Common Address of Property: 2000 West 34 Street

Project Narrative: 2000 W. 34th Street, Chicago

The Applicant is proposing to re-use existing building and land in order to expand restaurant services. The Applicant intends to keep the existing use of the land and add an outdoor patio. The proposed amendment is a change from the current M1-2 zoning district to a C3-3 zoning district. The Applicant does not intend to have residential use.

The Applicant believes the zoning amendment project aims to achieve the purpose and intent identified in the Chicago Zoning Ordinance and Land Use Ordinance (Title 17-1-0500). By expanding the service of this unique family-friendly restaurant, this amendment project will preserve the overall quality of life for residents and visitors while protecting the character of the neighborhood. Given its distinctive location and enclosed layout to the northwest, the proposed zoning amendment and expansion will remain in the interest of public convenience and will not have a significant adverse impact on the general welfare of the neighborhood or community.
