Movement, Container Storage, Freight Terminal, Outdoor Storage of Raw Material as a Principal Use, Coke & Coal Bulk Material Uses, Windrow Composting and Manganese-bearing Material Operation Uses. All such newly-established uses or existing uses that change or increase their area, bulk or function are subject to the following site plan review criteria, in addition to the requirements of Section 17-13-0800:

17-9-0117-G.1 The site plan review application must include a traffic study and an air quality impact evaluation, and the Commissioner of the Chicago Department of Transportation must review each traffic study and the Commissioner of the Chicago Department of Public Health must review each air impact evaluation, and the Commissioners shall provide an opportunity for public review and comment on each traffic study and air impact evaluation, and forward their joint written recommendation on the proposal to the Zoning Administrator before a zoning certification may be issued.

17-9-0117-G.2 All such uses are subject to compliance with the applicable landscape regulations of Chapter 17-11, expressly including the vehicular use area and screening standards.

17-9-0117-G.3 All lighting must be directed downward and shielded to prevent illumination of adjoining properties.

17-9-0117-G.4 Before filing an application for site plan review, but after submitting for City review the traffic study and air impact evaluation required under Section 17-9-0117-G.1, the applicant must hold at least one community meeting in the ward in which the use is proposed to be located for the purpose of explaining the proposal, including the traffic study and air impact evaluation, and soliciting comments on it. Such community meeting must be held no later than two weeks prior to the date of filing the application; notice for such community meeting must be issued, pursuant to this Section, no later than two weeks prior to such community meeting. The Zoning Administrator is authorized to review and approve the day, time, location and format of the community meeting to promote public access. The applicant must notify the Zoning Administrator and the Alderman of the ward in which the use is proposed to be located in writing of the time, place and purpose of the community meeting. The applicant must publish notice of the community meeting in a newspaper of general circulation within the ward and the applicant must send written notice by USPS first class mail to the property owner of the subject property and to all property owners within 250 feet of the property lines of the subject property. Such applicant shall furnish a complete list of the names and last known addresses of the persons provided with such written notice as well as a written affidavit certifying compliance with such written notice to the Zoning Administrator in a form prescribed by the Commissioner of the Department of Planning and Development on or before the date of filing of an application for site plan review.

17-9-0117-G.5 All such uses are subject to compliance with the Department of Planning and Development's sustainable development policy.
