The Bring Chicago Home Ordinance

WHEREAS, an estimate using data from the City of Chicago Homeless Management Information System along with data from the U.S. Census Bureau's American Communities Survey demonstrates that there are approximately 86,324 individuals experiencing homelessness in Chicago; and

WHEREAS, cities around the country such as Los Angeles, New York, San Francisco, and Washington D.C. have recognized that homelessness cannot be solved without dedicating local resources and have dramatically increased their city budgets to dedicate funding for solving homelessness; and

WHEREAS, Chicago families accessing the shelter system overwhelmingly have income below the Federal Poverty Level. The majority are single-adult households headed by a female. Four out of 10 families in shelter self-report a disability, and one in five self-report a mental health problem; and

WHEREAS, providing permanent solutions to homelessness in the City is a matter of racial justice, as the majority of individuals experiencing housing instability are people of color; and

WHEREAS, there is a shortage of affordable housing in the City for low-income households as over 50 percent of all Chicagoans are rent-burdened and 27.9 percent are extremely rent-burdened; and

WHEREAS, in Chicago, the Fair Market Rent (FMR) for a two-bedroom apartment is \$ 1,180. In order to afford this level of rent and utilities - without paying more than 30% of income on housing - a person earning minimum wage must

work 110 hours a week; and

WHEREAS, an increasing proportion of the city's households live in overcrowded or substandard housing; and

WHEREAS, approximately 17,894 students in Chicago experienced homelessness in 2018: and

WHEREAS, chronically homeless people have an increased risk of poor outcomes from persistent disease, and they live up to 15 years less than the average American; and

WHEREAS, increasing numbers of Chicago's children are experiencing housing instability and homelessness negatively impacts children educationally, emotionally and physically and imposes increasing burdens on the Chicago Public Schools; therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

The tax shall be at the rate of \$3.75 per \$500.00 of the transfer price, or fraction thereof, of the real property or the beneficial interest in real property.

B. (I) The tax imposed by this chapter is due upon the earlier of the delivery or recording of the deed, assignment or other instrument of transfer.

(2) In the case of an assignment of a beneficial interest in a trust, delivery shall be deemed to occur when the trustee receives possession of a valid assignment of the beneficial interest. In the case of other transfers, delivery shall be deemed to occur when the transferee, or the transferee's representative or agent, receives or becomes entitled to receive possession of the instrument of transfer.

C. Except as otherwise provided in subsection (F) and §GJ of this section, the primary incidence of the tax and the obligation to pay the tax are on the purchaser, grantee, assignee or other transferee; provided, however, that if the transferee is exempt from the tax solely by operation of state law, then the incidence of the tax and obligation to pay the tax shall be upon the transferor.

D. The tax imposed by this chapter shall be due whether the transfer of a controlling interest in a real estate entity is effected by one transaction or by a series of related transactions. For purposes of this subsection, it shall be presumed unless proved otherwise that transactions are related if they occur within the same 24-month period.

E. Nothing in this chapter shall be construed to impose a tax upon any transaction or privilege which, under the constitutions of the United States or the State of Illinois, may not be made the subject of taxation by the city.

This supplemental tax shall be referred to as the "C.T.A. portion" of the Chicago Real Property Transfer Tax, and the tax imposed pursuant to subsection A of this section shall be referred to as the "City portion". The C.T.A. portion shall be paid by the transferor: provided that if the transferor is exempt from the tax solely by operation of state or federal law, then the incidence of the C.T.A. portion of the tax and obligation to pay the C.T.A. portion of the tax shall be upon the purchaser, grantee, assignee or other transferee; and provided further that it shall be unlawful for the transferee to accept a deed or other instrument of transfer if the C.T.A. portion of the tax is owed and has not been paid. Except as otherwise provided herein, all terms of this chapter and any rules and regulations issued by the Department shall apply to the C.T.A. portion of the tax in the same manner as they apply to the City portion. All amounts of the C.T.A. portion collected, after fees for costs of collection, shall be provided to the C.T.A., as promptly as practicable upon their receipt, as provided in the intergovernmental agreement. The Department shall file a report with the Illinois Department of Revenue each month certifying the amount paid to the C.T.A. in the previous month from the proceeds of the supplemental tax.

This supplemental portion shall be referred to as the "Housing Portion" of the Chicago Real Property Transfer Tax. The Housing Portion shall be paid by the transferee; provided, however, that if the transferee is exempt from the tax solely by operation of state or federal law, then the incidence of the Housing Portion of the tax and obligation to pay the Housing Portion of the tax shall be upon the transferor; and provided further that it shall be unlawful for the transferee to accept a deed or other instrument of transfer if the Homeless Portion of the tax is owed and has not been paid. Except as otherwise provided herein, all terms of this chapter and any rules issued by

the Department shall apply to the Homeless Portion of the tax in the same manner as they apply to the City portion.

H. (1) No less than 70% of funding generated from the Housing Portion in a year shall be designated to a special fund in the treasury called the Homeless Transfer Tax Fund. The remainder of the funding shall be appropriated to a special fund in the treasury called the Affordable Housing Transfer Tax Fund.

(2) All moneys in the Homeless Transfer Tax Fund shall be subject to continuing appropriation, under which said moneys shall, on an annual basis, be made available to the Department of Family and Support Services and the Department of Housing in proportions described in subsection (5) of this section.

- l) Staffing to accomplish the above uses.

4) The Homeless Transfer Tax funds shall not be spent on emergency shelter or interim housing beds or services. The funds also may not be spent on any actions that forcibly displace homeless persons from outdoor locations.

All members of the Task Force with the exception of Commissioners shall be confirmed by the City Council and shall serve for three- year terms. distribution and use of the funds. Meetings of the Task Force shall comply with the Illinois Open Meetings Act. Final distribution and administration of the funds shall be done in compliance with City procurement policy.

(6) Homeless persons residing in any of the living situations described in 42 U.S.C. 11434a(2) shall not be made a lower priority for housing or services paid for by the Homeless Transfer Tax funds simply because of the nature of their living situation.

(7) The Homeless Transfer Tax funds shall not be used to supplant other city, state, or federal funding already committed to addressing homelessness.

(8) All moneys in the Affordable Housing Transfer Tax Fund shall be subject to continuing appropriation, under which said moneys shall, on an annual basis, be made available to the Department of Housing and shall be used for affordable housing for households earning up to 60% of Area Median Income. The Commissioner of the Department of Housing shall report quarterly to the Housing Committee of the City Council on the distribution and use of the funds.
