2. The City, the Board and the PBC make no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the property or the suitability of the property for any purpose whatsoever. CYC acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental conditions and risks of the property and accepts the risk that any inspection may not disclose all material matters affecting the property. CYC agrees to accept the property in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition at closing, with all faults and defects, latent or otherwise, and the City, the Board and the PBC have not made and do not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to CYC, with respect to the structural, physical or environmental condition of the value of the property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. CYC acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City, the Board and the PBC or their agents or employees with respect thereto. CYC agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the property in a condition which is suitable for its intended use.

3. CYC, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "CYC Parties"), hereby releases, relinquishes and forever discharges the City, the Board and the PBC, their officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which CYC ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of the conveyance of the Property from the City to CYC (the "Closing Date"), based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements-facilities-operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural,

6

physical or environmental condition of the Property, including, without limitation, the presence or suspected

presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the Indemnified Parties following the Closing Date. Furthermore, CYC shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of CYC Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's or an Indemnified Parties' gross negligence or willful misconduct following the Closing Date. CYC Parties waive their rights of contribution and subrogation against the Indemnified Parties.

4. The covenant of release in Sections 2 and 3 above shall run with the Property, and shall be binding upon all successors and assigns of CYC with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through CYC following the Closing Date. CYC acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City, the Board and the PBC to convey the Property, and that, but for such release, the City, the Board and the PBC would not have agreed to convey the Property to CYC. It is expressly agreed and understood by and between CYC, the City, the Board and the PBC that, should any future obligation of CYC or CYC Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, CYC and any of CYC Parties shall not assert that those obligations must be satisfied in whole or in part by any of the Indemnified Parties (City, the Board or PBC) because Section 3 contains a full, complete and final release of all such claims, except as provided in such section for an Indemnified Party's gross negligence or willful misconduct following the Closing Date.

5. Section 5 shall survive the Closing Date.

a. City shall grant CYC a right of entry, in the City's customary form and subject to City's receipt from CYC of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), in order for CYC to perform or cause to be performed any structural, physical and environmental inspections of the Property as CYC deems necessary; provided, however, City shall have the right to review and approve the scope of work. The City reserves the right to reject any structural, physical and/or environmental inspection reports, including, but not limited to any Phase I or Phase

I I-environmental-site assessment-reports, submitted to the City and conducted on-the Property without a fully executed right-of-entry.

7

b. CYC acknowledges that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, the Board or the PBC including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

c. Environmental Remediation:

i. Prior to renovation of the building, CYC must obtain a hazardous materials survey and develop an abatement plan, if deemed necessary by the City, and its final Working Drawings and Specifications must be consistent with such abatement plan. Lead-based paint and asbestos abatement must be completed in accordance with all local, state and federal regulations and, as required by the City, CYC must develop and either implement or cause to be implemented an operations and maintenance plans for any regulated materials to be left in place.

ii. CYC provided the City with a Phase I Environmental Site Assessment (ESA) compliant with ASTM E-1527 for the Property prior to the conveyance of the Property. The Phase I ESA must be dated within 180 days prior to Closing or an updated report will be required.

The Phase I ESA did not identify any Recognized Environmental Conditions ("RECs") in connection with the Property; however, a potential fill pipe for an underground storage tank ("UST") was observed. CYC shall conduct a geophysical survey (i.e., electromagnetic and ground penetrating radar survey) to detect and identify potential buried metallic objects that may represent a UST or other similar object that could adversely affect the on-site material. The following steps should be taken dependent on the results of the geophysical survey:

1. No anomalies identified - If no anomalies indicative of a UST or a disturbance in the soil associated with tank removal are identified, further investigation is not required.
2. Potential UST - If an anomaly indicative of a UST is identified, an investigation (i.e., test pits) to determine the presence or absence of the tank shall be conducted. If a UST is present, the tank shall be removed and closed in accordance with applicable regulations, including Title 41 of Illinois Administration Code ("IAC") Part 175, and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 743.
3. Disturbed Soil - If an anomaly indicative of disturbed soil that may be associated with the removal of a UST is observed, limited sampling may-be required-to determine if-the-soil-and/or groundwater-was negatively impacted by a former UST.

8

- d. If a leaking UST ("LUST") is identified during tank removal activities or if soil samples identify contamination above the residential remediation objectives, as determined by Title 35 IAC Part 742, CYC must enroll the Property in the Site Remediation Program (SRP).

