For purposes of Floor Area Ratio calculations, the definitions in the Chicago Zoning Ordinance *shall apply, provided, however, that "Net Developable Area" refers to the net site area at the **

Upper Level. The Upper Level is typically at approximately + 53.0 feet above Chicago City Datum but may be lower or higher depending on factors such as road levels and the location of building entrances and exits as determined by the applicant. Floor Area below the Upper Level shall not be included in calculating the total number of square feet of development unless the principal entrance to the building is located below the Upper Level and, in that event, the level of the principal entrance to the building shall be considered "curb level" for purposes of the Chicago Zoning Ordinance.

(B) Bulk And Density Regulations.

1) Warehousing and storage uses permitted as principal uses in Statement Number 5 shall be limited to four hundred thousand (400,000) square feet and shall be established in accordance with the DX-16 Downtown Mixed-Use District regulations existing on the effective date of this Planned Development, As Amended 2018.

2) With regard to areas devoted as a principal use to office, hotel and residential uses and retail sales and service uses, the following maximums shall apply:

Office, maximum floor area = 12,000,000 square feet

Hotel, maximum number of rooms/keys = 5,550

Residential maximum number of dwelling units = 9,050 units

Retail sales and service, Maximum floor area = 1,325,000 square feet

Provided, however, that in calculating these maximums, ballrooms, meeting rooms, exhibition

space and eating facilities associated with a hotel use and located at or above the

retail sales and service uses.

3) The applicant may increase the maximum number of dwelling units allowed by up to three thousand one hundred eighty-three (3,183) dwelling units by converting a portion of the maximum allowed office space and/or a portion of the maximum allowed hotel rooms/keys. The applicant may increase the maximum amount of office space by up to two million (2,000,000) square feet by converting a portion of the maximum dwelling units and/or a portion of the maximum number of hotel rooms/keys. The applicant may increase the maximum number of hotel rooms/keys by up to one thousand (1,000) rooms/keys by converting a portion of the maximum allowed office space and/or a portion of the maximum allowed dwelling units. For purposes of this conversion one thousand (1,000) square feet of office space shall be equal to one (1) dwelling unit, two (2) hotel rooms/keys shall be equal to one (1) dwelling unit, and one thousand (1,000) square feet of the office space shall be equal to two (2) hotel rooms/keys.

4) Except for Subarea E, the number of efficiency units within this Planned Development shall not exceed thirty percent (30%) of the number of permitted dwelling units. The number of efficiency units in Subarea E shall not exceed fifteen percent (15%).

5) To the extent this Planned Development does not cover all items required for development, the Chicago Zoning Ordinance shall apply as follows: warehousing and storage shall be in general conformity with the DX-16 Downtown Mixed-Use District regulations; permitted office, hotel and retail uses shall be in general conformity with the DX-16 Downtown Mixed-Use District regulations; and residential uses shall be in general conformity with the DR-

10 Downtown Residential District regulations. Applicant:

10. Create a Vertical Connection/public elevator from Upper Level Parcel C

within Sub-Area E to the lowest level with access across Sub Wacker Drive to connect with the Riverwalk.

11. Applicant agrees, in conjunction with the Master Association, to 24/7, 365

days per year security staffing in the guard booth and patrols in and around Lakeshore

East. These patrols would be a combination of automobile, bike and walking patrols. From May through October the patrols would be two (2) people from 4pm through 2am and one (1) person the rest of the day. From November through April the patrol would be one (1) person. This staffing level for the patrols would remain in place until such time as new technology is put into place that can provide off-site 24-hour monitoring by a private security company. Even when this new technology is implemented Applicant would agree to provide 24 hour patrols for special events such as Taste of Chicago and Lollapalooza. This staffing would begin upon completion of the guard station and the valley park. In no event shall staffing of the guard booth be eliminated nor hours decreased.

12. Applicant agrees that there shall not be a hotel in Building I.

13. Applicant agrees that it shall deliver the park in Phase 1 of the IJKL project, along with Building J and Building K/L. Included in this will be the pedestrian and bike paths to the lakefront as well as the security booth, cameras, fence screening, dog park, buffer zones, and all traffic improvements on the service drive in accordance with the attached site plans.

Applicant: Lakeshore East LLC and IJKL, LLC

Address: 115-479 East Wacker Drive, 150-244 North Lake Shore Drive, 200-474 East Randolph Street, 119-125 East Lake Street, 201-231 North Michigan Avenue, 200-336 North Stetson Avenue, 151-335 North Stetson Avenue, 150-324 North Columbus Drive, 151-323 North Columbus Drive, 150-250 North Field Boulevard, 151-251 North Field Boulevard

14. Applicant shall commit \$115.000 (total budgeted cost) to lighting improvements and cameras on Lower Harbor and Intermediate Randolph in accordance with the attached site plan.

' 15. The IJKL internal road will be one-way northbound and the garage access from this internal road will be ingress only.

