2) Pedestrians entering or within a shared street shall have the right-of-way over vehicles, bicycles or other traffic. The operator of a vehicle shall stop and yield the right-of-way to a pedestrian within a shared street when the pedestrian is upon the half of the roadway upon which the vehicle is traveling or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

3) The operator of a vehicle or bicyclist approaching an intersection within a shared street shall yield the right-of-way to a vehicle or bicycle which has entered the intersection from a different roadway.
