December 14, 2022

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith for a VACATIONS to CHA (LECLAIRE COURTS REDEVELOPMENT) -(SUBSTITUTE) - SO2022-2420 A proposed vacation of street remnants and the dedication of new street sections in the area bounded by West 43rd Street, West 44th Street, South Laporte Avenue and South Lamon Avenue, located in the 22nd Ward. This ordinance was referred to Committee on July 20, 2022.

This recommendation was concurred unanimously by viva voce vote of the members of the Committee with no dissenting vote.

(Ward 22)

Howard Brookins, Jr., Chairman

Respectfully submitted,

## **SUBSTITUTE**

### **INTERGOVERNMENTAL VACATION/ DEDICATION ORDINANCE**

WHEREAS, the City of Chicago ("City") is a home rule unit of local government pursuant to Article VII, Section 6 (a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the properties at 4300-4358 S. La Crosse Street, 4300-4358 S. Cicero Avenue, 4300-4358 S. Lamon Avenue, 4300-4358 S. Laporte Avenue, 4301-4359 S. La Crosse Street, 4301-4359 S. Lamon Avenue, and 4301-4359 S. Laporte Avenue (collectively, the "Subject Property") are owned by the Chicago Housing Authority, an Illinois municipal corporation ("Chicago Housing Authority"); and

WHEREAS, the Chicago Housing Authority proposes to reestablish the street grid for the purposes of supporting redevelopment on the adjacent parcels for mixed income residential, and mixed commercial uses; and

WHEREAS, the Chicago Housing Authority Board of Commissioners, in response to a request for proposals, awarded the redevelopment contract for the above-referenced properties to LeClaire Partners LLC ("Developer"), an Illinois limited liability company; and

WHEREAS, the Developer and the Chicago Housing Authority will enter into a long term lease necessary for the Developer to occupy the site, construct mixed income and mixed use commercial units, manage, collect rents and sell housing in the resulting development into the future; and

WHEREAS, the City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of public use and the public interest to be subserved is such as to warrant the vacation of the public way and the acceptance of new public way described below; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

**SECTION 1. Legal Descriptions**

TO THE INTERSECTION OF SAID WEST RIGHT OF WAY LINE WITH THE INTERSECTION OF THE EASTERLY EXTENSION OF THE NORTH RIGHT OF WAY LINE OF W. 43RD STREET; THENCE SOUTH 88 DEGREES 39 MINUTES 00 SECONDS WEST, ON SAID NORTH RIGHT OF WAY LINE, ITS EASTERLY EXTENSION, AND ITS EXTENSION WESTERLY, 220.91 FEET TO THE POINT OF BEGINNING; THENCE SOUTH 88 DEGREES 39 MINUTES 00 SECONDS WEST, 319.99 FEET TO A POINT ON THE NORTHERLY RIGHT OF WAY OF W. 43RD STREET; THENCE NORTH 64 DEGREES 42 MINUTES 17 SECONDS EAST, ON SAID NORTHERLY RIGHT OF WAY, 39.88 FEET; THENCE NORTHEASTERLY, CONTINUING ON SAID NORTHERLY RIGHT OF WAY LINE, 198.78 FEET ON A CURVE CONCAVE TO THE SOUTHEAST, HAVING A RADIUS OF 400.78 FEET, THE CHORD OF SAID CURVE BEARS NORTH 78 DEGREES 54 MINUTES 49 SECONDS EAST, 196.75 FEET; THENCE SOUTHEASTERLY, CONTINUING ON SAID NORTHERLY RIGHT OF WAY LINE, 105.54 FEET ON A CURVE CONCAVE TO THE SOUTHWEST, HAVING A RADIUS OF 123.82 FEET, THE CHORD OF SAID CURVE BEARS SOUTH 62 DEGREES 27 MINUTES 36 SECONDS EAST, 102.37 FEET TO THE POINT OF BEGINNING, SAID ABOVE PARCEL CONTAINING 11,252 SQUARE FEET OR 0.258 ACRES, MORE OR LESS, WITH THE TOTAL AREA OF ALL SAID PARCELS DESCRIBED BEING 53,054 SQUARE FEET OR 1.218 ACRES, MORE OR LESS, as shaded and legally described by the words "HEREBY VACATED" on the plat hereto attached as EXHIBIT B, which plat for greater clarity, is hereby made a part of this ordinance, be and the same is closed as public way, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacations.

