seq. (the "Credit Agreements Act"); (ii) the Credit Agreements Act applies to this transaction including, but not limited to, the execution of this Agreement and the Note; and (iii) any action on or in any way related to this Agreement and the Note shall be governed by the Credit Agreements Act.

Section 9.20. Governing Law and Jurisdiction. THIS AGREEMENT HAS BEEN DELIVERED to and accepted by the bank and will be deemed to be made in the state. This Agreement will be interpreted and the rights and liabilities of the parties hereto determined in accordance with the laws of the state, excluding its conflict of laws rules. Each Party irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the courts of the State of Illinois sitting in Cook County and of the United States District Court for the Northern District of Illinois, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the Note, or for recognition or enforcement of any judgment, and each of the parties hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such state courts or, to the fullest extent permitted by applicable laws, in such federal courts. Each of the PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN

-27-

any other manner provided by law. Nothing in this agreement, the note or the Ordinance shall affect any right that the Bank may otherwise have to bring any action or proceeding relating to this agreement, the note or the ordinance against City or any of its properties in the courts of any other jurisdiction.

Section 9.21. Waiver of Jury Trial. Each of the City and the Bank irrevocably WAIVES ANY AND ALL RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR CLAIM OF ANY NATURE RELATING TO THIS AGREEMENT, ANY DOCUMENTS EXECUTED IN CONNECTION WITH THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED IN ANY OF SUCH DOCUMENTS. THE CITY AND THE BANK ACKNOWLEDGE THAT THE FOREGOING WAIVER IS KNOWING AND VOLUNTARY.

The City acknowledges that it has read and understood all the provisions of this Agreement, including the waiver of jury trial, and has been advised by counsel as necessary or appropriate.

Exhibit C

Ordinance

WHEREAS, the City of Chicago (the "City") is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the Illinois Constitution of 1970; and

Whereas, on November 16, 2016, the City Council of the City (the "City Council") adopted the Substitute Revenue Ordinance for Fiscal Year 2017 (the "Revenue Ordinance"); and

Whereas, Article LX of the Revenue Ordinance authorized the issuance by the City of the Refunding Note (as defined therein) and execution of certain documents related thereto; and

Whereas, it has been determined that a clarification concerning the repayment obligation of the City on the Refunding Note as well as the provisions for the registration, transfer or exchange of the Refunding Note is necessary and desirable; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

Section 1. The City Council, after a public meeting heretofore held on this ordinance by the Committee on Finance of the City Council, pursuant to proper notice and in accordance with the findings and recommendations of such Committee, finds that all of the recitals contained in the preambles to this ordinance are full, true and correct and incorporates them into this ordinance by this reference.

Section 2. Article IX, Section 3 of the Revenue Ordinance is hereby amended by adding the following paragraphs at the end of such Section:

"The Refunding Note shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein.

The principal of and interest on the Refunding Note shall be paid by check, draft or wire transfer of funds by the City Comptroller, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the Refunding Note is registered at the close of business on the payment date. The

obligation of the City to make payments on the Refunding Note shall be a direct and general obligation of the City for the payment of which (as to principal, interest and any other payments, if any, as appropriate) the City pledges its full faith and credit. The Refunding Note shall be payable (as to principal, interest and any other payments, if any, as appropriate) from any monies, revenues, receipts, income, assets or funds of the City legally available for such purpose, including, but not limited to, the proceeds of the sale of all or any portion of the Property.

The City shall appropriate, or otherwise provide, amounts sufficient to pay the principal of and interest on the Refunding Note and any other amounts payable thereunder or in connection

therewith to the payment of which the City has pledged its full faith and credit for the years such amounts are due, and the City hereby covenants to take timely action as required by law to carry out the provisions of this Section, but, if for any such year, it fails to do so when otherwise required, this ordinance shall constitute a continuing appropriation of such amounts without any further action of the part of the City Council.

The seal of the City shall be affixed to or a facsimile thereof printed on the Refunding Note, and the Refunding Note shall be signed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on the Refunding Note shall cease to be such officer before the delivery of the Refunding Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such-officer had-remained in office until delivery.

The Refunding Note shall have thereon a certificate of authentication duly executed by the Registrar, as authenticating agent of the City for the Refunding Note, and showing the date of authentication. The Refunding Note shall not be valid or obligatory for any purpose nor be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication shall be conclusive evidence that the Refunding Note has been authenticated and delivered under this ordinance.

The City shall cause books (the "Register") for the registration and for the transfer of the Refunding Note (to the extent that such transfer is permitted under the Refunding Loan Agreement) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the Refunding Note. The City is authorized to prepare, and the Registrar shall keep custody of, multiple Refunding Note blanks executed by the City for use in the transfer of the Refunding Note.

Upon surrender for a transfer of the Refunding Note authorized under the Refunding Loan Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Registrar (or his or her designee) on the instrument of transfer, as and to the extent required under the Refunding Loan Agreement, and (iv) any deliveries required under the Refunding Loan Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered Refunding Note of the same maturity, of authorized denomination, for the authorized principal amount of the Note less previous retirements. The execution by the City of a fully registered Refunding Note shall constitute full and due authorization of the Refunding Note and the Registrar shall thereby be authorized to authenticate, date and deliver the Refunding Note. The Registrar shall not be required to transfer or exchange the Refunding Note during the period beginning at the close of business on the 15th day of the month immediately prior to the maturity date of the Refunding Note nor to transfer or exchange the Refunding Note after notice calling the Refunding Note for prepayment has been

made, nor during a period of five days next preceding mailing of a notice of prepayment of principal of the Refunding Note. No beneficial

C-2

interest in the Refunding Note shall be assigned, except in accordance with the procedures for transferring the Refunding Note as described above.

The person in whose name the Refunding Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of and interest, if any, on the Refunding Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Refunding Note to the extent of the sum or sums so paid.

The City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge, if any, that may be imposed by a governmental authority other than the City in connection with any transfer of the Refunding Note.

The provisions of this ordinance shall constitute a contract between the City and the registered owner of the Refunding Note. All covenants relating to the Refunding Note are enforceable by the registered owner of the Refunding Note."

Section 3. Except as amended by this ordinance, the Revenue Ordinance shall remain in full force and effect. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the rights of the owners of the Refunding Note to receive payment of the principal of or interest on the Refunding Note or to impair the security for the Refunding Note; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

Section 4. This ordinance shall be published by the City Clerk, by causing to be printed in special pamphlet form at least five copies hereof, which copies are to be made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

Section 5. This ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided herein.
