Type 1 Substitute Narrative and Plans Zoning Map Amendment Smash INTERACTIVE LLC
2601-25 South Wabash Avenue/43-63 East 26th Street from B1-1 District to B3-1 District

The Applicant, Smash INTERACTIVE LLC, is seeking to rezone the property located at 2601-25 South Wabash Avenue/43-63 East 26th Street ("Subject Property") in order to establish a video production studio (classified as Communication Service Establishments use per 17-17-0104-1 of the CZO) on an interim basis within Applicant's existing 1-story building located at the Subject Property. As a matter of background, the Subject Property was rezoned to a B1-1 Neighborhood Shopping District on March 24, 2021, in order to permit retail uses and provide off-site accessory parking which will serve Applicant's proposed SURGE Esports stadium to be located at 2500-48 South Wabash Avenue.

The Subject Property consists of 48,135 sq. ft., and remains improved with an existing vacant 1-story brick building (18,930 sq. ft.) ("Existing Building") and vacant surface parking lot.

While Applicant's proposed Esports stadium is being constructed, Applicant will temporarily operate a video production studio within the Existing Building for a period of 18 months. Once construction of its Esports stadium nears completion and prior to occupancy, Applicant shall cease operation of its video production studio in the Existing Building and renovate the Existing Building with a) retail space, consisting of 1,700 square feet and thirty (30) indoor parking spaces and b) improve the existing surface parking area with sixty (60) outdoor parking spaces and associated landscaping. Upon completion, a total of ninety (90) parking spaces will serve as off-site, accessory parking spaces for Applicant's proposed Esports stadium ("Proposed Off-Site Parking Spaces"), incorporated and approved as part of Business Entertainment Planned Development #1496 ("PD #1496").

In order to permit Applicant's proposed interim Communication Service Establishments use on the Subject Property, the Applicant is seeking a Type 1 zoning amendment from the Subject Property's existing B1-1 Neighborhood Shopping District to a B3-1 Community Shopping District.

The Applicant is not seeking to expand the footprint or increase the height of the Existing Building. In accordance with 17-13-0303 (C) of the Chicago Zoning Ordinance, please refer to the specific details regarding Applicant's proposed interim video production studio use below:
