2017 First Quarter Progress Report January - March

City of Chicago Rahm Emanuel, Mayor

CHICAGO DEPARTMENT OF PLANNING « OgVELOPMSNT

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2017 First Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in the City's Five-Year Housing Plan. With this report we begin the fourth year of our plan, Bouncing Back, which covers the years 2014-18.

As we do at the beginning of each year, the Department is releasing estimates of housing production under our programs for all of 2017. This year we expect to deploy almost \$244 million to support nearly 7,700 units of housing through programs in the following three categories:

- To Create and Preserve Affordable Rental Units: \$204.5 million to assist 5,450 units
- To Promote and Support Homeownership: \$25.8 million to assist 434 units
- To Improve and Preserve Homes: \$13.3 million to assist 1,769 units

The Department's resources also include over \$3 million for other initiatives, including delegate agency programs that support our housing production efforts.

To help readers better understand the production tables included in these quarterly reports, we have included a user's guide to the Department's housing development and preservation programs. The user's guide breaks these programs down into the three categories noted above; it includes a brief description of each initiative along with information on funding sources and reporting methodologies.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. DPD also promotes economic development by helping existing businesses grow and attracting new industry to the city, and it coordinates all of our zoning, land use planning, sustainability and historic preservation initiatives.

The unprecedented budget impasse in Springfield, along with rising construction costs and the lingering effects of the housing market's 2007-8 collapse, continue to impact the affordable housing programs of our department-as well as our community partners who provide direct services in Chicago's neighborhoods. We at DPD could not succeed in our work without the ongoing support and cooperation of these valued partners, together with elected officials, state and federal agencies and other community stakeholders. Through these efforts, we will continue to move forward in creating and preserving affordable housing for the people of Chicago.

David L. Reifman Commissioner

INTRODUCTION

T

this document is the 2017 First Quarter Progress Report on the Chicago Department of

Planning and Development's housing plan, Bouncing Back: Five-Year Housing Plan 2014-2018.

For 2017, DPD is projecting commitments of almost \$244 million to assist nearly 7,700 units of housing.

During the first quarter of 2017, the Department committed almost \$43 million in funds to support over 3,700 units, which represents 49% of the 2017 unit goal and 17% of the resource allocation goal.

Chicago Housing Plan 2014-2018

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2017, the Department of Planning and Development expects to commit almost \$205 million to support more than 5,400 units of affordable rental housing. DPD initiatives support new construction, rehab of abandoned or deteriorated properties and direct rental subsidies.

During the first quarter, DPD committed almost \$36 million in resources to support 3,106 units. These numbers represent 57% of the 2017 multi-family unit goal and 17% of the multi-family resource allocation goal.

The Department utilizes a variety of programs to support the creation and preservation of affordable rental housing. DPD's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

User's Guide: Programs to Create and Preserve Affordable Rental Units

Chicago Housing Plan 2014-2018

Affordable Requirements Ordinance (ARO)

Per City ordinance, developments with more than 10 units receiving zoning changes (including planned developments in a downtown zoning district), City land or City financial assistance must make 10-20% of units affordable.

N/A

Financial commitments and units assisted are reported after payment of in-lieu fee and/or filing of affordable housing covenant securing construction of required affordable units.

Chicago Housing Plan 2014-2018

Program Description Funding Source(s)

Reporting Protocols (what gets counted and when)

Heat Receiver In cases where buildings do not have functional heat and/or hot water, the City can initiate a process to appoint a receiver to make necessary repairs and restore heat and hot water to tenants.

CDBG

Units are counted when they enter court-ordered receivership.

Troubled Buildings Initiative -Multi-family With Community Investment Corporation (CIC), Department of Buildings, Department of Law and other City departments, DPD identifies problem buildings and designates receivers to manage deteriorating and troubled properties. CIC manages properties on an interim basis, assesses the scope of work needed to preserve buildings and makes loans to new owners for acquisition and rehab.

CDBG

Units are counted only once, when they are first classified under one of the following categories: under rehab, in receivership or recovered. Units are not counted again if their status changes. Financial commitment is recorded at receipt of invoices from CIC.

Chicago Housing Plan 2014-2018

Updates to Previously Reported Developments Sterling Park

Apartments

On January 25 the City Council authorized the transfer of \$10 million in City bonding authority to the Chicago Housing Authority to complete the redevelopment of a vacant building on the former Sears headquarters campus in North Lawndale. The property, located at 3301 W. Arthington Street in the 24th Ward, is being converted by Mercy Housing Lakefront into 181 low-income rental apartments, including 66 units reserved for CHA tenants.

Financing for the Sterling Park Apartments project, as originally approved by the Council in October 2014, included the assignment of \$30 million of the City's bond volume cap to CHA. After the deal closed in July 2015, a number of unforeseen structural problems were discovered, including rotting floors and decking; brick deterioration; failed structural beams; and the presence of lead-based paint, mercury and asbestos hazards. To cover approximately \$10 million in unanticipated costs, the developer requested the City to cede additional tax-exempt bonding authority to CHA. The City will issue the 4% LIHTCs generated by the new bonds, and the project's permanent debt will not increase.

