TRIBUNE MEDIA COMPANY AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL
STATEMENTS (Unaudited)

NOTE 1: BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

Presentation-All references to Tribune Media Company or Tribune Company in the accompanying unaudited condensed consolidated financial statements encompass the historical operations of Tribune Media Company and its subsidiaries (collectively, the "Company").

The accompanying unaudited condensed consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for interim financial reporting. The year-end condensed balance sheet data was derived from audited financial statements, but does not include all disclosures required by U.S. GAAP. These unaudited condensed consolidated financial statements should be read in conjunction with the Company's audited consolidated financial statements for the year ended December 31, 2018 included in the Company's Annual Report on Form 10-K.

In the opinion of management, the financial statements contain all adjustments necessary to state fairly the financial position of the Company as of March 31, 2019 and the results of operations and cash flows for the three months ended March 31, 2019 and March 31, 2018. All adjustments reflected in the accompanying unaudited condensed consolidated financial statements, which management believes necessary to state fairly the financial position, results of operations and cash flows, have been reflected and are of a normal recurring nature. Results of operations for interim periods are not necessarily indicative of the results to be expected for the full year.

Nexstar Merger Agreement—On November 30, 2018, the Company entered into an Agreement and Plan of Merger (the "Nexstar Merger Agreement") with Nexstar Media Group, Inc. ("Nexstar") and Titan Merger Sub, Inc. (the "Nexstar Merger Sub") providing for the acquisition by Nexstar of all of the outstanding shares of the Company's Class A common stock ("Class A Common Stock") and Class B common stock ("Class B Common Stock") and, together with the Class A Common Stock, the "Common Stock"), by means of a merger of Nexstar Merger Sub with and into Tribune Media Company, with the Company surviving the merger as a wholly-owned subsidiary of Nexstar (the "Nexstar Merger").

In the Nexstar Merger, each share of Common Stock issued and outstanding immediately prior to the effective time of the Nexstar Merger (the "Effective Time") (other than shares held by (i) any Tribune subsidiary, Nexstar or any Nexstar subsidiary or (ii) Tribune shareholders who have not voted in favor of adopting the Nexstar Merger Agreement and who have demanded and perfected (and not validly withdrawn or waived) their appraisal rights in compliance with Section 262 of the DGCL) will be converted into the right to receive a cash payment of \$46.50 (the "base merger consideration"), plus, if the Nexstar Merger closes after August 31, 2019 (the "Adjustment Date"), an additional amount in cash equal to (a) (D 10 009863 multiplied by (ii) the number of calendar days elapsed after Adjustment Date to and including the date on which the Nexstar Merger closes, minus (b) the amount of any dividends declared by the Company after the Adjustment Date with a record date prior to the date on which the Nexstar Merger closes, in each case, without interest and less any required withholding taxes (the "additional per share consideration"), and together with the base merger consideration, the "Nexstar Merger Consideration"). The additional per share consideration will not be less than zero.

Each option to purchase shares of Common Stock outstanding as of immediately prior to the Effective Time, whether or not vested or exercisable, will be cancelled and converted into the right to receive, for each share of Common Stock subject to such stock option, a cash payment equal to the excess, if any, of the value of the Nexstar Merger Consideration over the exercise price per share of such stock option, without any interest and subject to all applicable withholding. Any stock option that has an exercise price per share that is greater than or equal to the Nexstar Merger Consideration will be cancelled for no consideration or payment. Each award of restricted stock units outstanding as of immediately prior to the Effective Time, whether or not vested, will immediately vest and be cancelled and converted into the right to receive a cash payment equal to the product of

Effective Time of the Nexstar Merger will be cancelled and converted into the right to receive the RSU Consideration and any Annual Tribune RSUs that remain unvested as of the Effective Time of the Nexstar Merger will be cancelled for no consideration or payment. Each award of performance stock units outstanding as of immediately prior to the Effective Time, whether or not vested, will immediately vest (with performance conditions for each open performance period as of the closing date deemed achieved at the applicable "target" level performance for such performance stock units) and be cancelled and converted into the right to receive a cash payment equal to the product of the total number of shares of Common Stock underlying such performance stock units multiplied by the Nexstar Merger Consideration, without any interest and subject to all applicable withholding. Each outstanding award of deferred stock units outstanding as of immediately prior to the Effective Time will be cancelled and converted into the right to receive a cash payment equal to the product of the total number of shares of Common Stock underlying such deferred stock units multiplied by the Nexstar Merger Consideration, without interest and subject to all applicable withholding. Each unexercised warrant to purchase shares of Common Stock outstanding as of immediately prior to the Effective Time will be assumed by Nexstar and converted into a warrant exercisable for the Nexstar Merger Consideration which the shares of Common Stock underlying such warrant would have been entitled to receive upon consummation of the Nexstar Merger and otherwise upon the same terms and conditions of such warrant immediately prior to the Effective Time.

The consummation of the Nexstar Merger is subject to the satisfaction or waiver of certain customary conditions, including, among others: (i) the adoption of the Nexstar Merger by holders of a majority of the Company's outstanding Common Stock, (ii) the receipt of approval from the Federal Communications Commission (the "FCC") (the "FCC Approval") and the expiration or termination of the waiting period applicable to the Nexstar Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") (the "HSR Approval") and (iii) the absence of any order or law of any governmental authority that prohibits or makes illegal the consummation of the Nexstar Merger. The Company's and Nexstar's respective obligations to consummate the Nexstar Merger are also subject to certain additional customary conditions, including (i) the accuracy of the representations and warranties of the other party (generally subject to a "material adverse effect" standard), (ii) performance by the other party of its covenants in the Nexstar Merger Agreement in all material respects and (in) with respect to Nexstar's obligation to consummate the Nexstar Merger, since the date of the Nexstar Merger Agreement, no material adverse effect with respect to the Company having occurred.

The applications for FCC approval (the "Merger Applications") were filed on January 7, 2019. On February 14, 2019, the FCC issued a public notice of filing of the Merger Applications which set deadlines for petitions to deny the applications, oppositions to petitions to deny and replies to oppositions to petitions to deny.

On February 7, 2019, the Company received a request for additional information and documentary material, often referred to as a "second request," from the United States Department of Justice (the "DOJ") in connection with the Nexstar Merger Agreement. The second request was issued under the HSR Act. Nexstar received a substantively identical request for additional information and documentary material from the DOJ in connection with the transactions contemplated by the Nexstar Merger Agreement. Consummation of the transactions contemplated by the Nexstar Merger Agreement is conditioned on expiration of the waiting period applicable under the HSR Act, among other conditions. Issuance of the second request extends the waiting period under the HSR Act until 30 days after Nexstar and the Company have substantially complied with the second request, unless the waiting period is terminated earlier by the DOJ or the parties voluntarily extend the time for closing.

On March 12, 2019, holders of a majority of the outstanding shares of the Company's Class A Common Stock and Class B Common Stock, voting as a single class, voted on and approved the Nexstar Merger Agreement at a duly called special meeting of Tribune Media Company shareholders.

On March 20, 2019, in connection with its divestiture obligations under the Nexstar Merger Agreement, Nexstar entered into definitive asset purchase agreements with

TEGNA Inc. ("TEGNA") and The E W Scripps Company ("Scripps") to sell a total of 19 stations (including 10 Tribune Media Company-owned stations, as well as 3 stations to

following the completion of the Nexstar Merger (the "Nexstar Transactions"). Additionally, on April 8, 2019, Nexstar entered into a definitive agreement with Circle City Broadcasting I, Inc. ("CCB") to sell 2 Nexstar stations to CCB following the completion of the Nexstar Merger. The consummation of each transaction is subject to the satisfaction or waiver of certain customary conditions, including, among others, (i) the closing of the transactions contemplated by the Nexstar Merger Agreement, (ii) the receipt of approval from the FCC and the DOJ and the expiration or termination of any waiting period applicable to such transaction under the HSR Act and (iii) the absence of certain legal impediments to the consummation of such transaction. On April 15, 2019, the Federal Trade Commission issued an early termination notice with respect to the waiting period applicable under the HSR Act in connection with the transaction with Scripps.

On April 2, 2019, the Company exercised an option with Dreamcatcher Broadcasting LLC ("Dreamcatcher") to repurchase the Dreamcatcher Stations, to be consummated substantially concurrent with the closing of the Nexstar Merger (the "Dreamcatcher Repurchase"). Following the consummation of the Dreamcatcher Repurchase, the Dreamcatcher Stations are expected to be sold to TEGNA and Scripps in connection with the Nexstar Merger. In the event the Company is unable to consummate the Nexstar Merger, the Company may rescind its option to repurchase the Dreamcatcher Stations.

Applications seeking FCC consent to station divestitures necessary to obtain the FCC Approval (the "Divestiture Applications") were filed on April 3, 2019, April 8, 2019, April 10, 2019 and April 16, 2019. On April 26, 2019, the FCC issued a public notice of the filing of the Divestiture Applications which set deadlines for petitions to deny the applications, oppositions to petitions to deny and replies to oppositions to petitions to deny.

The Nexstar Merger Agreement may be terminated at any time prior to the Effective Time (i) by mutual written consent of Nexstar and the Company, (ii) by either Nexstar or the Company (a) if the Effective Time has not occurred on or before November 30, 2019, provided that (x) if, on the initial end date, any of the conditions to the consummation of the Nexstar Merger related to the HSR Approval or the FCC Approval have not been satisfied but all other conditions the consummation of the Nexstar Merger have been satisfied or waived or capable of being satisfied, then the end date will be automatically extended to February 29, 2020 and (y) in the event the marketing period for the debt financing for the transaction has commenced but has not been completed by the end date, the end date may be extended (or further extended) by Nexstar on one occasion in its sole discretion by providing written notice thereof to the Company at least one business day prior to the end date until the date that is four business days after the last scheduled expiration date of the marketing period (unless the failure of the Effective Time to occur before the end date was primarily due to such party's breach of any of its obligations under the Nexstar Merger Agreement), (b) if any governmental authority of competent jurisdiction has issued an order permanently prohibiting the consummation of the Nexstar Merger and such order has become final and non-appealable (unless such order was primarily attributable to such party's breach of the Nexstar Merger Agreement), and (iii) by either Nexstar or the Company in certain circumstances, as described in the Nexstar Merger Agreement.

As further described in Note 1 to the Company's audited consolidated financial statements for the year ended December 31, 2018, the Company must pay Nexstar a termination fee of \$135 million if the Company or Nexstar terminate the Nexstar Merger Agreement in certain circumstances, except that such termination fee may be reduced by any previously paid amounts relating to the documented, out-of-pocket expenses of Nexstar in an amount not to exceed \$15 million.

