DEPARTMENT OF PLANNING AND DEVELOPMENT CITY OF  
CHICAGO

## MEMORANDUM

To: Alderman Tom Tunney  
Chairman, City Council Committee on Zoning

From: y: " v  
Maurice D. Cox Chicago Plan  
Commission

Date: July 15, 2021

**Re: Proposed Planned Development (1431-1525 E. 77th Street; 7700-7716 and 7734-7744 S. Blackstone Avenue; 7731-7741 S. South Chicago Avenue; 7701-7745 S. Blackstone Avenue; 7700-7778 S. Harper Avenue; 7707-7741 S. Harper)**

On July 15, 2021, the Chicago Plan Commission recommended approval of a proposed Planned Development, submitted by Regal Mile Ventures LLC. The Applicant is proposing to rezone the site from a zoning designation of M1-2(Limited Manufacturing/Business Park District), RS-3 (Residential Single-Unit District), and C2-2 (Motor Vehicle-Related Commercial District) and first, to C2-2 Motor Vehicle-Related Commercial District, then to a Business Planned Development.

The applicant requests a rezoning of the subject property to Business Planned Development in order to allow the construction and operation of a more than 200,000 square foot state-of-the-art film studio and supporting offices, which would include communication service establishment, office, parking, accessory uses and other permitted uses in the C2-2 District and incidental uses. The proposed FAR of the project would be approximately 0.70, with an overall maximum FAR allowed in the PD of 2.2.

A copy of the proposed ordinance, planned development statements, and bulk table are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact Lisa Washington iLisa.Washington@cityofchicago.org <mailto:iLisa.Washington@cityofchicago.org>.
