15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of

Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may

request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBHs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from Planned Development No. 1346 to Planned Development No. 1346, as amended, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the Sub-Area B project has a total of 144 new units. As a result, the Applicant's affordable housing obligation is 14 affordable units (10% of 144 rounded down), 4 of which are Required Units (25% of 14, rounded up). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 [\$100,000, if providing units on-site to CHA] per unit (Cash Payment) and/or providing 14 affordable units in the rental building to be constructed in the PD and/or TBD affordable units in an off-site building located at TBD and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the PD, as set forth in the Affordable Housing Profde Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profde Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into

settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to RT-4, Residential Two-Flat, Townhouse and Multi-Unit District and Residential Planned Development No. 1346 as approved October 5, 2016.
