BUSINESS PLANNED DEVELOPMENT STATEMENTCV.^^

1. The area delineated herein as Business Planned Development Number _____, ("Planned Development") consists of approximately 85,054.10 square feet of property which is depicted on the attached Planned Development Boundary, Property Line and Sub-Area Map ("Property") and is owned or controlled by the Applicant, LG Development Group, LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or

designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

The following improvements shall be installed prior to issuance of a Certificate of Occupancy:

- Lake Street and Racine Avenue - install a traffic signal. Countdown pedestrian signals and high-visibility crosswalks also to be provided at this intersection.
- Lake Street and May Street - install high-visibility crosswalks on all legs to improve pedestrian safety.

Pursuant to a negotiated and executed Perimeter Restoration Agreement ("Agreement") by and between the Department of Transportation's Division of Infrastructure Management and the Applicant, the Applicant shall provide improvements and restoration of all public way adjacent to the property, which may include, but not be limited to, the following as shall be reviewed and determined by the Department of Transportation's Division of Infrastructure Management:

- Full width of streets
- Full width of alleys

Applicant: LG Development Group, LLC
Address: 1 132-57 West Lake Street/146-208 North May Street (even only)/1 132-40 West Randolph Street (even only)/160-209 North Racine Avenue (odd only) Introduction Date: April 21, 2021 I Plan Commission Date: June 17, 2021

- Curb and gutter
- Pavement markings
- Sidewalks
- ADA crosswalk ramps
- Parkway & landscaping

The Perimeter Restoration Agreement must be executed prior to any Department of Transportation and Planned Development Part II review permitting. The Agreement shall reflect that all work must comply with current Rules and Regulations and must be designed and constructed in accordance with the Department of Transportation's Construction Standards for work in the Public Way and in compliance with the Municipal Code of Chicago Chapter 10-20. Design of said improvements should follow the Department of Transportation's Rules and Regulations for Construction in the Public Way . as well as The Street and Site

Plan Design Guidelines. Any variation in scope or design of public way improvements and restoration must be approved by the Department of Transportation.

All exterior pedestrian connections throughout the site will remain open to the public and accessible during the typical Chicago Park District hours of operation, which are currently from 6am to 11pm daily.

All exterior vehicular, public right-of-ways on the site, which are designated for vehicular travel, will remain open to the public at all times. A 6 foot easement will be provided adjacent to, and immediately north of, the 10 foot alley to be dedicated by Applicant, in order to expand public access to this right-of-way.

4. This Plan of Development consists of seventeen (17) Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary, Property Line and Sub-Area Map; an overall Site Plan; Sub-Area A and B Landscape Plans; Sub-Area A and B Ground Floor Plans; Sub-Area A and B Roof Plans; Building Elevations; and Facade Axons, all submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Business Planned Development:

Sub-Area A: Cultural Exhibits and Libraries; Day Care; Lodge or Private Club; Animal Services; Artist Work or Sales Space; Business Equipment Sales and Service; Business Support Services (except as more specifically regulated); Urban Farm, Rooftop Operation; Communication Service Establishments; Eating and Drinking Establishments (all and including at-grade and above-grade outdoor patio and liquor sales); Entertainment and Spectator Sports (excluding Inter-Track Wagering Facility); Indoor Special Event including incidental liquor sales; Financial Services (excluding payday loan stores, pawn shops and drive-thru facilities); Food and Beverage Retail Sales (including

incidental liquor sales); Hotel/Motel; Medical Service; Office; Personal Service; Repair or Laundry Service, Consumer; Retail Sales; Participant Sports and Recreation; Artisan Manufacturing, Production and Industrial Services; Co-located Wireless Communications Facilities; Residential units; accessory parking and accessory uses.

Sub-Area B: Cultural Exhibits and Libraries; Day Care; Lodge or Private Club; Animal Services; Artist Work or Sales Space; Business Equipment Sales and Service; Business Support Services (except as more specifically regulated); Urban Farm, Rooftop Operation; Communication Service Establishments; Eating and Drinking Establishments (all and including at-grade and above-grade outdoor patio and liquor sales); Entertainment and Spectator Sports (excluding Inter-Track Wagering Facility); Indoor Special Event including incidental liquor sales; Financial Services (excluding payday loan stores, pawn shops and drive-thru facilities); Food and Beverage Retail Sales (including incidental liquor sales); Hotel/Motel; Medical Service; Office; Personal Service; Repair or Laundry Service, Consumer; Retail Sales; Participant Sports and Recreation; Artisan Manufacturing, Production and Industrial Services; Co-located Wireless Communications Facilities; Residential units; accessory parking and accessory uses.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The Applicant acknowledges that the project has received a bonus FAR of 1.3, pursuant to Sec. 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 8.3. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B & C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3

