DEVELOPMENT STATEMENTS

1. The area delineated herein as Institutional Planned Development Number _____ ("Planned Development") consists of approximately 268,180 net square feet (6.157 acres) of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, Academy for Global Citizenship.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans (defined below).

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

All work proposed in the public way must be designed and constructed in accordance with CDOT Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by CDOT.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the City's Department of Transportation's Division of Infrastructure Management and

the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by

CDOT's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys
- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway & landscaping

The Perimeter Restoration Agreement must be executed prior to any CDOT and Planned Development Part II review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the CDOT Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the CDOT Rules and Regulations for Construction in the Public Way as well as The Street and Site Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by CDOT.

Pursuant to the traffic study for this Planned Development, approved by the Department of Transportation, the following requirements and improvements shall be implemented at the Applicant's expense, prior to Part II permit approval:

- Upgrade the existing traffic signals at W. 43rd Street and S. Cicero Avenue to include ATC controller, pedestrian countdowns, left turn arrows, LED signal heads, and any other modifications required to enable the preceding upgrades.
- Review and approval by CDOT's Plan Review Committee of final pavement marking and signage plan. Signage plans must include sign code, assembly, images of signs, and any changes impacting parking restrictions, loading/standing zones, or any modifications to existing conditions within the public way that require ordinance introduction.
- The Applicant will be responsible for installing all proposed pavement marking and signage changes as approved by CDOT on the pavement marking and signage plan.
- Reconstruction of all corners at the intersection of S. Laporte Ave and W. 44th St. to include CDOT-standard ADA ramps and continental high-visibility crosswalks.
- Review and final approval by CDOT's Plan Review Committee for the reconfiguration of the eastbound and westbound approaches at 43rd and Cicero to provide one inbound lane and 2 outbound lanes (1 left turn and 1 through/right). A pavement marking and signage plan for the intersection of 43rd and Cicero is required and must be approved

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. All phases of the project will satisfy the requirements of the current Sustainable Development Policy. Aspects of the proposed Planned Development that bring it into compliance with the Sustainable Development Policy include the following:

The school building will attain Living Building Challenge Certification which earns 100 points under the current Sustainable Development Policy. The Institute building will also earn 100 points as follows: Passive House certification for 70 points, Energy Star and Exceeding Energy Code (40%) and Onsite Renewable Energy (5%).

16. The Applicant acknowledges that the proposed school is in an area with a history of economic and environmental injustice. The surrounding area is identified by the Department of Planning and Development as a food desert. As such, it is in the best interest of the students and teachers to provide daily high quality, nutrient-dense breakfast, lunch and snack. With a total of 620 students, the Applicant will provide 372,000 meals annually. The Applicant plans to house up to approximately 30 chickens and 10 goats as part of the agricultural integration into the school meal planning and curriculum. The Zoning Administrator, through a minor change, may allow for the number of chickens to increase as allowed by the Municipal Code.

17. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for the participation of Certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The City encourages goals of (i) 26% MBE and 6% WBE (measured against the total construction budget or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any other phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the

Applicant Outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to the issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the pre-existing C2-1 Neighborhood Commercial District.

DEPARTMENT OF PLANNING AND DEVELOPMENT CITY OF CHICAGO

MEMORANDUM

To: Alderman Thomas Tunney
Chairman, City Council Committee on Zoning

From: ^{-^^fC}-Maurice D. Cox Chicago Plan
Commission

Date: July 16, 2020

Re: Proposed Institutional Planned Development for the subject property generally located at 4930-5004 W. 44th St.

On July 16, 2020, the Chicago Plan Commission recommended approval of the proposed planned development submitted by, Academy for Global Citizenship (An Illinois not-for-profit corporation). A copy of the proposed planned development is attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning and Land Use recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact me at 744-9476.