Sterling Park Apartments will contain a mix of affordable one- through four-bedroom units in a former Sears headquarters building that has been vacant since 1999.

PROMOTION HOMEOWNERSHIP

AND

SUPPORT

OF

In 2017, the Department of Planning and Development expects to commit almost \$26 million to help over 400 households achieve or sustain homeownership. DPD initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

During the first quarter, the Department committed over \$4 million to support 191 units. These numbers represent 44% of the 2017 homeownership unit goal and 17% of the homeownership resource allocation goal.

The Department utilizes a variety of programs to support and promote homeownership. DPD's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

User's Guide: Programs to Promote and Support Homeownership

Program	Description	Funding Source(s)	Reporting Protocols (what gets counted and when)
Affordable Requirements Ordinance (ARO)	Per City ordinance, developments with more than 10 units receiving zoning changes (including planned developments in a downtown zoning district), City land or City financial assistance must make 10-20% of units affordable.	N/A	Financial commitments and units created are reported after payment of in-lieu fee or filing of affordable housing covenant securing construction of required affordable units.
Negotiated Sales of City Land	Developers purchase vacant City-owned lots at market rate or discounted prices for construction of affordable for-sale units. Buyer's income cannot exceed 120% of AMI.	N/A	Financial commitments and units created are reported at time of City Council approval. Financial commitment is the value of the land write-down.

Chicago Housing Plan 2014-2018

Funding Source(s)

Reporting Protocols (what gets counted and when)

City Lots for City Living

Developers purchase vacant City-owned lots for \$1 each to construct affordable or market-rate for-sale units. Any land discount over \$50,000 will be recaptured via a restrictive covenant on the land. Home buyer's income cannot exceed 120% of AMI.

Financial commitments and units created are reported at time of City Council approval. Financial commitment is the value of the land write-down.

Home Buyer Assistance Program

Provides grants of up to 7% of purchase price (with 5-year recapture period) to assist income-eligible home-buyers with down payment and closing costs. Income limits are based on FHA or Freddie Mac guidelines. Administered by Chicago Infrastructure Trust through authorized lenders that originate 30-year loans at fixed interest rates.

Financial commitments and units assisted are counted at time of loan closing.

Purchase Price Assistance ~ Public Safety Officers*

Provides forgivable \$30,000 grants to assist income-eligible, non-probationary police officers, firefighters & EMTs in purchasing owner-occupied homes (single family or two-flat) in targeted Community Areas. Home buyer's income cannot exceed 150% of AMI.

Financial commitments and units assisted are counted at time of loan closing.

Troubled Buildings Initiative -Single-family

DPD works with Neighborhood Housing Services Redevelopment Corporation (NHSRC) and other developers to rehab vacant 1- to 4-unit properties for sale or rent to low- and moderate-income households. Also supports receivership activities on vacant or troubled 1- to 4-unit properties.

Units are counted when they are first classified under one of the following categories: under rehab, in receivership or recovered. Units are not counted again if their status changes. Financial commitment is recorded at receipt of invoices from DPD's partner organizations.

^Proposed program pending City Council approval

Chicago Housing Plan 2014-2018

\
M

Program	Description	Funding Source(s)	-V ..Reporting Protocols . (what gets counted and when)
TIF Purchase-Rehab Program - Single-Family	Provides forgivable loans to homebuyers at 120% AMI or below for purchase and rehab of 1 - to 4-unit home in designated TIF Districts. Administered by NHS.	Corporate funds	Financial commitments and units assisted are counted at time of loan closing.
TaxSmart	Provides Mortgage Credit Certificates (MCC) to qualified homebuyers, reducing federal income taxes by 25% of interest paid on mortgage. Credit may be claimed each year for duration of mortgage. Administered through private lenders.	Tax-exempt Single-Family Mortgage Revenue Bonds	Units are counted when MCCs are issued. Financial commitment reported is value of mortgage for each assisted property.
Neighborhood Lending Program: Purchase & Purchase-Rehab Loans	Provides forgivable or deferred loans to low- and moderate-income homebuyers for purchase or purchase-rehab or single-family homes. Administered by NHS.	CDBG & leveraged private funds	Financial commitments and units assisted are counted after loan closes. The dollar value counted includes any permanent subsidy from DPD, along with private financing.

New Homes Planned for Former Industrial Site in Woodlawn

Seven single-family homes will be built on a former industrial property in Woodlawn through City land sales approved on January 25 by the City Council.

The \$2.7 million project will be developed on land once occupied by a commercial laundry and dry cleaner on the 1300 block of E. Marquette Road in the 5th Ward. Appraised at \$58,000, the four lots will be sold by the City for \$1 each to help defray an estimated \$240,000 in environmental remediation costs required to prepare the sites for construction.

The two-story, four-bedroom homes will be priced at \$389,900. The developer, Bloom on Marquette LLC, is expected to finish construction by the summer of 2018.