Change in Accounting Principles-In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-02, "Leases (Subtopic 842)." The new guidance requires lessees to recognize assets and liabilities arising from leases as well as extensive quantitative and qualitative disclosures. A lessee needs to recognize on its balance sheet a right-of-use asset and a lease liability for the majority of its leases (other than leases with a term of less than 12 months). The lease liabilities should be equal to the present value of minimum lease payments. The right-of-use asset is measured at the lease liability amount, adjusted for lease prepayment, lease

5/22/2019 Document incentives received and the lessee's initial direct costs. In January 2018, the FASB issued ASU No. 2018-01, "Leases (Topic 842) - Land Easement Practical Expedient for Transition to Topic 842," which provides an optional transition practical expedient to not evaluate under Topic 842 existing or expired land

casements that were not previously accounted for as leases under the current leases guidance in Topic 840. In July 2018, the FASB issued ASU No. 2018-10, "Codification Improvements to Topic 842, Leases," and ASU No. 2018-M, "Leases (Topic 842). Targeted Improvements," which affect certain aspects of the previously issued guidance including an additional transition method as well as a new practical expedient for lessors. In December 2018, the FASB issued ASU No. 2018-19, "Codification Improvements to Topic 326, Financial Instruments - Credit Losses" and ASU No. 2018-20, "Leases (Topic 842). Narrow-Scope Improvements for Lessors," which provide additional guidance for lessor accounting as well as a new practical expedient for lessors. In March 2019, the FASB issued ASU No. 2019-01, "Leases (Topic 842). Codification Improvements," which provides additional guidance on disclosure requirements. The Company adopted Topic 842 in the first quarter of 2019. The adoption of Topic 842 did not have a material impact on the Company's unaudited Condensed Consolidated Statements of Operations, unaudited Condensed Consolidated Statements of Comprehensive Income (Loss) and unaudited Condensed Consolidated Statements of Cash Flows. Refer to Note 3 for information regarding the impacts of the adoption. See the Leases accounting policy below for additional information.

In August 2017, the FASB issued ASU No. 2017-12, "Derivatives and Hedging (Topic 815)." The standard simplifies the application of the hedge accounting guidance and enables entities to better portray the economic results of their risk management activities in the financial statements. The new guidance eliminates the requirement and the ability to separately record ineffectiveness on cash flow and net investment hedges and generally requires the entire change in the fair value of a hedging instrument to be presented in the same income statement line as the hedged item. The standard requires certain additional disclosures that focus on the effect of hedge accounting whereas the disclosure of hedge ineffectiveness is eliminated. The amendments expand the types of permissible hedging strategies. Additionally, the amendment makes the hedge documentation and effectiveness assessment less complex. The amendments in ASU 2017-12 related to cash flow hedge relationships that exist on the date of adoption should be applied using a modified retrospective approach with the cumulative effect of initially applying ASU 2017-12 at the date of initial application. The presentation and disclosure requirements apply prospectively. The Company adopted ASU 2017-12 in the first quarter of 2019. The adoption of this standard did not have a material impact on the Company's consolidated financial statements. No other significant accounting policies and estimates have changed from those detailed in Note 1 to the Company's audited consolidated financial statements for the year ended December 31, 2018.

Use of Estimates-The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the unaudited condensed consolidated financial statements and accompanying notes. Actual results could differ from these estimates.

Leases-The Company determines whether an arrangement contains a lease at inception. Operating leases are included in operating lease right-of-use ("ROU") assets, current operating lease liabilities and non-current operating lease liabilities in the unaudited Condensed Consolidated Balance Sheets. The Company does not currently have any finance lease arrangements.

ROU assets represent the Company's right to use an underlying asset for the lease term. The operating lease liabilities represent the Company's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at the commencement date based on the present value of the fixed lease payments over the lease term. Unless the rate of interest implicit in the lease arrangement is known, the Company's collateralized incremental borrowing rate for a period commensurate with the lease term at lease commencement is used to calculate the present value of the lease payments. When the Company knows the implicit rate of interest in the arrangement, that rate is used. The operating lease ROU asset includes any prepaid lease payments, initial direct costs, if applicable, less lease incentives. The Company has lease agreements with lease and

non-lease components To the extent the non-lease components require fixed payments, the Company accounts for both the lease and non-lease component as a single lease component in accordance with Topic 842.

Leases generally include options to extend or terminate a lease. These options are included in the lease term when it is reasonably certain that the Company will exercise the renewal or termination option. The Company does not record an operating lease ROU asset or liability for leases with a term of twelve months or less with the related

lease expense recognized over the term of the lease. Operating lease expense is recognized on a straight-line basis over the lease term

Revenue Recognition-The Company recognizes revenues when control of the promised goods or services is transferred to the Company's customers in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services

In addition to the operating revenues included in the Television and Entertainment segment, the Company's consolidated operating revenues include other revenue of \$2 million and \$13 million for the three months ended March 31, 2019 and March 31, 2018, respectively, in Corporate and Other, which consists of real estate revenues.

Variable Interests-The Company evaluates its investments and other transactions to determine whether any entities associated with the investments or transactions should be consolidated under the provisions of FASB Accounting Standards Codification ("ASC") Topic 810, "Consolidation." The Company consolidates variable interest entities ("VIEs") when it is the primary beneficiary.

Topix-At March 31, 2019 and December 31, 2018, the Company indirectly held variable interests in Topix, LLC (through its investment in TKG Holdings II, LLC) ("Topix"). The Company has determined that it is not the primary beneficiary of Topix and therefore has not consolidated it as of and for the periods presented in the unaudited condensed consolidated financial statements. The Company's maximum loss exposure related to Topix is limited to its equity investment, which was \$5 million at both March 31, 2019 and December 31, 2018.

Dreamcatcher-Dreamcatcher was formed in 2013 specifically to comply with the cross-ownership rules of the FCC related to the Company's acquisition of Local TV, LLC on December 27, 2013 (the "Local TV Acquisition"). See Note 1 to the Company's audited consolidated financial statements for the year ended December 31, 2018 for additional information. The Company's unaudited condensed consolidated financial statements as of and for the three months ended March 31, 2019 and March 31, 2018 include the results of operations and the financial position of Dreamcatcher, a fully-consolidated VIE. Net revenues of the Dreamcatcher Stations included in the Company's unaudited Condensed Consolidated Statements of Operations for the three months ended March 31, 2019 and March 31, 2018, were \$19 million and \$18 million, respectively. The Company's unaudited Condensed Consolidated Balance Sheets as of March 31, 2019 and December 31, 2018 include the following assets and liabilities of the Dreamcatcher stations (in thousands):

New Accounting Standards-In April 2019, the FASB issued ASU 2019-04, "Codification Improvements to Topic 326, Financial Instruments-Credit Losses, Topic 815, Derivatives and Hedging, and Topic 825, Financial Instruments," which provided certain improvements to ASU 2016-01, "Financial Instruments-Overall (Subtopic 825-10) Recognition and Measurement of Financial Assets and Financial Liabilities." ASU 2016-13, "Financial Instruments-Credit Losses (Topic 326). Measurement of Credit Losses on Financial Instruments" and ASU 2017-12, "Derivatives and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities." As the Company has adopted ASU 2016-01 and ASU 2017-12, the improvements in ASU 2019-04 are effective for fiscal years beginning after December 15, 2019, and the interim periods within those fiscal years. Early adoption is permitted. The Company expects to adopt ASU 2016-13 in the first quarter of 2020, as described below, and the improvements in ASU 2019-04 will be adopted concurrently. The Company is currently evaluating the impact of adopting ASU 2019-04 on its consolidated financial statements.

In March 2019, the FASB issued ASU 2019-02, "Entertainment-Films-Other Assets-Film Costs (Subtopic 926-20) and Entertainment-Broadcasters-Intangibles-Goodwill and Other (Subtopic 920-350)." The standard requires production costs of episodic television series to be capitalized as incurred, which aligns the guidance with the accounting for production costs of films. In addition, once ASU 2019-02 is effective, capitalized costs associated with films and license agreements will be tested for impairment based on the lower of unamortized cost or fair value, as opposed to the existing guidance where the impairment test is based on estimated net realizable value. The guidance also includes additional disclosure requirements. The standard is effective for fiscal years beginning after December 15, 2019, and the interim periods within those fiscal years. Early adoption is permitted. The amendments in ASU 2019-02 should be applied prospectively. The Company is currently evaluating the impact of adopting ASU 2019-02 on its consolidated financial statements.

5/22/2019 Document

In August 2018, the FASB issued ASU No. 2018-15, "Intangibles - Goodwill and Other - Internal-Use Software (Subtopic 350-40)." The standard requires a customer in a hosting arrangement that is a service contract to follow the internal-use software guidance to determine which implementation costs to capitalize as an asset related to the service contract. The standard also requires a customer to expense the capitalized implementation costs over the term of the hosting arrangement and specifies presentation requirements for both the capitalized costs and the amortized expenses. The standard is effective for fiscal years beginning after December 15, 2019, and the interim periods within those fiscal years. Early adoption is permitted. The amendments in ASU 2018-15 should be applied either retrospectively or prospectively to all implementation costs incurred after the date of adoption. The Company is currently evaluating the impact of adopting ASU 2018-15 on its consolidated financial statements.

In August 2018, the FASB issued ASU No. 2018-14, "Compensation - Retirement Benefits - Defined Benefit Plans - General (Subtopic 715-20)." considered cost beneficial, clarifying specific requirements of disclosures, and adding disclosure requirements identified as relevant. The standard is effective for fiscal years ending after December 15, 2020. Early adoption is permitted. The amendments in ASU 2018-14 should be applied retrospectively to each period presented. The Company is currently evaluating the impact of adopting ASU 2018-14 on its consolidated financial statements.

In June 2016, the FASB issued ASU No 2016-13, "Financial Instruments - Credit Losses (Topic 326)." The standard requires entities to estimate losses on financial assets measured at amortized cost, including trade receivables, debt securities and loans, using an expected credit loss model. The expected credit loss differs from the previous incurred losses model primarily in that the loss recognition threshold of "probable" has been eliminated and that expected loss should consider reasonable and supportable forecasts in addition to the previously considered past events and current conditions. Additionally, the guidance requires additional disclosures related to the further disaggregation of information related to the credit quality of financial assets by year of the asset's origination for as many as five years. Entities must apply the standard provision as a cumulative-effect adjustment to retained earnings as of the beginning of the first reporting period in which the guidance is effective. The standard is effective for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted for annual periods beginning after December 15, 2018, and interim periods within those fiscal years. The Company is currently evaluating the impact of adopting ASU 2016-13 on its consolidated financial statements.

