

or submission of ordinances, orders, or resolutions, petitions, or other propositions into a committee of the City Council by an operating department, office or agency in order to facilitate an expeditious hearing on said matter of where an emergency exists, provided that, for any such direct introduction, the department, office, or agency must: (i) attach to such ordinance, order, resolution, petition, or other proposition a statement of urgency explaining the nature of the emergency in detail; (ii) publicly post the text of such ordinance, order, resolution, petition, or other proposition no less than 48 hours before any committee may vote on such matter; and (iii) no later than the required public posting, transmit such ordinance, order, resolution, petition, or other proposition to all members of City Council along with an impartial and unbiased summary of the matter. No ordinance, order, or resolution, petition, or other proposition may be directly introduced into a committee of the City Council when a substantially similar matter is currently pending before any other committee of the City Council. In addition, routine or repetitive matters may also be introduced directly into a committee of the City Council for hearing. This provision shall not apply to matters described in paragraphs (a), (b) or (c) of this Rule.

Any member of a committee may propose an amendment to an ordinance or other proposition before the committee. An amendment filling in blanks, correcting spelling, correcting a typographical error or correcting punctuation may be made on the face of the ordinance or other proposition to be amended. An amendment for any other purpose shall be produced in a separate document, and shall set forth the entire section of the ordinance or proposition affected by the proposed amendment, with insertions and deletions indicated as provided in Rule 46. Except as otherwise provided herein, no committee shall vote on a proposed amendment, except an