Quarter ending March 2017 M

City Land Sales Kick Off Third Ward Parade of Homes

Up to forty single-family residences will be built in Bronzeville through City-owned land sales approved by the City Council on March 29. The homes will be built under the Third Ward Parade of Homes initiative on scattered sites in the 3900 to 4500 blocks of S. Prairie, Calumet and Indiana Avenues. The program was announced by Mayor Emanuel and Alderman Pat Dowell on January 10. "The Parade of Homes will foster new residential development that, in turn, will support commercial development that's occurring throughout Bronzeville," Mayor Emanuel said.

To launch the initiative, five home builders were selected by the Chicago Department of Planning and Development through a Request for Qualifications (RFQ) process in late 2016. Each of these developers will construct a model home on the 4500 block of Prairie Avenue on City-owned lots conveyed for \$1 each. Following the construction and sales of these homes, additional lots will be sold to developers at half of their current appraised values.

The two-story residences will range in size from 3,200 to 4,000 square feet. The largest will contain five bedrooms and 3.5 baths. Sale prices will start at \$450,000.

In the past year, 31 construction permits have been issued for new single-family housing in the surrounding Grand Boulevard community. Over the last twenty years DPD has directly supported the creation of more than 1,500 units of affordable rental housing in the community, most recently the \$132 million rehabilitation of the historic Rosenwald Courts apartments.

*This sustainable, energy-efficient, five-bedroom design will be constructed at 4516S. Prairie by Greenline Homes LLC in the first phase of the Third Ward Parade of Homes. *

Quarter ending March 2017
Chicago Housing Plan 2014-2018

IMPROVEMENT AND PRESERVATION OF HOMES

In 2017, the Department of Planning and Development expects to commit over \$13 million to assist nearly 1,800 households repair, modify or improve their homes. DPD initiatives support emergency repairs, energy efficiency improvements and financing programs to help existing homeowners keep their homes.

During the first quarter, DPD committed more than \$2 million in resources to support over 400 units, achieving 24% of the 2017 improvement and preservation unit goal and 19% of the improvement and preservation resource allocation goal.

The Department utilizes a variety of programs for home improvement and preservation. DPD's major programs are briefly summarized below, along with an explanation of how we count financial commitments and units assisted through these programs in the tables attached to this report.

User's Guide: Programs to Improve and Preserve Homes

■'- • Program	Description	'•■Funding' Source(s)	""{Reporting Protocols (what gets counted and when)
Roof and Porch Repairs	Provides forgivable loans to CDBG owner-occupants of 1- to 4-unit buildings for repair or replacement of roofs and porches where life-threatening or hazardous conditions are present.		Financial commitments and units assisted are counted following receipt of the Job Order Contract bid by DPD Construction Division.
Emergency Heating Repairs	Provides forgivable loans to CDBG owner-occupants of 1- to 4-unit buildings for emergency heating system repairs.		Financial commitments and units assisted are counted following receipt of the Job Order Contract bid by DPD Construction Division.
Small Accessible Repairs For Seniors (SARFS)	Provides enabling devices 6c limited, non-emergency home improvements to residences occupied by low-income senior citizens. Administered by community-based . delegate agencies.	CDBG	Financial commitments and units assisted are counted after completion of work by delegate agency. Reported commitments include delegate agencies' construction costs and administrative expenses.
Single-Family TIF Neighborhood Improvement Program (TIF-NIP)	Provides grants to help owner-occupants of one-to four- unit proper-tics in designated TIF districts make exterior repairs or improvements. Program is administered by NHS.	TIF funds	Financial commitments and units assisted are counted aftet DPD receives invoice from program administrator.

Chicago Housing Plan 2014-2018

**POLICY, LEGISLATIVE AFFAIRS AND
OTHER ISSUES**

**City to Fund Creation of 100 Supportive Housing Units Under
Mayor's New "Housing Homeless Families" Initiative**

Housing Homeless Families is Mayor Emanuel's new joint initiative with the Chicago Coalition for the Homeless and its HomeWorks Campaign to address homelessness experienced by families in high-crime areas. Under the program, matching financial commitments from the Chicago Low Income Housing Trust Fund and the City's new surcharge on the house-sharing industry will enable the creation of 100 new supportive housing units for homeless families in the most at-risk communities.

Beginning this summer, the Chicago Department of Family and Support Services and the Coalition for the Homeless, along with lead project partner CSH (a respected national provider and operator of supportive housing), will launch the first phase of this effort to identify families who currently are homeless or have touched the homeless shelter system in recent months, with a focus on those with school-aged children. Once families are selected for the program, they will receive housing vouchers and will be matched to a service provider who can help them find housing and ensure a smooth transition. The second phase will involve placement of the eligible families into 100 new permanent supportive housing units that will be created through a \$1 million investment by the Trust Fund.

"Working with our partners at the Chicago Coalition for the Homeless on this new initiative, we will ensure that more families experiencing or on the verge of homelessness can find and maintain the housing and stability they need to thrive and provide for their children," said Mayor Emanuel. Because families that are homeless have a significantly greater risk of becoming victims of violence, the program will focus on communities experiencing some of the city's highest rates of violence, including Austin, Humboldt Park, Englewood and West Englewood.
