(11) Voluntary Unpaid Furlough Days.

Due to budget requirements, the Budget Director and Comptroller may offer City employees, or groups of employees, the option of taking one or more unpaid furlough days. Such furlough days may only be taken with the permission of the applicable department or agency head and shall be subject to such procedures and limitations as maybe prescribed by the Budget Director and Comptroller. Consent of the department or agency head may be withdrawn based on operational needs at anytime.

For the purposes of this Subsection, the term "base salary" means:

(b) for other employees, the regular or straight time rate of compensation appropriated and payable for a normal work week in the employee's position, exclusive of overtime and final vacation.

The opportunity to take voluntary unpaid furlough days may be offered to such groups of employees as the Budget Director and Comptroller deem appropriate. Provided, however, that voluntary unpaid furlough days may not be offered to sworn police personnel or members of the uniformed service of the Fire Department.

If an employee who desires to take voluntary unpaid furlough hereunder receives Health Insurance Coverage, Dental Coinsurance Coverage and Optical Care Coverage, the employee shall authorize deductions from his or her pay on forms supplied by the City in the amount that would have been deducted from base salary for such benefits had the employee worked during the voluntary unpaid furlough.

Such coverage shall not be affected by taking voluntary unpaid furlough.

If an employee who desires to take voluntary unpaid furlough participates in one of the annuity and benefit funds established under Articles 8 or 11 of the Illinois Pension Code, the employee shall authorize deductions from pay on forms supplied by the City in the amount that would have been deducted from base salary for the employee contribution had the employee worked during the voluntary unpaid furlough. Any amounts so deducted shall be paid to the appropriate annuity and benefit fund in the same manner as other employee contributions.

Notwithstanding the provisions of Subsection G (1)(d), an employee will not be denied pay for a holiday because he or she takes a voluntary unpaid furlough day immediately before or after the holiday, or because the employee's scheduled furlough day falls on a holiday.

An employee taking voluntary unpaid furlough hereunder shall be treated as having worked during such furlough for the purposes of accrual of vacation and sick leave. Under no circumstances may an employee perform services for the City of Chicago while on voluntary unpaid furlough hereunder.

Under no circumstances may an employee work for the City on his or her unpaid furlough days. Supervisors are required to monitor the work hours of employees taking unpaid furlough to ensure that no employee exceeds forth (4) hours of work during the week a furlough day is taken.
