6

with RECs. If an environmental condition is discovered that requires environmental remediation, including any exceedance of Illinois Environmental Protection Agency's ("IEPA") Tiered Approach to Corrective Action Objectives ("TACO") Tier 1 residential criteria, then the Developer shall enroll Parcel 3 into the IEPA Site Remediation Program ("SRP") and take all necessary and proper steps to obtain a Remedial Action Plan Approval Letter issued by the IEPA ("RAP Approval Letter") for Parcel 3. After AIS approves the RAP Approval Letter, the Developer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("Remediation Work") necessary to obtain a final comprehensive No Further Remediation Letter from the IEPA approving the use of Parcel 3 for residential use ("Final Residential NFR Letter"). The Final Residential NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. AIS shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and the Final Residential NFR Letter and any changes thereto. AIS shall also have the right to review in advance and approve the Developer's estimate of the cost to perform the Remediation Work. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

Developer shall be solely responsible for all site preparation, SRP and environmental oversight costs, including, but not limited to, report preparation, IEPA fees, remediation oversight, the removal of soil, pre-existing building foundations, soil exceeding the IEPA's Tiered Approach to Cleanup Objectives for the proposed uses of Parcel 3, and demolition debris, the removal, disposal, storage, remediation, removal or treatment of Hazardous Materials (as defined below) from Parcel 3, and the construction of any engineered barriers required to obtain the Final Residential NFR Letter. limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Partial Certificate of Completion or a Certificate of Occupancy for Phase III of the Project until the IEPA has issued, and the City has approved, the Final Residential NFR Letter for Parcel 3.

The Developer must abide by the terms and conditions of the Final Residential NFR letter.

10. REPRESENTATIONS AND WARRANTIES. To induce the City to execute this First Amendment and perform its obligations hereunder, the Developer hereby represents and
