WHEREAS, the City of Chicago (the "City") is a home rule unit of government by virtue of the provisions of Article VII, Section 6(a) of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, pursuant to an ordinance adopted by the City Council of the City (the "City Council") on February 5, 1998, and published at pages 60917 through 61070, in the Journal of the Proceedings of the City Council (the "Journal") of such date: (i) a certain redevelopment plan and project ("Original Plan") for the Roosevelt-Cicero Industrial Corridor Tax Increment Financing Redevelopment Project Area ("Area") was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1 et seq.) (the "Act"); (ii) the Area was designated as a redevelopment project area pursuant to the Act; and (iii) tax increment financing was adopted pursuant to the Act as a means of financing certain Area redevelopment project costs (as defined in the Act) incurred pursuant to the Original Plan; and

WHEREAS, the Original Plan and the use of tax increment financing provide a mechanism to support new growth through leveraging private investment, and helping to finance land acquisition, demolition, remediation, site preparation and infrastructure for new development in the Area; and

WHEREAS, the City Council, pursuant to an ordinance adopted on November 1, 2016, and published at pages 35175 through 35321 in the Journal of such date, authorized an amendment to the Original Plan (the Original Plan, as amended, the "Plan"); and

WHEREAS, the City is the owner of a vacant parcel of real property commonly known as 1319 S. Kilbourn Avenue and legally described on Exhibit A attached hereto (the "Property"); and

WHEREAS, the Property is located in the Area; and

WHEREAS, a Phase I Environmental Site Assessment conducted in compliance with ASTM E1527-13 identified Recognized Environmental Conditions ("RECs") on the Property; and

WHEREAS, a Comprehensive Site Investigation Report, Remediation Objectives Report, and Remedial Action Plan (the "CSIR/ROR/RAP") was subsequently performed on the Property to ascertain the presence of any environmental impacts that may be associated with the RECs; and

WHEREAS, the CSIR/ROR/RAP identified environmental contamination on the Property above institutional/commercial remediation objectives as determined by Title 35 of

the Illinois Administrative Code Part 742; and

WHEREAS, United Scaffolding, Inc., an Illinois corporation (the "Grantee"), whose business offices are located at 1310 N. Cicero Avenue, Chicago, Illinois 60651, submitted a proposal to purchase the Property from the City in the amount of Three Hundred Twenty-Five Thousand and No/100 Dollars (\$325,000) (the "Purchase Price"), such Purchase Price being the appraised fair market value of the Property as of September 5, 2019; and

WHEREAS, the Grantee intends to develop the Property with a two-story office building totaling 2,400 square feet, a single-story warehouse totaling 10,350 square feet, open outdoor storage, canopy-outdoor storage and a parking lot (the "Project"); and

WHEREAS, the Project is consistent with the Plan; and

WHEREAS, due to the Property's environmental contamination, the Grantee has enrolled the Property in the Illinois Environmental Protection Agency's Site Remediation Program in order to remediate the environmental condition of the Property and obtain a Final Comprehensive Institutional/Commercial No Further Remediation Letter; and

WHEREAS, by Resolution No. 20-CDC-4 adopted on July 14, 2020, the Community Development Commission approved the sale of the Property for the Purchase Price and authorized the Department of Planning and Development (the "Department") to advertise its intention to enter into a negotiated sale with the Grantee for the disposition of the Property and to request alternative proposals; and

WHEREAS, public notices advertising the proposed sale of the Property and requesting alternative proposals appeared in the Chicago Sun-Times, a newspaper of general circulation, on July 18, July 24 and August 5, 2020; and

WHEREAS, no alternative proposals were received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution No. 20-010-21 adopted on August 20, 2020, by the Plan Commission of the City (the "Commission"), the Commission recommended the sale of the Property; and

WHEREAS, the appraised fair market value of the Property as of August 26, 2020, was Three Hundred Twenty-Four Thousand and No/100 Dollars (\$324,000); and

WHEREAS, on August 27, 2020, the Grantee confirmed in writing that it still wishes to purchase the Property for the Purchase Price (i.e., \$1,000 more than the Property's appraised fair market value as of August 26, 2020); now, therefore,

EXHIBIT B
FORM DEED

QUITCLAIM DEED (Vacant Land)

(The Above Space for Recorder's Use Only)

THIS TRANSFER IS EXEMPT UNDER THE PROVISIONS OF THE ILLINOIS REAL ESTATE TRANSFER TAX ACT, 35 ILCS 200/3 I-45(b); COOK COUNTY ORDINANCE NO. 93-0-27(B); AND THE CHICAGO REAL PROPERTY TRANSFER TAX, MUNICIPAL CODE SECTION 3-33-060(8).

GRANTOR, CITY OF CHICAGO, an Illinois municipal corporation and home rule unit of government (the "Grantor" or "City"), for the consideration of Three Hundred Twenty-Five Thousand and No/Dollars (\$325,000) conveys and quitclaims all interest in the real property legally described and identified on Exhibit A attached hereto ("Property"), pursuant to Ordinance adopted by the City Council of the City ("City Council") on _____, and published in the Journal of Proceedings of the City Council ("Journal") for such date at pages _____ through _____, to United Scaffolding, Inc., an Illinois corporation ("Grantee"), with a business address of 1310 N. Cicero Avenue, Chicago, Illinois 60651.

