Re: Proposed Planned Development (2400 N. Meade Ave. & 6100 W. Fullerton Ave.)

On February 18, 2021, the Chicago Plan Commission recommended approval of a proposed Planned Development, submitted by the Public Buildings Commission. The Applicant is proposing to rezone the project site from POS-1 (Regional or Community Parks District) to RS-3 (Residential Single-Unit/Detached House Districts) then to an Institutional Planned Development. The applicant proposes to construct a 3-story public school building and gymnasium facility, with an overall maximum height of 50'-0" on a 141,122 square foot lot. The existing Riis Park fieldhouse's main building generally located at 6100 W. Fullerton will remain with the exception of the 1-story rear gym wing. The overall maximum FAR of the planned development will be .90 FAR and 43 accessory parking spaces will be provided. A copy of the proposed ordinance, planned development statements and bulk table are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of the resolution.