In the first quarter of 2019, the Company adopted Topic 842 utilizing the optional transition method provided in ASU No 2018-11, which allows for a prospective adoption with a cumulative-effect adjustment to the opening balance sheet as of the adoption date without restatement of prior years. Upon adoption, the Company recognized a right-of-use asset of \$158 million and a right-of-use liability of \$174 million. The Company's deferred rent balance of \$18 million as of December 31, 2018 was reclassified to the right-of-use asset upon adoption. The Company also recognized a cumulative-effect adjustment to retained earnings of approximately \$13 million, net of tax, which represents deferred gains previously recorded on the consolidated balance sheet related to historical sale lease-back transactions. https://www.sec.gov/Archives/edgar/data/726513/000072651319000011/a10-g_q12019.htm 29/113

The Company measures and records in its consolidated financial statements certain assets and liabilities at fair value ASC Topic 820 "Fair Value Measurement and Disclosures," establishes a fair value hierarchy for instruments measured at fair value that distinguishes between assumptions based on market data (observable inputs) and the Company's own assumptions (unobservable inputs) This hierarchy consists of the following three levels-

- Level 1 - Assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market.
- Level 2 - Assets and liabilities whose values are based on inputs other than those included in Level 1, including quoted market prices in markets that are not active, quoted prices of assets or liabilities with

similar attributes in active markets, or valuation models whose inputs are observable or unobservable but corroborated by market data • Level 3 - Assets and liabilities whose values are based on valuation models or pricing techniques that utilize unobservable inputs that are significant to the overall fair value measurement.

The Company's earnings and cash flows are subject to fluctuations due to changes in interest rates The Company's risk management policy allows for the use of derivative financial instruments to manage interest rate exposures and does not permit derivatives to be used for speculative purposes. On January 27, 2017, the Company entered into interest rate swaps with certain financial institutions for a total notional value of \$500 million with a duration that matches the maturity of the Company's Term C Loans The interest rate swaps are designated as cash flow hedges and are considered highly effective The monthly net interest settlements under the interest rate swaps are reclassified out of AOCI and recognized in interest expense consistent with the recognition of interest expense on the Company's Term C Loans Realized gains of \$0.3 million and realized losses of \$1 million were recognized in interest expense for the three months ended March 31, 2019 and March 31, 2018, respectively Interest expense was \$44 million and \$41 million for the three months ended March 31, 2019 and March 31, 2018, respectively As of March 31, 2019, the fair value of the interest rate swaps was \$1 million, which is recorded in current liabilities with the unrealized loss recognized in other comprehensive income (loss). As of March 31, 2019, the Company expects \$1 million to be reclassified out of AOCI as a reduction of interest expense over the next twelve months. The interest rate swap fair value is considered Level 2 within the fair value hierarchy as it includes quoted prices for similar instruments as well as interest rates and yield curves that are observable in the market.

Certain assets are measured at fair value on a nonrecurring basis, that is, the instruments are not measured at fair value on an ongoing basis, but are subject to fair value adjustments in certain circumstances (for example, when there is evidence of impairment)

The carrying values of cash and cash equivalents, restricted cash and cash equivalents trade accounts receivable and trade accounts payable approximate fair value due to their short term to maturity- Certain of the Company's cash equivalents are held in money market funds which are valued using net asset value ("NAV") per share, which would be considered Level 1 in the fair value hierarchy.

Estimated fair values and carrying amounts of the Company's financial instruments that are not measured at fair value on a recurring basis were as follows (in thousands).

The remaining Debtors' Chapter 11 proceedings continue to be jointly administered under the caption In re Tribune Media Company, et al, Case No 08-13141

Confirmation Order Appeals-Notices of appeal of the Bankruptcy Court's order confirming the Plan (the "Confirmation Order") were 11 led by (i) Aurelius Capital Management, LP, on behalf of its managed entities that were holders of the Predecessor's senior notes and Exchangeable Subordinated Debentures due 2029 ("PHONES"), (u) Law Debenture Trust Company of New York (n/k/a Delaware Trust Company) ("Delaware Trust Company") and Deutsche Bank Trust Company Americas ("Deutsche Bank"), each successor trustees under the respective indentures for the Predecessor's senior notes; (iii) Wilmington Trust Company, as successor indenture trustee for the PHONES, and (iv) EGI-TRB, L.L.C., a Delaware limited liability company wholly-owned by Sam Investment Trust (a trust established for the benefit of Samuel Zell and his family) (the "Zell Entity"). The appellants sought, among other relief, to overturn the Confirmation Order and certain prior orders of the Bankruptcy Court embodied in the Plan, including the settlement of certain claims and causes of action related to the series of transactions (collectively, the "Leveraged ESOP Transactions") consummated by the Predecessor, the Tribune Company employee stock ownership plan, the Zell Entity and Samuel Zell in 2007. As of March 31, 2019, each of the Confirmation Order appeals have been dismissed or otherwise resolved by a final order, with the exception of the appeals of Delaware Trust Company and Deutsche Bank. On July 30, 2018, the United States District Court for the District of Delaware (the "District Court") entered an order affirming (i) the Bankruptcy Court's judgment overruling Delaware Trust Company's and Deutsche Bank's objections to confirmation of the Plan and (ii) the Bankruptcy Court's order confirming the Plan. Delaware Trust Company and Deutsche Bank appealed the District Court's order to the United States Court of Appeals for the Third Circuit (the "Third Circuit") on August 27, 2018. That appeal remains pending before the Third Circuit. If the remaining appellants succeed on their appeals, the Company's financial condition may be adversely affected.

Resolution of Outstanding Prepetition Claims-As of the Effective Date, approximately 7,400 proofs of claim had been filed against the Debtors. Amounts and payment terms for these claims, if applicable, were established in the Plan. The Plan requires the Company to reserve cash in amounts sufficient to make certain additional payments that may become due and owing pursuant to the Plan subsequent to the Effective Date. As of March 31, 2019, restricted cash held by the Company to satisfy the remaining claim obligations was \$17 million and is estimated to be sufficient to satisfy such obligations.

As of March 31, 2019, all but 403 proofs of claim against the Debtors had been withdrawn, expunged, settled or otherwise satisfied. The majority of the remaining proofs of claim were filed by certain of the Company's former directors and officers, asserting indemnity and other related claims against the Company for claims brought against them in lawsuits arising from the Leveraged ESOP Transactions. Those lawsuits are pending in multidistrict litigation ("MDL") before the U.S. District Court for the Southern District of New York (the "NY District Court") in proceedings captioned *In re Tribune Co. Fraudulent Conveyance Litigation*. Under the Plan, the indemnity claims of the Company's former directors and officers must be set off against any recovery by the litigation trust formed.

pursuant to the Plan (the "Litigation Trust") against any of those directors and officers, and the Litigation Trust is authorized to object to the allowance of any such indemnity-type claims.

The ultimate amounts to be paid in resolutions of the remaining proofs of claim, including indemnity claims, will continue to be subject to uncertainty for a period of time after the Effective Date. If the aggregate allowed amount of the remaining claims exceeds the restricted cash held for satisfying such claims, the Company would be required to satisfy the allowed claims from its cash on hand from operations.

Reorganization Items, Net-ASC Topic 852, "Reorganizations." requires that the financial statements for periods subsequent to the filing of the Chapter 11 Petitions distinguish transactions and events that are directly associated with the reorganization from the operations of the business. Reorganization items, net included in the Company's unaudited Condensed Consolidated Statements of Operations primarily include professional

advisory fees and other costs related to the resolution of unresolved claims and totaled \$1 million for each of the three months ended March 31, 2019 and March 31, 2018, respectively. The Company expects to continue to incur certain expenses pertaining to the Chapter 11 proceedings throughout 2019 and potentially in future periods.

FCC Regulation-Various aspects of the Company's operations are subject to regulation by governmental authorities in the United States. The Company's television and radio broadcasting operations are subject to FCC jurisdiction under the Communications Act of 1934, as amended. FCC rules, among other things, govern the term, renewal and transfer of radio and television broadcasting licenses, and limit the number of media interests in a local market that a single entity can own. Federal law also regulates the rates charged for political advertising and the quantity of advertising within children's programs. As of May 10, 2019, the Company had FCC authorization to operate 39 television stations and one AM radio station.

The Company is subject to the FCC's "Local Television Multiple Ownership Rule" and the "National Television Multiple Ownership Rule," among others, as further described in Note 10 to the Company's audited consolidated financial statements for the year ended December 31, 2018.

In general and subject to certain conditions, under the "Local Television Multiple Ownership Rule" (the "Duopoly Rule") a company may hold attributable interests in up to two television stations in a single Nielsen Media Research Designated Market Area ("DMA"). In applying the Duopoly rule, the FCC applies a presumption against allowing combinations of two top-four ranked stations in a market, subject to a case-by-case waiver review process. This approach, adopted in the 2014 Quadrennial Review Reconsideration Order, is subject to a pending petition for judicial review by the Third Circuit. On December 13, 2018, the FCC issued a Notice of Proposed Rulemaking initiating the 2018 Quadrennial Review (the "2018 Quadrennial Review"), which, among other things, seeks comment on all aspects of the Duopoly Rule's application and implementation, including whether the rule itself remains necessary to serve the public interest in the current television marketplace, and, if retained, whether the top-four prohibition should be retained, and if so, whether the FCC should adopt a waiver process or bright-line test to determine where waivers of the top-4 prohibition may be warranted. The Company cannot predict the outcome of these proceedings, or their effect on its business.

The "National Television Multiple Ownership Rule" prohibits the Company from owning television stations that, in the aggregate, reach more than 39% of total U.S. television households, subject to a 50% discount of the number of television households attributable to UHF stations (the "UHF Discount"). In a Report and Order issued on September 7,

2016 (the "UHF Discount Repeal Order"), the FCC repealed the UHF Discount but grandfathered existing station combinations (including the Company's) that exceeded the 39% national reach cap as a result of the elimination of the UHF Discount, subject to compliance in the event of a future change of control or assignment of license. The FCC reinstated the UHF Discount in an Order on Reconsideration adopted on April 20, 2017 (the "UHF Discount Reconsideration Order"). A petition for judicial review of the UHF Discount Reconsideration Order by the U.S. Court of Appeals for the District of Columbia Circuit was dismissed on jurisdictional grounds on July 25, 2018. A petition for review of the UHF Discount Repeal Order by the U.S. Court of Appeals for the District of Columbia Circuit was dismissed as moot on December 19, 2018. On December 18, 2017, the FCC released a Notice of Proposed Rulemaking seeking comment generally, on the continuing propriety of a national cap and the

Commission's jurisdiction with respect to the cap. The Company cannot predict the outcome of these proceedings, or their effect on its business.

