Born on January 16, 1967 in Nuevo Ideal, Durango Mexico, Victor Hugo Rodriguez was the eldest of four children born to Juana and Emigdio Rodriguez. At the age of 10, Victor and his family left their home in Mexico and relocated to the Chicago neighborhood of Little Village, a neighborhood that would later capture his heart. Throughout his life, Pastor Vic - as he was affectionately known, remained a resident of Little Village, where he lived with his beautiful wife of 27 years, Magdalena Rodriguez, and raised his two sons and a nephew whom he regarded as a son, Victor (20), Isaih (17) and Luis Alberto Perales (21).

Pastor Vic's love for God and the Community was ignited at a young age after he and his family mistakenly stumbled into La Santisima Trinidad Lutheran Church. It was there that he developed a passion for sharing God's Love and where he met his future wife. It was this passion for Christ and community that led him to commit his life to service. Following his graduation from Christian Life College, Pastor Vic served in full time ministry for 26 years - 20 of which he spent faithfully pastoring at La Villita Community Church.

While Pastor Vic's service began in the Church, it was not confined to its four walls. He was passionate about getting his hands dirty working in the trenches to develop the next generation of indigenous leaders. Called to be a bridge builder. Pastor Vic was passionate about unity between the North and South Lawndale communities and served on boards throughout both neighborhoods including the Chicago Youth Boxing Club, Lawndale Christian Health Center, and Un Nuevo Despertar.

Pastor Vic was known for his loving personality, his compassion and empathy but also his great sense of humor. He enjoyed spending his time eating great food, watching movies, attending Chicago White Sox games, and when possible, on horseback. However, all he loved, he loved

more when doing it surrounded by community. His home was known to have an open door policy, and has continued to serve as shelter to countless individuals and families.

In all that he was, and all that he did, he was committed to speaking the truth, promoting justice, and love. Controversial at times, he was unapologetically himself. He was a man of conviction who did what he did out of a love for God, his family and his community. He embodied the philosophy of: Love God. Love People. Nothing else matters.

Pastor Victor H. Rodriguez passed on February 11th, 2019
