# PROJECT NARRATIVE AND PLANS AMENDED TO BE A TYPE-1 ZONING MAP AMENDMENT

## 3054-58 North Kostner Avenue

Rezoning from RS-3 Residential Single-Unit (Detached House) District to RM-4.5 Residential Multi-Unit District

The purpose of the rezoning is to meet the bulk and density requirements of the code to allow for the sub-division of the existing one improved zoning lot into two zoning lots. The zoning change will bring the non-conforming 6 dwelling unit residential building into compliance, the rear detached private 2 car garage at the rear of the property on the adjacent vacant yard will remain unchanged. On Lot 2, the adjacent yard containing the rear garage will allow the construction of a 2 story 2 dwelling unit residential building. The proposed building will have 2 dwelling units and zoning relief will be sought to reduce parking requirements to 0. The height of the existing building will remain unchanged and the height of the proposed residential building will be 38 feet. There will be no commercial space.