Federal legislation enacted in February 2012 authorized the FCC to conduct a voluntary "incentive auction" in order to reallocate certain spectrum currently occupied by television broadcast stations to mobile wireless broadband services, to "repack" television stations into a smaller portion of the existing television spectrum band and to require television stations that do not participate in the auction to modify their transmission facilities, subject to reimbursement for reasonable relocation costs up to an industry-wide total of \$1.750 billion, which amount was increased by \$1 billion pursuant to the adoption of an amended version of the Repack Airwaves Yielding Better Access for Users of Modern Services (RAY BAUM'S) Act of 2018 by the U.S. Congress on March 23, 2018. On April 13, 2017, the FCC announced the conclusion of the incentive auction, the results of the reverse and forward auction and the repacking of the broadcast television spectrum. The Company participated in the auction and has received approximately \$191 million in pre-tax proceeds.

(including \$26 million of proceeds received by a Dreamcatcher station) as of December 31, 2017. The Company received gross pretax proceeds of \$172 million from licenses sold by the Company in the FCC spectrum auction in 2017 and recognized a net pretax gain of \$133 million in the first quarter of 2018 related to the surrender of the spectrum of these television stations in January 2018.

Twenty-two of the Company's television stations (including WTTK, which operates as a satellite station of WTTV) are required to change frequencies or otherwise modify their operations as a result of the repacking. In doing so, the stations could incur substantial conversion costs, reduction or loss of over-the-air signal coverage or an inability to provide high definition programming and additional program streams.

Through March 31, 2019, the Company incurred \$32 million in capital expenditures for the spectrum repack, of which \$5 million and \$24 million was incurred in 2019 and 2018, respectively. The Company expects that the reimbursements from the FCC's special fund will cover the majority of the Company's costs and expenses related to the repacking. However, the Company cannot currently predict the effect of the repacking, whether the special fund will be sufficient to reimburse all of the Company's costs and expenses related to the repacking, the timing of reimbursements or any spectrum-related FCC regulatory action.

Through March 31, 2019, the Company has received FCC reimbursements of \$15 million, of which \$4 million was received during the three months ended March 31, 2019. The reimbursements are included as a reduction to selling, general and administrative expense ("SG&A") and are presented as an investing inflow in the Company's unaudited Condensed Consolidated Statements of Cash Flows.

As described in Note I to the Company's audited consolidated financial statements for the year ended December 31, 2018, the Company completed the Local TV Acquisition on December 27, 2013 pursuant to FCC staff approval granted on December 20, 2013 in the Local TV Transfer Order. On January 22, 2014, Free Press filed an Application for Review seeking review by the full Commission of the Local TV Transfer Order. The Company filed an Opposition to the Application for Review on February 21, 2014. Free Press filed a reply on March 6, 2014. The matter is pending.

From time to time, the FCC revises existing regulations and policies in ways that could affect the Company's broadcasting operations. In addition, Congress from time to time considers and adopts substantive amendments to the governing communications legislation. The Company cannot predict such actions or their resulting effect upon the Company's business and financial position.

Termination of Sinclair Merger Agreement—On August 9, 2018, the Company provided notification to Sinclair Broadcast Group, Inc. ("Sinclair") that the Company terminated, effective immediately, the Agreement and Plan of Merger, dated May 8, 2017, with Sinclair (the "Sinclair Merger Agreement"), which provided for the acquisition by

Sinclair of all of the outstanding shares of the Company's common stock (the "Sinclair Merger"). Additionally, on August 9, 2018, the Company filed a complaint in the Delaware Court of Chancery against Sinclair (the "Sinclair Complaint"), alleging that Sinclair willfully and materially breached its obligations under the Sinclair Merger Agreement. The lawsuit seeks damages for all losses incurred as a result of Sinclair's breach of contract under the Sinclair Merger Agreement. On August 29, 2018, Sinclair filed an answer to the Company's Sinclair

Complaint and a counterclaim (the "Sinclair Counterclaim"). On September 18, 2018, the Company filed an answer to the Sinclair Counterclaim. The Company believes the Sinclair Counterclaim is without merit and intends to defend it vigorously. In connection with the termination of the Sinclair Merger Agreement, on August 9, 2018, the Company provided notification to Vox Television Stations, LLC ("Vox") that it terminated the asset purchase agreement, by and between Sinclair, Fox and the Company, dated May 8, 2018 (the "Fox Purchase Agreement") to sell the assets of certain network affiliates of the Company, effective immediately. Under the terms of the Fox Purchase Agreement, no termination fees were payable by any party.

Other Contingencies—The Company and its subsidiaries are defendants from time to time in actions for matters arising out of their business operations. In addition, the Company and its subsidiaries are involved from

time to time as parties in various regulatory, environmental and other proceedings with governmental authorities and administrative agencies. See Note 9 for a discussion of potential income tax liabilities.

The Company does not believe that any matters or proceedings presently pending will have a material adverse effect, individually or in the aggregate, on its consolidated financial position, results of operations or liquidity.

NOTE 9: INCOME TAXES

In the three months ended March 31, 2019, the Company recorded income tax expense of \$38 million. The effective tax rate on pretax income was 25.0%. The rate differs from the U.S. federal statutory rate of 21% due to state income taxes (net of federal benefit), non-deductible executive compensation, certain transaction costs and other expenses not fully deductible for tax purposes, a \$2 million benefit related to stock-based compensation, a \$3 million benefit resulting from a change in the Company's state tax rates, and a \$2 million charge related to the resolution of federal and state income tax matters and other adjustments.

In the three months ended March 31, 2018, the Company recorded an income tax expense of \$57 million. The effective tax rate on pretax income was 28.7%. The rate differs from the U.S. federal statutory rate of 21% due to state income taxes (net of federal benefit), non-deductible executive compensation, certain transaction costs and other expenses not fully deductible for tax purposes, and a net \$2 million charge related to the write-off of unrealized deferred tax assets related to stock-based compensation.

Chicago Cubs Transactions—As further described in Note 6 to the Company's audited consolidated financial statements for the year ended December 31, 2018, the Company consummated the closing of the Chicago Cubs Transactions on October 27, 2009. As a result of these transactions, NEH owned 95% and the Company owned 5% of the membership interests in CEV LLC. The fair market value of the contributed assets exceeded the tax basis and did not result in an immediate taxable gain because the transaction was structured to comply with the partnership provisions of the Internal Revenue Code ("IRC") and related regulations. On June 28, 2016, the IRS issued the Company a Notice of Deficiency ("Notice") which presents the IRS's position that the gain should have been included in the Company's 2009 taxable income. Accordingly, the IRS has proposed a \$182 million tax and a \$73 million gross valuation misstatement penalty. In addition, after-tax interest on the aforementioned proposed tax and penalty through March 31, 2019 would be approximately \$86 million. The Company continues to disagree with the IRS's position that the transaction generated a taxable gain in 2009, the proposed penalty and the IRS's calculation of the gain. During the third quarter of 2016, the Company filed a petition in U.S. Tax Court to contest the IRS's determination. The Company continues to pursue resolution of this disputed tax matter with the IRS. If the IRS prevails in their position, the gain on the Chicago Cubs Transactions would be deemed to be taxable in 2009. The

Company estimates that the federal and state income taxes would be approximately \$225 million before interest and penalties. Any tax, interest and penalty due will be offset by tax payments made relating to this transaction subsequent to 2009. As further described in Note 5, on August 21, 2018, NEH provided the Call Notice to the Company that NEH was exercising its right to purchase the Company's 5% membership interest in CEV LLC. The Company sold its 5% ownership interest in CEV LLC on January 22, 2019 (the "2019 Cubs Sale") for pretax proceeds of \$107.5 million and recognized again of \$86 million before taxes (\$66 million after taxes) in the first quarter of 2019. As a result of the sale, the previously recorded deferred tax liability of \$69 million related to the

future recognition of taxable income related to the Chicago Cubs Transactions became currently payable. Subsequent to the sale, the Company no longer owns any portion of CEV LLC and maintains no deferred taxes or tax reserves related to the Chicago Cubs Transactions. As of March 31, 2019, the Company has paid or accrued approximately \$167 million of federal and state taxes on the deferred gain and the 2019 Cubs Sale through

its regular tax reporting process The sale of the Company's ownership interest in CEV LLC has no impact on the Company's dispute with the IRS.

Other-Although management believes its estimates and judgments are reasonable, the resolutions of the Company's tax issues are unpredictable and could result in tax liabilities that are significantly higher or lower than that which has been provided by the Company The Company accounts for uncertain tax positions in accordance with ASC Topic 740, which addresses the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return The Company's liability for unrecognized tax benefits totaled \$22 million and \$21 million at March 31, 2019 and December 31, 2018, respectively The Company believes it is reasonably possible that the total amount of unrecognized tax benefits could decrease by approximately \$2 million within the next twelve months due to the resolution of tax examination issues and statute of limitations expirations.

The payment of quarterly cash dividends also results in the issuance of Dividend Equivalent Units ("DEUs") to holders of restricted stock units ("RSUs") and performance share units ("PSUs"), as described in Note 13 and Note 14 to the Company's audited consolidated financial statements for the year ended December 31, 2018.

TRIBUNE MEDIA COMPANY AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (Continued)
(Unaudited)

NOTE 13; EARNINGS PER SHARE

The Company computes earnings (loss) per common share ("EPS") under the two-class method which requires the allocation of all distributed and undistributed earnings attributable to Tribune Media Company to common stock and other participating securities based on their respective rights to receive distributions of earnings or losses. The Company's Class A Common Stock and Class B Common Stock equally share in distributed and undistributed earnings. In a period when the Company's distributed earnings exceed undistributed earnings, no allocation to participating securities or dilutive securities is performed. The Company accounts for the Warrants as participating securities, as holders of the Warrants, in accordance with and subject to the terms and conditions of the Warrant Agreement, are entitled to receive ratable distributions of the Company's earnings concurrently with such distributions made to the holders of Common Stock, subject to certain restrictions relating to FCC rules and requirements. Under the terms of the Company's RSU and PSU agreements, unvested RSUs and PSUs contain forfeitable rights to dividends and DEUs. Because the DEUs are forfeitable, they are defined as non-participating securities. As of March 31, 2019, there were 40,962 DEUs outstanding, which will vest at the time that the underlying RSU or PSU vests.

