

licensed to conduct affairs in the State of Illinois and located within a residential parking permit zone, or on either side of that portion of a business or commercial street that is immediately adjacent to that residential parking permit zone, shall qualify to purchase not more than 30 residential parking daily permits for each of up to five of its employees per month to park in such zone. The City Clerk shall sell residential parking daily permits to a not-for-profit organization after confirming that: (i) the organization is duly licensed in Illinois and is eligible based on its location, (ii) if the organization has vehicles, unless exempted under Section 3-56-140 of this Code, the organization has already purchased a wheel tax license emblem, and (iii) parking congestion in the immediate area warrants issuance of permits under this subsection. Such confirmation may be contained in a letter from the alderman of the ward in which the organization is located. Absent such a letter, the City Clerk shall seek confirmation from that alderman that elements (i), (ii) and (iii) are present before issuing permits under this subsection. The fee for such residential parking daily permits shall be as specified in Section 9-68-020(b)(5) of this Code. Any residential parking daily permit issued pursuant to this subsection shall only be used by employees of the not-for-profit organization in the course of their employment.

The City Clerk is authorized to adopt such rules as she may deem appropriate for the proper administration and enforcement of this subsection.

This subsection shall apply only with regard to the following residential parking permit zones: 142, 143, and 383.

This pilot program shall expire on December 31, 2020.
