TO I III-: HONORABLE, THE CITY COUNCIL OF THE CITY OF CHICAGO

## Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing a Class 7B tax status for property located at 8560 South Cottage Avenue.

Your favorable consideration of this ordinance will be appreciated.

Very truly your:

#### **ORDINANCE**

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Cook County Tax Incentive Ordinance, Classification System for Assessment, as amended from time to time (the "County Ordinance"), which provides for, among other things, real estate tax incentives to property owners who build, rehabilitate, enhance and occupy property which is located within Cook County, Illinois and which is used primarily for industrial or commercial purposes; and

WHEREAS, the City, consistent with the County Ordinance, desires to induce industrial and commercial development to locate and expand in the City by supporting financial incentives in the form of property tax relief; and

WHEREAS, pursuant to an ordinance adopted on November 13, 2002 by the City Council of the City (the "City Council"), the City established the "87<sup>lh</sup>/Cottage Grove Redevelopment Project Area" in accordance with the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, ef seq., finding, among other things, that the 87<sup>Ul</sup>/Cottage Grove Redevelopment Project Area is a depressed area; and

WHEREAS, certain real estate generally located at 8560 South Cottage Grove Avenue in the City, as more precisely described on Exhibit A attached hereto and hereby made a part hereof (the "Project Site"), is located within the boundaries of 87.h/Cottage Grove Redevelopment Area; and

WHEREAS, DL3 Chatham, LLC, an Illinois limited liability company (the "Applicant"), proposes to rehabilitate the approximately 127,000 square foot Project Site and redevelop it into multi-use commercial space including a commercial call center, with space that can be used for community events and business incubator purposes (the "Project"); and

WHEREAS, the Applicant purchased the Project Site for value; and

WHEREAS, the Project Site has been abandoned for approximately two years; and

WHEREAS, the City's Department of Planning and Development ("DPD") has determined that the Project Site contains numerous depressed conditions that continue to impede the development thereof, including but not limited to functionally and economically obsolete buildings and site improvements, deteriorated structures, inadequate utilities, excessive site coverage and deleterious land use and layout (the "Special Circumstances") which DPD has determined justify a finding that the Project Site is abandoned for the purpose of Class 7b designation; and

WHEREAS, the Project will increase employment opportunities, economic activity in the area and growth in the real property tax base; and

1

WHEREAS, the Applicant has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor") for certification of the Project Site for Class 7b designation, making it eligible for certain real estate tax incentives; and

WHEREAS, Section 74-65(b) of the Cook County Real Estate Classification Ordinance, as amended, (the "Classification Ordinance"), provides that prior to filing an eligibility application with the Assessor, an applicant for Class 7b designation must obtain an ordinance or resolution from the municipality in which the real estate is located expressly stating that (a) the municipality has determined that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present, and (b) the municipality supports and consents to the Class 7b application to the Assessor; and

WHEREAS, DPD has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class 7b designation, and hereby recommends to the City Council that the City expressly determine by ordinance that (a) the required eligibility factors are present, and (b) the City supports and consents to the Applicant's Class 7b application to the Assessor for the Project; now, therefore,

#### BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the Project meets eligibility factor (1) under Section 74-65(a) of the Classification Ordinance in that the Project Site is located in an area in need of commercial development and designated by the City as the 87<sup>th</sup>/Cottage Grove Redevelopment Project Area (the "Redevelopment Area").

SECTION 3. The City hereby determines that the Project meets eligibility factor (2) under Section 74-65(a) of the Classification Ordinance in that real estate taxes in the Redevelopment Area during the last six years have either declined, remained stagnant and/or potential real estate taxes are not being fully realized due to the depressed condition of the Redevelopment Area, and/or the Project Site, or property values as determined by the assessed value ("AV") or equalized assessed value ("EAV") for the Redevelopment Area or the Project Site have declined over the last six years, or property values as determined by the AV or EAV are increasing at a rate that is less than the balance of the City's AV or EAV for the last six years; or property values as determined by the AV or EAV for the Redevelopment Area/Project Site are increasing at a rate that is less than Consumer Price Index (CPI) for All Urban Consumers as published by the US Department of Labor for the last six years.

SECTION 4. The City hereby determines that the Project meets eligibility factor (3) under Section 74-65(a) of the Classification Ordinance in that there is a reasonable expectation that the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7b designation and will therefore result in the economic enhancement of the Redevelopment Area

SECTION 5. The City hereby determines that the Project meets eligibility factor (4) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7b designation will materially assist development, redevelopment or rehabilitation of the area and the Project would not go forward without the full incentive offered under Class 7b.

2

SECTION 6. The City hereby determines that the Project meets eligibility factor (5) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7b designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the area.

SECTION 7. The City hereby expressly determines that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present for the Project, and hereby expressly supports and consents to the Class 7b application of the Applicant to the Assessor for Class 7b designation of the Project and the Project Site.

SECTION 8. The City determines that the Special Circumstances justify finding that the Project Site is deemed "abandoned" for the purpose of the Class 7b designation.

SECTION 9. The City has received and filed the Applicant's Economic Disclosure Statement, as defined in the County Ordinance.

SECTION 10. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel, to negotiate, execute and deliver a redevelopment agreement between the Applicant and the City substantially in the form attached hereto as Exhibit B and made a part hereof (the "Redevelopment Agreement"), and such other supporting documents as may be necessary to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 11. The Commissioner, or a designee ofthe Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Applicant with the Assessor for Class 7b designation of the Project.

SECTION 12. This ordinance shall be effective from and after its passage and approval.

apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

- b) To the greatest extent feasible, each Employer shall use commercially reasonably efforts to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in or owned in part by persons residing in the City and preferably in the Area.
- c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- d) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.
- f) Failure to comply with the employment obligations described in this paragraph shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.
- 2. Prevailing Wage. The Developer, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to

such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Prevailing Wage.

3. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, to contractually obligate the Tenant to obligate its General Contractor and to cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall

27

be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, the General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer and/or Tenant has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate

hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer (or by the Tenant

28

if the contractually obligated by the Developer) to the City in payment for each percentage of shortfall toward the stipulated residency requirement Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents-were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the Tenant, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer and/or Tenant pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this paragraph to be included in all construction contracts and subcontracts related to the Project.

- 4. MBE/WBE Commitment. The Developer agrees to require the Tenant to contractually obligate its General Contractor to, during the Project:
- a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this paragraph 4., during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit B (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:
  - i. At least 26 percent by MBEs And
  - ii. At least 6 percent by WBEs.
- b) For purposes of MBE/WBE Commitment only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago (c) Consistent with Section 2-92-440, Municipal Code of Chicago, the MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not

29

be credited more than once with regard to the Developer's MBE/WBE commitment as described in this paragraph 4. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

- d) Prior to the City's issuance of a Final Certificate, the Developer shall provide to DPD a final report describing its efforts, and/or the Tenant's efforts, to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.
- e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall contractually obligate the Tenant to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.
- f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this paragraph 4 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.
- g) Prior to the commencement of the Project (other tang temporary space), the Developer, the Tenant, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Agreement. During this meeting, the Tenant and its General Contractor shall demonstrate to DPD its plan to achieve its obligations under this Agreement, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.
