(iii) Order or obtain an applicant's or employee's credit report from a consumer

reporting agency.

(b) The prohibitions contained in this section shall not prevent an inquiry or employment action if a satisfactory credit history is an established bona fide occupational requirement of a particular position or a particular group of employees. A satisfactory credit history is not a bona fide occupational requirement unless at least one of the following circumstances is present:

(i) State or federal law requires bonding or other security covering an individual holding the position.

(ii) The duties of the position include custody of or unsupervised access to cash or marketable assets valued at \$2,500 or more. For the purpose of this exception (ii), "marketable assets" means company property that is specially safeguarded from the public and to which access is only entrusted to managers and other select employees. "Marketable assets" do not include the fixtures, furnishings, or equipment of an employer.

(iii) The duties of the position include signatory power over business assets of \$100 or more per transaction.

(iv) The position is a managerial position which involves setting the direction or control of the business.

(v) The position involves access to personal or confidential information, financial information, trade secrets, or state or national security information. For purposes of this exception, the following definitions apply:

A. (vi) The position meets criteria in administrative rules, if any, that the U.S. Department of Labor or the Illinois Department of Labor has promulgated to establish the circumstances in which a satisfactory credit history is a bona fide occupational requirement.

(vii) The employee's or applicant's credit history is otherwise required by or exempt under other applicable law.

(c) The prohibitions contained in this section shall not apply to any of the following:

The prohibitions set forth in this subsection 2 160-054 6-10-054(a) do not apply where:

(1) federal or state law excludes applicants with certain criminal convictions from the relevant position;

(2) a standard fidelity bond or an equivalent bond is required for the relevant position, and an applicant's conviction of one or more specified criminal offenses would disqualify the applicant from obtaining such a bond, in which case an employer may include a question or otherwise inquire whether the applicant has ever been convicted of any of those offenses; or

(3) the relevant position requires a license under the Emergency Medical Services (EMS) Systems Act, 210 ILCS 50/1, et seq.

This subsection 2 160-054 6-10-054(a) does not prohibit providing written notice of specific offenses that will disqualify an applicant from employment in a particular position.

(b) If the City of Chicago, subsequent to interviewing or extending a conditional offer of employment to an applicant, determines that he has a criminal conviction, that fact, standing alone, shall not automatically disqualify the applicant from employment. Instead, the decision whether to employ the applicant shall take into account the following factors:

(1) the nature of the applicant's specific offense or offenses;

(2) the nature of the applicant's sentencing;

(3) the applicant's number of convictions;

(4) the length of time that has passed following the applicant's most recent conviction;

(5) the relationship between the applicant's crimes and the nature of the relevant position;

(6) the age of the applicant at the time of his most recent conviction;

(8) the extent to which the applicant has been open, honest, and cooperative in examining his background; and

(9) any other information relevant to the applicant's suitability for the relevant position.

(c) In the event any employer, including one subject to the Illinois Job Opportunities for Qualified Applicants Act, makes a decision not to hire an applicant that is based, entirely or partially, on the applicant's criminal record or history, the employer shall inform the applicant of this basis at the time he is informed of the decision.

(d) The office of the superintendent of police shall compile and make available to the members of the Chicago City Council and the city departments a list of the types of identification cards and the issuing countries that have certified to the office of the superintendent of police that their identification cards meet the requirements of this section.

(e) The requirements of this section do not apply under circumstances where (1) a federal or state statute, administrative regulation or directive, or court decision requires the city to obtain different identification, (2) a federal or state statute or administrative regulation or directive preempts local regulation of identification requirements, or (3) the city would be unable to comply with a condition imposed by a funding source, which would cause the city to lose funds from that source.

(f) Nothing in this section is intended to prohibit city City departments from (1) asking for additional information from individuals in order to verify a current address or other facts that would enable the department to fulfill its responsibilities, except that this section does not permit the department to require additional information solely in order to establish identification of the person when the Matricula Consular Card is the form of identification presented, or (2) using fingerprints for identification purposes under circumstances where the department also requires fingerprints from persons who have a driver's license or state identification card.