Without limiting the quitclaim nature of this deed, this conveyance is subject to: (a) the standard exceptions in an ALTA title insurance policy; (b) general real estate taxes and any special assessments or other taxes; (c) all easements, encroachments, covenants and restrictions of record and not shown of record; (d) such other title defects that may exist; and (e) any and all exceptions caused by the acts of Grantee or its agents. In addition, this conveyance is expressly subject to the following conditions and covenants which are a part of the consideration for the Property and which are to be taken and construed as running with the land and binding on Grantee and Grantee's successors and assigns:

FIRST: That certain Comprehensive Site Investigation Report, Remediation Objectives Report, and Remedial Action Plan dated December 2017 (the

6

"CSIR/ROR/RAP") identified contamination above institutional/commercial remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Grantee has therefore enrolled the Property in the Illinois Environmental Protection Agency's Site Remediation Program.

The Grantee acknowledges and agrees that it may not commence construction on the Property until the Illinois Environmental Protection Agency issues a Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

For the purposes of this and all subsequent covenants in this deed, the following definitions shall be employed:

"Environmental Documents" means all environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Grantee (or otherwise obtained by the Grantee) regarding the environmental condition of the Property or any portion thereof, including, without limitation any SRP Documents (as defined below).

"Environmental Laws" means all Laws (as defined below) relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq. ("CERCLA"), the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

"Hazardous Substances" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any

7

radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"Laws" means any and all applicable federal, state, county, municipal or other laws (including common law), statutes, codes, ordinances, rules, regulations, executive orders or other requirements, now or hereafter in effect, as amended or supplemented from time to time, and any applicable judicial or administrative interpretation thereof, including any applicable judicial or

administrative orders, consent decrees or judgments.

"Losses" means any and all debts, liens (including, without limitation, lien removal and bonding costs), claims, actions, suits, demands, complaints, legal or administrative proceedings, losses, damages, obligations, liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, interest, fines, penalties, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, reasonable attorneys' fees and expenses, consultants' fees and expenses, costs of investigation, and court costs).

"Remediation Work" means all investigation, sampling, monitoring, testing, removal, response, disposal, storage, remediation, treatment and other activities necessary to obtain a Final No Further Remediation Letter for the Property in accordance with the terms and conditions of the Remedial Action Plan Approval Letter for the Property issued by the Illinois Environmental Protection Agency ("IEPA"), the SRP Documents (as defined below), all requirements of the IEPA and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"SRP Documents" means all documents submitted to the IEPA under the Site Remediation Plan ("SRP"), as amended or supplemented from time to time, including, without limitation, the CSIR/ROR/RAP, the Remedial Action Completion Report and any and all related correspondence, data and other information prepared by either the City or Grantee pursuant to the Property's environmental conditions.

Upon receipt of the RAP Approval Letter for the Property, the Grantee covenants and agrees to complete all Remediation Work to obtain a Final Comprehensive Institutional/Commercial No Further Remediation Letter ("Final NFR Letter") for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time,

8

including, without limitation, the SRP Documents and any changes thereto, and the Grantee's estimate of the cost to perform the Remediation Work. The Grantee shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property or any portion thereof. The Grantee shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Grantee acknowledges and agrees that the City will not permit occupancy of the Property until the IEPA has issued, the City has approved (which approval shall not be unreasonably withheld) and the Grantee has recorded with the Cook County Recorder of Deeds the Final NFR Letter for the Property.

The Grantee covenants and agrees that it shall abide by the terms and conditions of the Final NFR Letter.

SECOND: The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the property or the suitability of the Property for any purpose whatsoever. The Grantee acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental conditions and risks of the Property and accepts the risk that any inspection may not disclose all material matters affecting the Property. The Grantee hereby accepts the Property

in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition, with all faults and defects, latent or otherwise, and the City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to the Grantee, with respect to the structural, physical or environmental condition of the value of the Property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. The Grantee acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Grantee agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the Property (or any portion thereof) in a condition which is suitable for its intended use

Grantee acknowledges and agrees that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property (or any portion thereof) made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income

9

potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

THIRD: The Grantee, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Grantee Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of this deed, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the date of this deed. Furthermore, the Grantee shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Grantee Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately

preceding sentence for the City's gross negligence or willful misconduct following the date of this deed. The Grantee Parties waive their rights of contribution and subrogation against the Indemnified Parties.

This covenant of release numbered THIRD shall run with the Property, and shall be binding upon all successors and assigns of the Grantee with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Grantee following the date of this deed. The Grantee acknowledges and agrees

10

that the foregoing covenant of release constitutes a material inducement to the City to convey the Property, and that, but for such release, the City would not have agreed to convey the Property to the Grantee. It is expressly agreed and understood by and between the Grantee and the City that, should any future obligation of the Grantee or Grantee Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Grantee and any of the Grantee Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because this covenant numbered THIRD contains a full, complete and final release of all such claims, except as provided in such covenant for the City's gross negligence or willful misconduct following the date of this deed.

FOURTH: The Grantee shall remove any soil or soil gas not meeting the requirements of 35 IAC Section 742.305. Any underground storage tanks ("USTs") identified shall be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

FIFTH: Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

SIXTH: The Property is located in the Roosevelt-Cicero Industrial Corridor Tax Increment Financing Redevelopment Project Area ("Area"), as created by ordinances adopted by the City Council on February 5, 1998. Grantee is obligated to use the Property only for uses permitted under the redevelopment plan for the Area, as amended, until such redevelopment plan expires. Grantee's acceptance of this deed shall be deemed to be Grantee's agreement to comply with such use restrictions.

SEVENTH: Grantee acknowledges that if Grantee (or its successors or assigns) develops the Property with a "residential housing project," as that term is defined in Section 2-44-080 of the Municipal Code of Chicago (the "Affordable Requirements Ordinance"), Grantee (or its successors or assigns) shall be obligated to comply with the Affordable Requirements Ordinance.