16. Applicant has agreed to commit to the following baseline approach to the treatment of Chandler's east blank facade: the painting of the exposed portions of the concrete facade with Modac or some other similar elastomeric coating. Chandler will approve a color that is complimentary to the existing building, pending mock-up. Initial painting will occur around the time of the completion of Building I. Periodic repainting with similar material shall occur when the service life of the coating is visibly or technically compromised, or every ten years, whichever comes first. Maintenance of this facade shall be at the sole expense of the Building I development entity, or assigned to the Building I condominium association (collectively "Building I"). Chandler shall determine whether Chandler or Building I will perform the work. If Building I is to cause the performance of such work, then Chandler will grant access to its window washing equipment as required but in such case all expenses shall be borne by Building I. If Chandler performs the work, the Board will solicit three bids from qualified vendors. The Chandler shall then have their choice bidders so long as the lowest bidder (with a complete scope of work (is within 5% of the nearest bidder and Building I shall promptly reimburse for actual expenses within 60 days. Also note that Chandler and Applicant will consider reasonable alternate treatment for the wall (including landscaping screening of the lower portion) but Building I's financial responsibility will be limited to the cost of the baseline treatment as described above.

18. Applicant shall install screening/fence shielding to the area under Lake Shore Drive in accordance with the attached site plans.

19. Applicant shall provide the improvements for the access road, bike and pedestrian paths for the lower level access road at the south of the site in accordance with the attached site plans.

20. Applicant shall continue to work with CDOT and the local Alderman regarding the location of the upper Harbor Drive crosswalk. The local alderman will have final approval on crosswalk location.

21. Applicant shall contribute \$ 10,000 to the Chandler toward the cost of a gate and shall construct a new gate of mutually agreeable design at the East property line upon completion of Building I in accordance with the attached site plans with reasonable input from DPD, CDOT and the local Alderman.

22. Publicly accessible open space in Parcel C will be open during hours consistent with the Chicago Park District hours for Lakeshore East Park. The Master Association may establish a wayfinding and other appropriate informational signage system, including open space/pedestrian walkway hours, throughout Lakeshore East, subject to approval by DPD and CDOT. In addition, the Master Association may establish a unified system of fencing or other physical additions to restrict access to open space/pedestrian walkways to times consistent with the hours that Chicago

Park District facilities are open upon input from DPD and CDOT and the local Alderman. Applicant:

All the above items shall be subject to further coordination and input with/from the Chicago Department of Transportation and the Department of Planning and Development.

13. Prior to the issuance by the Department of Planning and Development of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("Part II approval") for development or redevelopment of any development parcels within the Planned Development, other than alterations to existing buildings which do not increase their height or alter their footprints, a Site Plan for the proposed development, including parking areas, shall be submitted to the Commissioner of the Department of Planning and Development for approval. Review and approval of the Site Plan by the Commissioner is intended to assure that specific development proposals conform with the general design standards in Statement 12, is consistent with the intent of the Lakeshore East Master Plan and Design Standards dated October 18, 2018 and to ensure coordination of public improvements described in statements 12(G), 12(H), 12(I), 12(J) and 12(K). No Part II approval for work for which a Site Plan must be submitted to the Commissioner shall be granted until the Site Plan has been approved by the Commissioner. Further, all Part II submittals shall be in compliance with the Chicago Landscape Ordinance. Following approval of a Site Plan by the Commissioner, the approved plan shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this Planned Development. The approved Site Plan may be changed by the provisions of Section 17-13-0611 of the Chicago Zoning Ordinance. A Site Plan shall, at a minimum, provide the following information with respect to the proposed improvements:

minor, appropriate and consistent with the nature of the improvements contemplated in this Planned

Development and the purposes underlying the provisions hereof. Any such modification of the requirements of this statement by the Commissioner of the Department of Planning shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

15. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. At the time of a hearing before the Chicago Plan Commission all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within Subarea E of this Planned Development in an energy efficient manner, generally consistent with LEED Certification or its equivalent. Applicant shall provide a green roof to cover at least 25% of the net roof area of a building. "Net roof area" is defined as a total roof area minus any required perimeter setbacks, rooftop structures, and roof-mounted equipment. The Co-Applicants shall comply with the City of Chicago Sustainability Policy in effect at the time of submission for Part II approval for the IJKL Project.

16. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables, and maximizes universal access throughout the property. Plans for all buildings and improvements on the property shall be

reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to

ensure compliance with all applicable laws and regulations related to access for persons with Applicant: Lakeshore East LLC and IJKL, LLC

disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance until the Director of M.O.P.D. has approved detailed construction drawings for each building or improvement.

17. With respect to the proposed project that is the subject of this 2018 Amendment to Planned Development 70 (The IJKL Project) The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must

include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must

submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description Applicant:

of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department reasonably determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

DEPARTMENT OF PLANNING AND DEVELOPMENT CITY OF
CHICAGO

MEMORANDUM

To: Alderman Daniel S. Solis
Chairman, CKY Council Committee on Zoning

From: *II*
David L. Rewman Commissioner

Department of Planning and Development Date: October

18, 2018

Re: Proposed Amendment to Planned Development #70 (2018) (generally located at 197-301 N. Harbor Drive and 452-500 E. Waterside Drive

On October 18, 2018, the Chicago Plan Commission recommended approval of a proposed Amendment to Planned Development #70 (2018), submitted by the Co-Applicants, Lakeshore East, LLC, and IJKL, LLC, for the property generally located at 197-301 N. Harbor Drive and 452-500 E. Waterside Drive. The applicant is proposing to construct a three building residential/mixed use project on an interconnected base, not to exceed 950' in height with accessory parking and open space.

A copy of the proposed ordinance, planned development statements, exhibits, bulk table, staff report and Chicago Plan Commission resolution are attached. I would very much appreciate your assistance in having this matter heard at the next possible City Council Committee on Zoning. If you have any questions in this regard, please do not hesitate to contact me at 744-9476. Thank you.