The Company computes basic EPS by dividing net income (loss) attributable to Tribune Media Company applicable to common shares by the weighted average number of common shares outstanding during the period. In accordance with the two-class method, undistributed earnings applicable to the Warrants are excluded from the computation of basic EPS. Diluted EPS is computed by dividing net income (loss) attributable to Tribune Media Company by the weighted average number of common shares outstanding during the period as adjusted for the assumed exercise of all outstanding stock awards. The calculation of diluted EPS assumes that stock awards outstanding were exercised at the beginning of the period. The stock awards are included in the calculation of diluted EPS only when their inclusion in the calculation is dilutive. ASC Topic 260, "Earnings per Share," states that the presentation of basic and diluted EPS is required only for common stock and not for participating securities. In each of the three months ended March 31, 2019 and March 31, 2018, 30,551 of the weighted-average Warrants outstanding have been excluded from the below table.

The calculation of basic and diluted EPS is presented below (in thousands, except for per share data):

NOTE 16: CONDENSED CONSOLIDATING FINANCIAL STATEMENTS

The Company is the issuer of the Notes (see Note 6) and such debt is guaranteed by the Company's subsidiary guarantors (the "Subsidiary Guarantors"). The Subsidiary Guarantors are direct or indirect 100% owned domestic subsidiaries of the Company. The Company's payment obligations under the Notes are jointly and severally guaranteed by the Subsidiary Guarantors, and all guarantees are full and unconditional. The subsidiaries of the Company that do not guarantee the Notes (the "Non-Guarantor Subsidiaries") include certain direct or indirect subsidiaries of the Company.

The guarantees are subject to release under certain circumstances, including (a) upon the sale, exchange, disposition or other transfer (including through merger, consolidation or dissolution) of the interests in such Subsidiary Guarantor, after which such Subsidiary Guarantor is no longer a restricted subsidiary of the Company, or all or substantially all the assets of such Subsidiary Guarantor, in any case if such sale, exchange, disposition or other transfer is not prohibited by the Indenture, (b) upon the Company designating such Subsidiary Guarantor to be an unrestricted subsidiary in accordance with the Indenture, (c) in the case of any restricted subsidiary of the Company that after the issue date is required to guarantee the Notes, upon the release or discharge of the guarantee by such restricted subsidiary of any indebtedness of the Company or another Subsidiary Guarantor or the repayment of any indebtedness of the Company or another Subsidiary Guarantor, in each case, which resulted in the obligation to guarantee the Notes, (d) upon the Company's exercise of its legal defeasance option or covenant defeasance option in accordance with the Indenture or if the Company's obligations under the Indenture are discharged in accordance with the terms of the Indenture, (e) upon the release or discharge of direct obligations of such Subsidiary Guarantor, or the guarantee by such guarantor of the obligations, under the Senior Credit Agreement, or (f) during the period when the rating of the Notes is changed to investment grade.

In the fourth quarter of 2018, the Company released certain Subsidiary Guarantors from their guarantees of the Notes upon designating such Subsidiary Guarantors to be unrestricted subsidiaries in accordance with the Indenture. As a result, these subsidiaries became Non-Guarantor Subsidiaries and the operations of these entities were

This quarterly report on Form 10-Q for the three months ended March 31, 2019 (the "Quarterly Report"), as well as other public documents and statements of the Company, includes "forward-looking statements" within the meaning of the federal securities laws, including, without limitation, statements concerning the conditions in our industry, our operations, our economic performance and financial condition, including, in particular, statements related to the proposed Nexstar Merger (as defined below). We caution you that the foregoing list of important factors is not exhaustive. In addition, in light of these risks and uncertainties, the matters referred to in the forward-looking statements contained in this Quarterly Report may not in fact occur. We undertake no obligation to publicly update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law. OVERVIEW

We are a diversified media and entertainment company comprised of 42 local television stations, which we refer to as "our television stations," that are either owned by us or owned by others, but to which we provide certain services, along with a national general entertainment cable network, a radio station, a portfolio of real estate assets and investments in a variety of media, websites and other related assets /

Our business consists of our Television and Entertainment operations and the management of certain of our real estate assets. We also hold a variety of investments, including an equity investment in Television Food Network, G.P. ("TV Food Network") that provides substantial annual cash distributions. Prior to the sale of our membership interest on January 22, 2019, we held an investment in Chicago Entertainment Ventures, LLC (formerly Chicago Baseball Holdings, LLC) ("CEV LLC").

Television and Entertainment is a reportable segment, which provides audiences across the country with news, entertainment and sports programming on Tribune Broadcasting local television stations and distinctive, high quality television series and movies on WGN America as well as news, entertainment and sports information via our websites and other digital assets. Television and Entertainment includes 42 local television stations and related websites, including 39 owned stations and 3 stations to which we provide certain services with Dreamcatcher Broadcasting LLC ("Dreamcatcher"), WGN America, a national general entertainment cable network, Antenna TV and THIS TV, national multicast networks, Covers Media Group, a sports betting information website; and WGN-AM, a radio station in Chicago.

In addition, we report and include under Corporate and Other the management of certain of our real estate assets, including revenues from leasing our owned office and production facilities and any gains or losses from the sales of our real estate, as well as certain administrative activities associated with operating corporate office functions.

Our results of operations, when examined on a quarterly basis, reflect the historical seasonality of our advertising revenues. Typically, second and fourth quarter advertising revenues are higher than first and third quarter advertising revenues. Results for the second quarter usually reflect spring seasonal advertising, while the fourth quarter includes advertising related to the holiday season. In addition, our operating results are subject to fluctuations from political advertising as political spending is usually significantly higher in even numbered years due to advertising expenditures preceding local and national elections. For additional information on the businesses we operate, see "Item 1. Business" of our Annual Report on Form 10-K for the year ended December 31, 2018 (the "2018 Annual Report") and our other filings with the SEC.

SIGNIFICANT EVENTS

Nexstar Merger Agreement

On November 30, 2018, we entered into the Nexstar Merger Agreement, providing for the acquisition by Nexstar of all of the outstanding shares of our Common Stock, by means of a merger of Nexstar Merger Sub with and into Tribune Media Company, with the Company surviving the Nexstar Merger as a wholly-owned subsidiary of Nexstar.

In the Nexstar Merger, each share of Common Stock issued and outstanding immediately prior to the effective time of the Nexstar Merger (the "Effective Time") (other than shares held by (i) any Tribune subsidiary, Nexstar or

any Nexstar subsidiary or (ii) Tribune shareholders who have not voted in favor of adopting the Nexstar Merger Agreement and who have demanded and perfected (and not validly withdrawn or waived) their appraisal rights in compliance with Section 262 of the DGCL) will be converted into the right to receive a cash payment of \$46.50 (the "base merger consideration"), plus, if the Nexstar Merger closes after August 31, 2019 (the "Adjustment Date"), an additional amount in cash equal to (a) (i) \$0.009863 multiplied by (ii) the number of calendar days elapsed after Adjustment Date to and including the date on which the Nexstar Merger closes, minus (b) the amount of any dividends declared by us after the Adjustment Date with a record date prior to the date on which the Nexstar Merger closes, in each case, without interest and less an) required withholding taxes (the "additional per share consideration", and together with the base merger consideration, the "Nexstar Merger Consideration") The additional per share consideration will not be less than zero.

Each option to purchase shares of Common Stock outstanding as of immediately prior to the Effective Time, whether or not vested or exercisable, will be cancelled and converted into the right to receive, for each share of Common Stock subject to such stock option, a cash payment equal to the excess, if any, of the value of the Nexstar Merger Consideration over the exercise price per share of such stock option, without any interest and subject to all applicable withholding. Any stock option that has an exercise price per share that is greater than or equal to the Nexstar Merger Consideration will be cancelled for no consideration or payment. Each award of restricted stock units outstanding as of immediately prior to the Effective Time, whether or not vested, will immediately vest and be cancelled and converted into the right to receive a cash payment equal to the product of the total number of shares of Common Stock underlying such restricted stock unit multiplied by the Nexstar Merger Consideration, without any interest and subject to all applicable withholding (the "RSU Consideration"), except that each award of restricted stock units granted to an employee on or after December 1, 2018 (other than restricted stock units required to be granted pursuant to employment agreements or offer letters) ("Annual Tribune RSUs") that has vested as of the Effective Time of the Nexstar Merger will be cancelled and converted into the right to receive the RSU Consideration and any Annual Tribune RSUs that remain unvested as of the Effective Time of the Nexstar Merger will be cancelled for no consideration or payment. Each award of performance stock units outstanding as of immediately prior to the Effective Time, whether or not vested, will immediately vest (with performance conditions for each open performance period as of the closing date deemed achieved at the applicable "target" level performance for such performance stock units) and be cancelled and converted into the right to receive a cash payment equal to the product of the total number of shares of Common Stock underlying such performance stock units multiplied by the Nexstar Merger Consideration, without any interest and subject to all applicable withholding. Each outstanding award of deferred stock units outstanding as of immediately prior to the Effective Time will be cancelled and converted into the right to receive a cash payment equal to the product of the total number of shares of Common Stock underlying such deferred stock units multiplied by the Nexstar Merger Consideration, without interest and subject to all applicable withholding. Each unexercised warrant to purchase shares of Common Stock outstanding as of immediately prior to the Effective Time will be assumed by Nexstar and converted into a warrant exercisable for the Nexstar Merger Consideration which the shares of Common Stock underlying such warrant would have been entitled to receive upon consummation of the Nexstar Merger and otherwise upon the same terms and conditions of such warrant immediately prior to the Effective Time.

The consummation of the Nexstar Merger is subject to the satisfaction or waiver of certain customary conditions, including, among others: (i) the adoption of the Nexstar Merger by holders of a majority of our outstanding Common Stock, (ii) the receipt of approval from the Federal Communications Commission (the "FCC") (the "FCC Approval") and the expiration or termination of the waiting period applicable to the Nexstar Merger under the HSR Act and (iii) the absence of any order or law of any governmental authority that prohibits or makes illegal the consummation of the Nexstar Merger. Our and Nexstar's respective obligations to consummate the Nexstar Merger are also subject to certain additional customary conditions, including (i) the accuracy of the representations and warranties of the other party (generally subject to a "material adverse effect" standard), (ii) performance by the other party of its covenants in the Nexstar Merger Agreement in all material respects and (iii) with respect to Nexstar's obligation to consummate the Nexstar Merger, since the date of the Nexstar Merger Agreement, no material adverse effect with respect to Tribune having occurred.

