Re: Proposed Map Amendment within the North Branch Industrial Corridor (2343-2347 N Elston)

On October 17, 2019, the Chicago Plan Commission recommended approval of a proposed map amendment for a property located within the North Branch Industrial Corridor submitted by 2343-47 N. Elston Ave., L.L.C. The applicant proposes to reclassify the subject property from M3-3, Heavy Industry District to B2-2, Neighborhood Mixed-Use District to construct a new four story residential building with 9 units and a one story garage. A copy of the proposed map amendment is attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of

the resolution. If you have any questions in this regard, please do not hesitate to contact me at 744-0756.