The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

Applicant: LG Development Group. LLC
Address: I 132-57 West Lake Street/146-208 North May Street (even only)/I 132-40 West Randolph Street (even only)/169-209 North Racine Avenue (odd only) Introduction
Date: April 21, 2021 Plan Commission Date: June 17, 2021

In this case, the Applicant will contribute the Local Impact portion of the bonus payment for construction of a project to be identified by the Alderman (the "Project"). The Project will be located within one mile of the Planned Development site, as required by Sec. 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for improvements within Sub-Area A of the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

9. The Applicant acknowledges and agrees that the rezoning of the Property from the CI-1, CI-2, and CI-3 Neighborhood Commercial Districts to the DX-7 Downtown Mixed-Use District and then to this Residential-Business Planned Development ("RJBPD"), for construction of the Project triggers the requirements of Section 2-44-080 of the Municipal Code (the "Affordable Requirements Ordinance" or the "ARO"). The Applicant further acknowledges and agrees that the Property is located in the Near North/Near West Pilot Area, pursuant to Section 2-44-090 of the Municipal Code (the "Near North/Near West ARO Pilot Area Ordinance" or the "Pilot"). The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. The Property is located in the Near North Zone. In the Near North Zone, pursuant to the ARO, the percentage of units in a residential housing project required to be affordable, whether rental or for-sale, is increased from 10% to 20%. Any developer of a residential housing project in the Near North Zone must provide the first 10% of units required to be affordable (the "First Units") either: (i) in the residential housing project, or (ii) with the approval of the commissioner of the

Department of Housing ("DOH"), in an off-site location within two miles of the Property and in the same or a different higher income area or downtown district, or (iii) any combination of (i) and (ii). In addition, the developer must provide the second 10% of units required to be affordable (the "Additional Units") either: (i) in the residential housing project, or (ii) with the approval of the commissioner of DOH, in an off-site location anywhere within the Near North/Near West Pilot Area, regardless of distance from the project or income area, or (iii) any combination of (i) and (ii). The Property is also located in the Fulton Market Innovation District ("FMID"), which encourages 30% affordability in the area located north of Lake Street.

The Project has a total of 665 housing units. As a result, the Applicant's affordable housing obligation under the Pilot is 133 affordable units (20% of 665), consisting of 67 First Units and 66 Additional Units. The Applicant has agreed to satisfy its affordable housing obligation by providing the First Units and the Additional Units in the building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto. In accordance with the requirements of the ARO, as modified by the Pilot, the Applicant is required to lease the First Units to households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income ("AMI") at prices affordable to households at such income level, and the Additional Units to households earning up to 100% of AMI (or up to 80% of AMI with the DOH commissioner's approval) at prices affordable to households at such income level. Notwithstanding the foregoing, the Applicant may reduce the required number of ARO units in exchange for units with more bedrooms, as provided in the ARO rules, provided the Applicant must give preference in leasing units of two bedrooms or more to multi-person households as specified in the ARO rules.

. In addition to the foregoing commitment to provide 133 affordable units on-site, the Applicant has agreed to use best efforts to provide an additional 67 affordable units (10% of 665, rounded up) either on-site or in an off-site location within the boundaries of the FMID, in accordance with the Fulton Market Innovation District Plan. In order to achieve this 30% affordability objective, the Applicant agrees to (a) cooperate with the City in good faith to apply for 4% Low Income Housing Tax Credits and tax-exempt bonds to finance the construction of all or a portion of the affordable units in the Project, and/or seek another source of public assistance, and (b) consider partnerships with affordable housing developers. If the Applicant determines that the 30% affordability goal of the FMID is not economically feasible, despite such good faith cooperation and best efforts, the Applicant agrees to share its development budget, operating pro forma and all underlying data with the City and, at the City's request, an independent third-party expert, to confirm the Applicant's determination.

If the Applicant subsequently reduces (or increases) the number of housing units in the Project, or elects to build a for-sale project instead of a rental project, the Applicant shall update and resubmit the Affordable Housing Profile Form to the DOH for review and approval by the DOH commissioner, and DOH may adjust the requirements to reflect any such change without amending the Planned Development Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-44-080(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The commissioner of DOH may enforce remedies for any breach of this Statement 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the

Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-061 1 - A of the Zoning Ordinance, by the Zoning

Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. For improvements within Sub-Area A of the Planned Development, the Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part 11 review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.

16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and

construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the foregoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city