The applications for FCC Approval (the "Merger Applications") were filed on January 7, 2019. On February 14, 2019, the FCC issued a public notice of filing of the Merger Applications which set deadlines for petitions to deny the applications, oppositions to petitions to deny and replies to oppositions to petitions to deny.

On February 7, 2019, we received a request for additional information and documentary material, often referred to as a "second request," from the DOJ in connection with the Nexstar Merger Agreement. The second request was issued under the HSR Act. Nexstar received a substantively identical request for additional information and documentary material from the DOJ in connection with the transactions contemplated by the Nexstar Merger Agreement/Consummation of the transactions contemplated by the Nexstar Merger Agreement is conditioned on expiration of the waiting period applicable under the HSR Act, among other conditions. Issuance of the second request extends the waiting period under the HSR Act until 30 days after Nexstar and the Company have substantially complied with the second request, unless the waiting period is terminated earlier by the DOJ or the parties voluntarily extend the time for closing.

On March 12, 2019, holders of a majority of the outstanding shares of our Class A Common Stock and Class B Common Stock, voting as a single class, voted on and approved the Nexstar Merger Agreement at a duly called special meeting of Tribune Media Company shareholders.

On March 20, 2019, in connection with our divestiture obligations under the Nexstar Merger Agreement, Nexstar entered into definitive asset purchase agreements with TEGNA Inc. ("TEGNA") and The E. W. Scripps Company ("Scripps") to sell a total of 19 stations (including 10 Tribune Media Company-owned stations, as well as 3 stations to which we provide certain services (WTKR-TV, Norfolk, VA, WGNT-TV, Portsmouth, VA and WNEP-TV, Scranton, PA, collectively, the "Dreamcatcher Stations")) in 15 markets to TEGNA and Scripps following the completion of the Nexstar Merger (the "Nexstar Transactions"). Additionally, on April 8, 2019, Nexstar entered into a definitive agreement with Circle City Broadcasting I, Inc. ("CCB") to sell 2 Nexstar stations to CCB following the completion of the Nexstar Merger. The consummation of each transaction is subject to the satisfaction or waiver of certain customary conditions, including, among others, (i) the closing of the transactions contemplated by the Nexstar Merger Agreement, (ii) the receipt of approval from the FCC and the DOJ and the expiration or termination of the waiting period applicable to such transaction under the HSR Act and (iii) the absence of certain legal impediments to the consummation of such transaction. On April 15, 2019, the Federal Trade Commission issued an early termination notice with respect to the waiting period applicable under the HSR Act in connection with the transaction with Scripps.

On April 2, 2019, we exercised an option with Dreamcatcher to repurchase the Dreamcatcher Stations, to be consummated substantially concurrent with the closing of the Nexstar Merger (the "Dreamcatcher Repurchase"). Following the consummation of the Dreamcatcher Repurchase, the Dreamcatcher Stations are expected to be sold to TEGNA and Scripps in connection with the Nexstar Merger. In the event we are unable to consummate the Nexstar Merger, we may rescind our option to repurchase the Dreamcatcher stations.

Applications seeking FCC consent to station divestitures necessary to obtain the FCC Approval (the "Divestiture Applications") were filed on April 3, 2019, April 8, 2019, April 10, 2019 and April 16, 2019. On April 26, 2019, the FCC issued a public notice of the filing of the Divestiture Applications which set deadlines for petitions to deny the applications, oppositions to petitions to deny and replies to oppositions to petitions to deny.

The Nexstar Merger Agreement may be terminated at any time prior to the Effective Time, (i) by mutual written consent of Nexstar and us; (ii) by either Nexstar or us (a) if the Effective Time has not occurred on or before November 30, 2019, provided that (x) if, on the initial end date, any of the conditions to the consummation of the Nexstar Merger related to the HSR Approval or the FCC Approval have not been satisfied, but all other conditions to the consummation of the Nexstar Merger have been satisfied or waived or capable of being satisfied, then the end date will be automatically extended to February 29, 2020 and (y) in the event the marketing period for the debt financing for the transaction has commenced but has not been completed by the end date, the end date may be extended (or further extended) by Nexstar on one occasion in its sole discretion by providing written notice thereof to us at least one business day prior to the end date until the date that is four business days after the last scheduled expiration date of the marketing period (unless the failure of the Effective Time to occur before the end date was primarily due

to such party's breach of any of its obligations under the Nexstar Merger Agreement), (b) if any governmental authority of competent jurisdiction has issued an order permanently prohibiting the consummation of the Nexstar Merger and such order has become final and non-appealable (unless such order was primarily attributable to such party's breach of the Nexstar Merger Agreement), and (in) either Nexstar or us in certain circumstances, as described in the Nexstar Merger Agreement.

As further described in Note 1 to our audited consolidated financial statements for the year ended December 31, 2018, we must pay Nexstar a termination fee of \$135 million if we or Nexstar terminate the Nexstar Merger Agreement in

certain circumstances, except that such termination fee may be reduced by any previously paid amounts relating to the documented, out-of-pocket expenses of Nexstar in an amount not to exceed \$15 million.

Chapter 11 Reorganization

On December 8, 2008 (the "Petition Date"), Tribune Company and 110 of its direct and indirect wholly-owned subsidiaries (collectively, the "Debtors") filed voluntary petitions for relief (collectively, the "Chapter 11 Petitions") under chapter 11 ("Chapter 11") of title 11 of the United States Code (the "Bankruptcy Code") in the U.S. Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The Fourth Amended Joint Plan of Reorganization for Tribune Company and its Subsidiaries (as subsequently modified, the "Plan") became effective and the Debtors emerged from Chapter 11 on December 31, 2012 (the "Effective Date"). The Bankruptcy Court has entered final decrees that have collectively closed 106 of the Debtors' Chapter 11 cases. The remaining Debtors' Chapter 11 proceedings continue to be jointly administered under the caption In re Tribune Media Company, et al, Case No. 08-13141.

See Note 10 to our audited consolidated financial statements for the year ended December 31, 2018 for additional information regarding the Chapter 11 proceedings.

At March 31, 2019, restricted cash held by us to satisfy the remaining claim obligations was \$17 million and is estimated to be sufficient to satisfy such obligations. If the aggregate allowed amount of the remaining claims exceeds the restricted cash held for satisfying such claims, we would be required to satisfy the allowed claims from our cash from operations.

Chicago Cubs Transactions

As further described in Note 11 to our audited consolidated financial statements for the year ended December 31, 2018, on June 28, 2016, the IRS issued to us a Notice of Deficiency ("Notice") which presents the IRS's position that the gain on the Chicago Cubs Transactions (as defined and described in Note 6 to our audited consolidated financial statements for the year ended December 31, 2018) should have been included in our 2009 taxable income. Accordingly, the IRS has proposed a \$182 million tax and a \$73 million gross valuation misstatement penalty. After-tax interest on the proposed tax and penalty through March 31, 2019 would be approximately \$86 million. We continue to disagree with the IRS's position that the transaction generated a taxable gain in 2009, the proposed penalty and the IRS's calculation of the gain. During the third quarter of 2016, we filed a petition in U.S. Tax Court to contest the IRS's determination. We continue to pursue resolution of this disputed tax matter with the IRS. If the gain on the Chicago Cubs Transactions is deemed to be taxable in 2009, we estimate that the federal and state income taxes would be approximately \$225 million before interest and penalties. Any tax, interest and penalty due will be offset by any tax payments made relating to this transaction subsequent to 2009.

As further described in Note 5 to our unaudited condensed consolidated financial statements for the three months ended March 31, 2019, on August 21, 2018, North Side Entertainment Holdings LLC (f/k/a Ricketts Acquisition LLC) ("NEH") provided a written notice (the "Call Notice") to us that NEH was exercising its right pursuant to the Amended and Restated Limited Liability Company Agreement of CEV LLC to purchase our 5% membership interest in CEV LLC. We sold our 5% ownership interest in CEV LLC on January 22, 2019 (the "2019 Cubs Sale") for pretax proceeds of \$107.5 million and recognized a gain of \$86 million before taxes (\$66 million after taxes) in the first quarter of 2019. As a result of the sale, the previously recorded deferred tax liability of \$69

million related to the future recognition of taxable income related to the Chicago Cubs Transactions became currently payable. Subsequent to the sale, we no longer own any portion of CEV LLC and maintain no deferred taxes or tax reserves related to the Chicago Cubs Transactions. As of March 31, 2019, we have paid or accrued approximately \$167 million of federal and state taxes on the deferred gain and the 2019 Cubs Sale through our regular tax reporting process. Concurrently with the sale, we ceased being a guarantor of all debt facilities held by New Cubs LLC. The sale of our ownership interest in CEV LLC has no impact on our dispute with the IRS.

Consolidated operating revenues increased 3%, or \$1.1 million, in the three months ended March 31, 2019 primarily due to an increase at Television and Entertainment driven by higher retransmission revenues. Consolidated operating profit decreased \$133 million to \$55 million in the three months ended March 31, 2019, from \$187 million in the three months ended March 31, 2018. The decrease was primarily driven by a decline at Television and Entertainment as operating profit in the first quarter of 2018 included a net pretax gain of \$133 million on the sales of spectrum.

Three Months Ended March 31, 2019 compared to the Three Months Ended March 31, 2018

Programming expense, which represented 26% of revenues for the three months ended March 31, 2019 compared to 23% for the three months ended March 31, 2018, increased 19%, or \$19 million, primarily due to increased network affiliate fees, partially offset by lower amortization of license fees. Network affiliate fees increased by \$26 million mainly due to the renewal of network affiliation agreements in eight markets with FOX during the third quarter of 2018. The decline in amortization of license fees of \$7 million was primarily driven by lower syndication costs.

Direct operating expenses, which represented 22% of revenues for the three months ended March 31, 2019 and 23% for the three months ended March 31, 2018, decreased 2%, or \$2 million, primarily due to a \$2 million decrease in other expenses driven by a decline in rent expense.

Selling, general and administrative ("SG&A") expenses, which represented 29% of revenues for the three months ended March 31, 2019 and 30% for the three months ended March 31, 2018, increased 1%, or \$1 million, primarily due to higher compensation expense, partially offset by lower other expense. Compensation expense increased 6%, or \$4 million, primarily due to increases in direct pay and benefits as well as severance expense. Other expenses decreased 6%, or \$3 million, largely due to the receipt of \$4 million of spectrum repack reimbursements in the first quarter of 2019.

