### **SUBSTITUTE ORDINANCE**

SECTION 1. Section 13-20-550 of the Municipal Code of Chicago is hereby amended by inserting the underscored text, as follows:

#### **13-20-550 Permits required.**

*(Omitted text is Unaffected by this ordinance)*

(e) Notwithstanding the provisions of this section to the contrary, a sign permit is not required to erect, maintain, install, alter, repair or enlarge an art mural that contains no business name, logo, slogan, trademark, social media identifier or other business identification in the mural itself. Any art mural that contains a business name, logo, slogan, trademark, social media identifier or other business identification, including business sponsorship, in the mural itself shall be considered a sign and shall be subject to the provisions of this Code regarding sign permits, provided however that the artist or a partner entity may acknowledge the name of sponsors or partners of the art mural in a single, written, acknowledgement panel, not to exceed two square feet in area, adjoining the bottom edge of the art mural. Such acknowledgement panel shall not be classified as a commercial message, and is therefore exempt from zoning regulation as provided in Section 17-12-0504 of the Municipal Code of Chicago. This provision does not allow more than one acknowledgment panel in a single art mural or in adjacent art murals located on the same lot. Furthermore, any business name, logo, slogan, trademark, social media identifier or other business identification that is physically outside of the mural is subject to the provisions of this Code regarding sign permits.
