(e) Except as otherwise provided herein, no person above the age of 38 may receive initial appointment as a probationary career service firefighter or firefighter/EMT with the fire department and no person above the age of 40 may receive initial appointment as a probationary career service police officer with the police department. Provided, however, that these age restrictions shall not apply to initial appointment as a probationary career service police officer or firefighter or firefighter/EMT from employment lists in existence on the date of passage of this ordinance; nor shall these age restrictions apply to any qualified veteran. Nothing herein shall prohibit the rehiring of any person formerly employed by the police department as a police officer or fire department as a firefighter or firefighter/EMT, subject to the requirements of rules promulgated by the commissioner of human resources.

As used in this subsection (e), the term "qualified veteran(s)" means any person who, within forty-eight months of the date of application for employment, or offer of employment, as a career service firefighter or firefighter/EMT with the fire department or as a career service police officer with the police department, served on active duty in the armed forces of the United States, the Illinois National Guard, or any reserve component of the armed forces of the United States for a cumulative period of at least 180 calendar days; and (2) received an honorable or general discharge; and (3) submits