Depreciation expense decreased 6%, or \$1 million, for the three months ended March 31, 2019. Amortization expense decreased 16%, or \$7 million, for the three months ended March 31, 2019 due to the absence of amortization expense for certain network affiliation agreement intangible assets that were fully amortized at December 31, 2018.

Gain on sales of spectrum of \$1.33 million for the three months ended March 31, 2018 relates to licenses sold in the FCC spectrum auction for which the spectrum of these television stations was surrendered in January 2018, as further described in Note 8 to our unaudited condensed consolidated financial statements for the three months ended March 31, 2019.

Three Months Ended March 31, 2019 compared to the Three Months Ended March 31, 2018

Television and Entertainment operating revenues increased 3%, or \$13 million, in the three months ended March 31, 2019 largely due to an increase in retransmission revenues, as further described below.

Television and Entertainment operating profit decreased 62%, or \$132 million, in the three months ended March 31, 2019 mainly due to the absence of the net pretax gain of \$133 million related to licenses sold in the FCC spectrum auction recorded in the first quarter of 2018, as described above, and a \$19 million increase in programming expense, partially offset by a \$13 million increase in revenue as well as a \$7 million decrease in amortization expense, as further described below

Operating Revenues-Television and Entertainment operating revenues, by classification, for the three months ended March 31, 2019 and March 31, 2018 were as follows (in thousands).

Three Months Ended March 31, 2019 compared to the Three Months Ended March 31, 2018

Advertising Revenues-Advertising revenues, net of agency commissions, were flat for the three months ended March 31, 2019 as a \$5 million decrease in political advertising revenue was offset by a \$3 million increase in core advertising revenue (comprised of local and national advertising, excluding political and digital) and a \$2 million increase in digital revenue. The increase in core advertising revenue was primarily due to an increase in revenues associated with airing the Super Bowl on six CBS-affiliated stations in 2019 compared to two NBC-affiliated stations in 2018, and advertising revenues in 2018 for non-NBC affiliated stations were negative in part impacted by the 2018 Winter Olympics. Political advertising revenues, which are a component of total advertising revenues, were approximately \$4 million for the three months ended March 31, 2019 compared to \$9 million for the three months ended March 31, 2018, as 2018 was an election year.

Retransmission Revenues-Retransmission revenues increased 12%, or \$15 million, in the three months ended March 31, 2019 primarily due to a \$21 million increase from higher rates included in retransmission consent renewals of our MVPD agreements, partially offset by a decrease in the number of subscribers.

Television and Entertainment operating expenses were up 63%, or \$145 million, in the three months ended March 31. 2019 compared to the prior year period largely due to the net pretax gain of \$133 million in the first quarter of 2018 related to licenses sold in the FCC spectrum auction, a \$19 million increase in programming expenses and a \$3 million increase in compensation expense, partially offset by a \$7 million decline in amortization expense and a \$4 million decline in other expense, as further described below

Compensation Expense-Compensation expense, which is included in both direct operating expenses and SG&A expense, increased 2%, or \$3 million, in the three months ended March 31. 2019 primarily due to increases in direct pay and benefits as well as severance expense

Programming Expense-Programming expense increased 19%, or \$19 million, in the three months ended March 31, 2019 The increase was primarily due to increased network affiliate fees, partially offset by lower amortization of license fees. Network affiliate fees increased by \$26 million mainly due to the renewal of network affiliation agreements in eight markets with FOX during the third quarter of 2018, along with other contractual increases The decline in amortization of license fees of \$7 million is primarily driven by lower syndicated programming costs

Depreciation and Amortization Expense-Depreciation expense was flat for the three months ended March 31, 2019 Amortization expense decreased 16%, or \$7 million, in the three months ended March 31. 2019 due to the absence of amortization expense for certain network affiliation agreement intangible assets that were fully amortized at December 31.2018.

Cash distributions from TV Food Network increased 33%, or \$38 million, in the three months ended March 31, 2019. The increase was due to stronger operating performance as well as timing as cash distributions in 2018 to cover our taxes on our share of partnership income were lower based on the reduction in rates from the Tax Cuts and Jobs Act enacted in late 2017.

INTEREST INCOME, INTEREST EXPENSE AND INCOME TAX EXPENSE

Interest income, interest expense and income tax expense were as follows (in thousands).

		Tint Months Ended		March 31, 21)19	March 31, 2018 Change

* Represents positive or negative change eqiitfl to, oi m closs of 100%

Interest Income-Increase in interest income of \$4 million in the three months ended March 31, 2019 was primarily due to higher interest rates and a higher average outstanding balance of cash and cash equivalents during the three months ended March 31, 2019 as compared to the prior year period.

Interest Expense-Interest expense for each of the three months ended March 31, 2019 and March 31, 2018 includes amortization of debt issuance costs of \$2 million.

Income Tax Expense-In the three months ended March 31, 2019, we recorded income tax expense of \$38 million. The effective tax rate on pretax income was 25.0% for the three months ended March 31, 2019. The rate differs from the U.S. federal statutory rate of 21% due to state income taxes (net of federal benefit), non-deductible executive compensation, certain transaction costs and other expenses not fully deductible for tax purposes, a \$2 million benefit related to stock-based compensation, a \$3 million benefit resulting from a change in our state tax rates, and a \$2 million charge related to the resolution of federal and state income tax matters and other adjustments.

In the three months ended March 31, 2018, we recorded income tax expense of \$57 million. The effective tax rate on pretax income was 28.7%. The rate differs from the U.S. federal statutory rate of 21% due to state income taxes (net of federal benefit), non-deductible executive compensation, certain transaction costs and other expenses not fully deductible for tax purposes, and a net \$2 million charge related primarily to the write-off of unrealized deferred tax assets related to stock-based compensation.

Although we believe our estimates and judgments are reasonable, the resolutions of our income tax matters are unpredictable and could result in income tax liabilities that are significantly higher or lower than that which has been provided by us.

LIQUIDITY AND CAPITAL RESOURCES

Cash flows generated from operating activities is our primary source of liquidity. We expect to fund capital expenditures, acquisitions, interest and principal payments on our indebtedness, income tax payments, potential payments related to our uncertain tax positions, dividend payments on our Common Stock (see "Cash Dividends" below) and related distributions to holders of Warrants and other operating requirements in the next twelve months through a combination of cash flows from operations, cash on our balance sheet, distributions from or sales of our investments, sales of real estate assets, available borrowings under our Revolving Credit Facility, and any refinancings thereof, additional debt financing, if any, and disposals of assets or operations if any. We intend to continue to maximize the monetization of our real estate portfolio to take advantage of robust market conditions although there can be no assurance that any such divestiture can be completed in a timely manner, on favorable

terms or at all. The Nexstar Merger Agreement for the proposed Nexstar Merger places certain limitations on our use of cash, including our application of cash to repurchase shares ' of our Common Stock, our ability to declare any dividends other than quarterly cash dividends of \$0.25 or less per share, our ability to make certain capital expenditures (except pursuant to our capital expenditures budget), and our ability to pursue significant business acquisitions.

For our long-term liquidity needs, in addition to these sources, we may rely upon the issuance of long-term debt, the issuance of equity or other instruments convertible into or exchangeable for equity, or the sale of non-core assets

Our financial and operating performance remains subject to prevailing economic and industry conditions and to financial, business and other factors, some of which are beyond our control and, despite our current liquidity position, no assurances can be made that cash flows from operations and investments, future borrowings under the Revolving Credit Facility, and any refinancings thereof, or dispositions of assets or operations will be sufficient to satisfy our future liquidity needs

Sources and Uses

The table below details the total operating, investing and financing activity cash flows for the three months ended March 31, 2019 and March 31, 2018 (in thousands).

Operating activities

Net cash provided by operating activities for the three months ended March 31, 2019 was \$158 million compared to \$157 million for the three months ended March 31, 2018. Cash provided by operating activities was essentially flat as unfavorable working capital changes and lower cash flows from operating results were offset by higher distributions from our equity investments. Distributions from our equity investments were \$153 million for the three months ended March 31, 2019 compared to \$115 million for the three months ended March 31, 2018.

Investing activities

Net cash provided by investing activities totaled \$97 million for the three months ended March 31, 2019. Our capital expenditures in the three months ended March 31, 2019 totaled \$13 million and included \$5 million related to the FCC spectrum repackaging project. In the three months ended March 31, 2019, we received net proceeds of \$107.5 million from the 2019 Cubs Sale and \$4 million of repack reimbursements from the FCC.

A majority of our remaining capital expenditures for the FCC spectrum repackaging are expected to occur in 2019. Through March 31, 2019, we have incurred \$32 million in capital expenditures for the spectrum repack, of which \$15 million has been reimbursed by the FCC. We expect that the reimbursements from the FCC's special fund will cover the majority of our capital costs and expenses related to the repack. However, we cannot currently predict the effect of the repack, whether the special fund will be sufficient to reimburse all of our expenses related to the repack, the timing of reimbursements or any spectrum-related FCC regulatory action.

Net cash used in investing activities totaled \$10 million for the three months ended March 31, 2018. Our capital expenditures in the three months ended March 31, 2018 totaled \$14 million and included \$3 million related to the

securities laws and regulations, including Rule 10b-18 of the Securities Exchange Act of 1934, as amended. The repurchase program may be suspended or discontinued at any time. We did not repurchase any shares of Common Stock during 2019 and did not make any share repurchases during the three months ended March 31, 2019 due to restrictions contained in the now terminated Sinclair Merger Agreement and the Nexstar Merger Agreement. As of March 31, 2019, the remaining authorized amount under the current authorization totaled approximately \$168 million.

Cash Dividends

The Board declared quarterly cash dividends on Common Stock to holders of record of Common Stock and Warrants as follows (in thousands, except per share data):

The declaration of any future dividends and the establishment of the per share amount, record dates and payment dates for any such future dividends are at the discretion of the Board and will depend upon various factors then existing, including our earnings, financial condition, results of operations, capital requirements, level of indebtedness, contractual restrictions with respect to payment of dividends (including the restricted payment covenant contained in the credit agreement governing the Secured Credit Facility and the indenture governing the Notes, as further described in Note 6 to our unaudited condensed consolidated financial statements for the three months ended March 31, 2019), restrictions imposed by applicable law, general business conditions and other factors that our Board may deem relevant. Under the Nexstar Merger Agreement, we may not pay dividends other than quarterly cash dividends of \$0.25 or less per share. In addition, pursuant to the terms of the Warrant Agreement, concurrently with any cash dividend made to holders of our Common Stock, holders of Warrants are entitled to receive a cash payment equal to the amount of the dividend paid per share of Common Stock for each Warrant held.

