### Project Narrative and Plans - Type 1 Zoning Amendment

L3 932 W Randolph LLC is the property owner of 923-940 West Randolph Street and 150-1 "34 N. The existing building is a non-contributing building in a Landmark District. The proposed project will renovate the existing brick building and add an addition to create a three story brick, glass, and steel building on the subject property. The proposed building will be approximately 32,329 square feet with approximately 9,954 square feet of retail space, approximately 19,413 square feet of office space, and approximately 2,962 square feet of common space. The property owners are currently in discussions with national tenants that are interested in the building. These tenants would enhance the neighborhoods, the block and the historic district.
