SECTION 3. A small opening of public land is also required, by and through the authority of the Department of Planning and Development, to complete the public alley on the subject block, such Plat of Opening being also hereby made part of this ordinance as Exhibit B. The improvement of said land with standard surface, and public lighting shall be completed at the sole expense of the Developer in compliance with the current version of the Chicago Department of Transportation's Regulations for Opening, Repair and Construction in the Public Way and its appendices, and as approved by, the CDOT Division of Electrical
