17-9-0117.6 Warehousing, Wholesaling and Freight Movement

17-9-0117.6.-A Buildings on the site of all warehousing, wholesaling and freight movement related uses must be designed and constructed in accordance with the requirements of the Chicago Sustainable Development Policy as published by the Department of Planning and Development.

17-9-0117.6.-B Site Plan Review. Warehousing, wholesaling and freight movement uses are subject to the Site Plan Review procedures of Sec. 17-13-0800.

17-9-0117.6-C Standards and Guidelines. The site plan and elevations for a proposed warehousing, wholesaling, and freight movement use should demonstrate the proposed building's compatibility with the existing pattern of development in the neighborhood in which it is to be located. This compatibility must be judged in terms of: building orientation: scale: building materials; access, circulation and parking; service facilities; utility/mechanical equipment, outdoor storage, buffers and screens; landscaping; signs and lighting.

Each applicant requesting a permit for a warehousing, wholesaling, and freight movement related use must submit with the building permit application a scaled site plan and a scaled elevation view and other supporting drawings, calculations and other documentation, signed and sealed by appropriate licensed professionals, showing:

- a. the location and dimension of all improvements;
- b. information concerning topography;
- c. drives, parking, fencing, landscaping, and adjacent uses; and
- d. any other information deemed by the Zoning Administrator to be

necessary to assess compliance with this Zoning Ordinance.

17-9-0117.6-C Storage areas and work areas on the site of all warehousing, wholesaling and freight movement uses must be conducted within fully enclosed buildings or structures of non-combustible material.