OIT-Balance Sheet Arrangements

As further described in Note 5 of our unaudited condensed consolidated financial statements for the three months ended March 31, 2019, we sold our 5% ownership interest in CEV LLC on January 22, 2019. Concurrently with the sale, we ceased being a guarantor of all debt facilities held by New Cubs LLC.

ITEM J. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Quantitative and Qualitative Disclosures About Market Risk

There have been no material changes from the quantitative and qualitative discussion about market risk previously disclosed in our audited consolidated financial statements for the year ended December 31, 2018.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures that are designed to ensure that information we are required to disclose in the reports we file or submit under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms such that information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosures.

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of the design and operation of our disclosure controls and procedures as defined in Rule 13a-15(e) under the Exchange Act. as of March 31, 2019. Based on management's evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of the date of their evaluation, the Company's disclosure controls and procedures were effective as of March 31, 2019.

Our management concluded that our consolidated financial statements in this report fairly present, in all material respects, the Company's financial position, results of operations and cash flows as of the dates, and for the periods presented, in conformity with generally accepted accounting principles ("GAAP").

Changes in Internal Control over Financial Reporting

There have been no changes in internal control over financial reporting that occurred during the quarter ended March 31, 2019 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM I. LEGAL PROCEEDINGS

We are subject to various legal proceedings and claims that have arisen in the ordinary course of business. The legal entities comprising our operations are defendants from time to time in actions for matters arising out of their business operations. In addition, the legal entities comprising our operations are involved from time to time as parties in various regulatory, environmental and other proceedings with governmental authorities and administrative agencies.

On December 31, 2012, the Debtors that had filed voluntary petitions for relief under Chapter 11 in the Bankruptcy Court on December 8, 2008 (or on October 12, 2009, in the case of Tribune CNLBC, LLC) emerged from Chapter 11. The Company and certain of the other legal entities included in our unaudited condensed consolidated financial statements for the three months ended March 31, 2019 were Debtors or, as a result of the restructuring transactions undertaken at the time of the Debtors' emergence, are successor legal entities to legal entities that were Debtors. The Bankruptcy Court has entered final decrees that have collectively closed 106 of the Debtors' Chapter 11 cases. The remaining Debtors' Chapter 11 cases have not yet been closed by the Bankruptcy Court, and certain claims asserted against the Debtors in the Chapter 11 cases remain unresolved. As a result, we expect to continue to incur certain expenses pertaining to the Chapter 11 proceedings in future periods, which may be material. See Note 10 to our audited consolidated financial statements for the year ended December 31, 2018 for further information.

As further described in Note 11 to our audited consolidated financial statements for the year ended December 31, 2018, on June 28, 2016, the IRS issued to us a Notice of Deficiency ("Notice") which presents the IRS's position that the gain on the Chicago Cubs Transactions (as defined and described in Note 6 to our audited consolidated financial statements for the year ended December 31, 2018) should have been included in our 2009 taxable income. Accordingly, the IRS has proposed a \$182 million tax and a \$73 million gross valuation misstatement penalty. After-tax interest on the proposed tax and penalty through March 31, 2019 would be approximately \$86 million. We continue to disagree with the IRS's position that the transaction generated a taxable gain in 2009, the proposed penalty and the IRS's calculation of the gain. During the third quarter of 2016, we filed a petition in U.S. Tax Court to contest the IRS's determination. We continue to pursue resolution of this disputed tax matter with the IRS. If the gain on the Chicago Cubs Transactions is deemed to be taxable in 2009, we estimate that the federal and state income taxes would be approximately \$225 million before interest and penalties. Any tax, interest and penalty due will be offset by any tax payments made relating to this transaction subsequent to 2009.

As further described in Note 5 to our unaudited condensed consolidated financial statements for the three months ended March 31, 2019, on August 21, 2018, NEH provided the Call Notice to us that NEH was exercising its right pursuant to the Amended and Restated Limited Liability Company Agreement of CEV LLC to purchase our 5% membership interest in CEV LLC. We sold our 5% ownership interest in CEV LLC on January 22, 2019 for pretax proceeds of \$107.5 million and recognized a gain of \$86 million before taxes (\$66 million after taxes) in the first quarter of 2019. As a result of the sale, the previously recorded deferred tax liability of \$69 million related to the future recognition of taxable income related to the Chicago Cubs Transactions became currently payable. Subsequent to the sale, we no longer own any portion of CEV LLC, and we maintain no deferred taxes or tax reserves related to the Chicago Cubs Transactions. As of March 31, 2019, we have paid or accrued approximately \$167 million of federal and state taxes on the deferred gain and the 2019 Cubs Sale through our regular tax reporting process. The sale of our ownership interest in CEV LLC has no impact on our dispute with the IRS.

Our liability for unrecognized tax benefits totaled \$22 million and \$21 million at March 31, 2019 and December 31, 2018, respectively.

Starting in July 2018, a series of plaintiffs filed putative class action lawsuits against us, Tribune Broadcasting Company, Sinclair, and other named and unnamed defendants (collectively, the "Defendants") alleging that the Defendants coordinated their pricing of television advertising, thereby harming a proposed class of all buyers of television advertising time from one or more of the Defendants since at least January 1, 2014. The plaintiff in each lawsuit seeks injunctive relief and money damages caused by the alleged antitrust violations. Currently, twenty-two lawsuits have been filed, and were consolidated in the Northern District of Illinois. Lead counsel for the plaintiffs was appointed on January 23, 2019. The plaintiffs then filed an amended, consolidated complaint on April 3, 2019. We believe the above lawsuits are without merit and intend to defend them vigorously.

On August 9, 2018, we filed the Complaint in the Chancery Court of the State of Delaware against Sinclair, alleging that Sinclair willfully and materially breached its obligations under the Sinclair Merger Agreement to use its reasonable best efforts to promptly obtain regulatory approval of the Sinclair Merger so as to enable the Sinclair Merger to close as soon as reasonably practicable. The lawsuit seeks damages for all losses incurred as a result of Sinclair's breach of contract under the Sinclair Merger Agreement. On August 29, 2018, Sinclair filed an answer to our Complaint and the Counterclaim. The Counterclaim alleges that we materially and willfully breached the Sinclair Merger Agreement by failing to use reasonable best efforts to obtain regulatory approval of the Sinclair Merger. On September 18, 2018, we filed an answer to the Counterclaim. We believe the Counterclaim is without merit and intend to defend it vigorously.

On September 10, 2018, The Arbitrage Event-Driven Fund filed a putative securities class action complaint (the "Securities Complaint") against us and members of our senior management in the United States District Court for the Northern District of Illinois. The Securities Complaint alleges that Tribune Media Company and its senior management violated Sections 10(b) and 20(a) of the Exchange Act by misrepresenting and omitting material facts concerning Sinclair's conduct during the Sinclair Merger approval process. On December 18, 2018, the Court appointed The Arbitrage Event-Driven Fund and related entities as Lead Plaintiffs. On January 31, 2019, Lead Plaintiffs and two other named plaintiffs filed an amended complaint (the "Amended Complaint"). The Amended Complaint eliminates the claim under Section 20(a) of the Exchange Act and adds a claim under Section 11 of the

Securities Act related to a November 29, 2017 public offering of our Class A Common Stock by Oaktree Tribune, L.P. ("Oaktree"). The Amended Complaint also names certain members of the Board of Directors of Tribune Media Company as defendants. The Amended Complaint also includes claims against Oaktree, Oaktree Capital Management, L.P. and Morgan Stanley & Co. LLC. The lawsuit is purportedly brought on behalf of purchasers of our Class A Common Stock between November 29, 2017 and July 16, 2018, contemporaneously with Oaktree's sales in the November 29, 2017 public offering or pursuant to or traceable to that offering. Plaintiffs seek damages in an amount to be determined at trial. On March 29, 2019, the Company and the individual Tribune Media Company defendants filed a motion to dismiss the Amended Complaint. The Court has set a deadline of May 10, 2019 for the Plaintiffs to file their opposition brief and June 7, 2019 for the Company and the individual Tribune Media Company defendants to file a reply. We believe this lawsuit is without merit and intend to defend it vigorously.

We do not believe that any other matters or proceedings presently pending will have a material adverse effect, individually or in the aggregate, on our consolidated financial position, results of operations or liquidity. However, legal matters and proceedings are inherently unpredictable and subject to significant uncertainties, some of which are beyond our control. As such, there can be no assurance that the final outcome of these matters and proceedings will not materially and adversely affect our consolidated financial position, results of operations or liquidity.

ITEM 1A. RISK FACTORS

We discuss in our filings with the SEC various risks that may materially affect our business. The materialization of any risks and uncertainties identified in forward-looking statements contained in this report together with those previously disclosed in our 2018 Annual Report and our other filings with the SEC or those that are presently unforeseen could result in significant adverse effects on our financial condition, results of operations and cash flows. See "Part I. Item 2 Management's Discussion and Analysis of Financial Condition and Results of Operations-Forward-looking Statements."

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS Recent Sales of Unregistered Securities

No Warrants were exercised for Class A Common Stock or for Class B Common Stock during the three months ended March 31, 2019. As further described in Note 11 to our unaudited condensed consolidated financial statements for the three months ended March 31, 2019, 30,551 Warrants remain outstanding as of March 31, 2019. The Warrants are exercisable at the holder's option into Class A Common Stock, Class B Common Stock, or a combination thereof, at an exercise price of \$0.001 per share or through "cashless exercise," whereby the number of shares to be issued to the holder is reduced, in lieu of a cash payment for the exercise price.

The issuance of shares of Class A Common Stock and Class B Common Stock upon exercise of the Warrants is exempt from the registration requirements of Section 5 of the Securities Act pursuant to Section 1145 of the Bankruptcy Code, which generally exempts distributions of securities in connection with plans of reorganization. The issuance of the Warrants does not involve underwriters, underwriting discounts or commissions.

Repurchases of Equity Securities

During the three months ended March 31, 2019, we did not make any share repurchases pursuant to the 2016 Stock Repurchase Program, as further described in "Management's Discussion and Analysis of Financial Condition and Results of Operations-Liquidity and Capital Resources-Repurchases of Equity Securities." As of March 31, 2019, the remaining authorized amount under the current authorization totaled \$ 168 million. The Nexstar Merger Agreement prohibits us from engaging in additional share repurchases.

ITEM 3. DEFAULTS UPON SENIOR SECURITIES