If CYC is required to enroll the Property in the SRP, then CYC shall undertake all Environmental Remediation Work that may be needed on the Property promptly after the Closing in order to obtain a Draft Comprehensive Residential No Further Remediation Letter and shall obtain such Draft Comprehensive Residential No Further Remediation Letter. The contractors selected by CYC, and the terms of the contract must be approved by the City, prior to the commencement of any Environmental Remediation Work on the Property. CYC shall be solely responsible for all site preparation costs, including, but not limited to, the removal of pre-existing building foundations, soil exceeding residential remediation objectives as determined by Title 35 IAC Part 742, and demolition debris, and the removal, disposal, storage, remediation, removal, or treatment of Hazardous Substance from the Property.

The City, acting through its Department of Assets, Information, and Services, and any successor department thereto ("AIS") shall have the right to review and approve the Draft NFR Letter, if a Draft NFR is required.

After AIS approves the Draft NFR Letter, CYC-covenants and agrees to complete all Environmental Remediation Work necessary to obtain (as applicable) a Final NFR Letter. The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto. CYC shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. CYC shall bear sole responsibility for all aspects of the Environmental Remediation Work and any other investigative and cleanup costs associated with the Property. CYC shall promptly transmit to the City copies of all SRP Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Environmental Remediation Work.

CYC acknowledges and agrees that the City will not issue a Certificate of Completion for the Project until the IEPA has issued, and the City has approved, a Final NFR Letter for the Property, if a Final NFR Letter was required by the terms of this Agreement.

CYC further acknowledges and agrees that the City will not issue a certificate of occupancy for the Property until the IEPA has issued, and the City has approved, a Final NFR-Letter for the Property if a Final-NFR-Letter was required for the Property- by the terms of this Agreement.

9

CYC must abide by the terms and conditions of the Final NFR Letter, if a Final NFR Letter was required.

10

Exhibit C, City Resident Employment Requirement

a) CYC agrees, and shall contractually obligate each of its various contractors, subcontractors and any affiliate of CYC operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that during the rehabilitation of the Property, CYC and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of CYC or an Employer and that in addition to complying with this percentage, CYC and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

b) CYC and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

d) CYC and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the rehabilitation of the Property. CYC and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

e) CYC and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence

of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that CYC or Employer hired the employee should be written in after the employee's name.

f) CYC and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. CYC and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

g) At the direction of DPD, CYC and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts-on the-part-of GYG-and-the-Employers-to provide-work- - for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement

11

officer) shall not suffice to replace the actual, verified achievement of the requirements of this Exhibit C concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that CYC or an Employer failed to ensure the fulfillment of the requirements of this Exhibit C concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Exhibit C. If such non-compliance is not remedied, 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Property rehabilitation budget shall be surrendered by CYC to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject CYC and/or the other Employers or employees to prosecution.

G) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) CYC shall cause or require the provisions of this Exhibit C to be included in all construction contracts and subcontracts related to the rehabilitation of the Property.

12

Exhibit D, Developer's MBE/WBE Commitment

CYC agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the rehabilitation of the Property:

a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Exhibit D, during the course of rehabilitation of the Property, at least 26% of the aggregate hard construction costs, together with related soft costs, shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs, together with related soft costs, shall be expended for contract participation by women-owned businesses.

b) For purposes of this Exhibit D only:

i) CYC (and any party to whom a contract is let by CYC in connection with the rehabilitation of the Property) shall be deemed a "contractor" and this deed (and any contract let by CYC in connection with the rehabilitation of the Property) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

- c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, CYC's MBE/WBE commitment may be achieved in part by CYC's status as an MBE or WBE (but only to the extent of any actual work performed on the rehabilitation of the Property by CYC) or by a joint venture with one or more MBEs or WBEs (but only to the extent
- of the lesser of (i) the MBE or WBE participation in such joint venture.-or (ii)-the amount - - of any actual work performed on the rehabilitation of the Property by the MBE or WBE); by CYC utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the rehabilitation of the Property by the general

13

contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the rehabilitation of the Property to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the rehabilitation of the Property from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to CYC's MBE/WBE commitment as described in this Exhibit D. In accordance with Section 2-92-730, Municipal Code, CYC shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

d) CYC shall deliver quarterly reports to the City's monitoring staff during the rehabilitation of the Property describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by CYC or the general contractor to work on the rehabilitation of the Property, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the rehabilitation of the Property, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining CYC's compliance with this MBE/WBE commitment. CYC shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the rehabilitation of the Property for at least five (5) years after completion of the rehabilitation of the Property, and the City's monitoring staff shall have access to all such records maintained by CYC, on prior notice of at least five (5) business days, to allow the City to review CYC's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the rehabilitation of the Property.

e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, CYC shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.