## **SECTION 2. Phasing and Funding**

The Department of Water Management facilities and improvements that will be constructed within

the to-be-dedicated areas described herein, and the facilities and improvements that will be constructed by the Developer within the to-be-vacated areas described herein, are to be identified in a final project schedule for the development of the Subject Property. Subject to City Council authorization pursuant to separate ordinance, the City, acting by and through its Department of Planning and Development, and the Developer shall, within one (1) year following the passage of such ordinance, enter into an "Infrastructure Agreement" to memorialize each party's construction funding obligations and responsibilities for the development of the Subject Property, including any sewer and water infrastructure work required by the Department of Water Management letters attached hereto as Exhibits D and E, and the final project schedule.

### **SECTION 3. Developer Duty to Build**

As attested to in Exhibit C attached hereto, the Developer acknowledges that the Developer is responsible for the construction of all public and private rights of way (streets, alleys, sidewalks etc.) in the Subject Property. Any work performed by the Developer shall be performed in compliance with the most current version of the Chicago Department of Transportation's Regulations for Opening, Repair and Construction in the Public Way and its appendices, and in accordance with the executed Duty to Build Agreement attached hereto and made a part of this ordinance as EXHIBIT C. Request for final field inspection and approval of the Developer's construction, shall be made to the CDOT Division of Infrastructure Management, Construction Compliance Unit, Room 905 of City Hall.

### **SECTION 4. Water Management Facilities in the Dedications**

The Developer and the Chicago Housing Authority acknowledge the presence of certain Department of Water Management facilities as identified in Department of Water Management correspondence VD-108985 dated December 7, 2022, addressed to the Department of Transportation and hereto attached as EXHIBIT D, which letter is subject to such corrections and modifications as determined by the Commissioner of the Department of Water Management in her sole discretion, said facilities currently laying within the areas herein dedicated. These Department of Water Management facilities shall continue to be public property in the newly dedicated streets.

Any additional structures not specifically named as public in EXHIBIT D shall be deemed private property. Said private structures, appurtenances and connections within the area to be dedicated shall be sealed, removed or relocated to private property at the Developer's expense, in accordance with the procedures of the Department of Water Management, or established as public through City Council action. In the event of abandonment, the abandonment plans must be reviewed, approved and permitted by the Department of Water Management prior to work.

The Developer understands improvements are required in accordance with EXHIBIT D, and that it is its responsibility to provide the required public facilities in the streets herein dedicated, in accordance with plans reviewed, approved and permitted by the Department of Water Management, prior to work. The funding for providing such public facilities may be provided from multiple sources such as Tax Increment Financing, bonds, and other sources as may be approved by the City's Chief Financial Officer and/or the City's Budget Director. With respect to any improvements undertaken by the Developer, acceptance of new facilities as public is subject to the final project schedule and the Infrastructure Agreement, and contingent upon submittal of as-built drawings, and physical and videotape inspection provided by the Developer to the Department of Water Management within 30 days of completion. All work in both the public way and on private property requires permits as secured through the Department of Buildings.

## **SECTION 5. Water Management Facilities in the Vacations**

The City of Chicago hereby reserves an easement over certain areas herein vacated as identified in Department of Water Management correspondence VD-108983, dated December 7, 2022, addressed to the Department of Transportation, and attached as EXHIBIT E, which letter is subject to such corrections and modifications as determined by the Commissioner of the Department of Water Management in her sole discretion, with a minimum of forty (40) feet clearance from ground level, for existing Department of Water Management sewer and water main structures (collectively "Water Department Facilities"), and for the installation of additional public structures, which in the future may be located in the streets herein vacated, and for the use, maintenance, renewal, repair, replacement, reconstruction, and abandonment of such facilities. It is also provided that the City shall have 24-hour access to the area to be vacated, that no buildings, permanent structures, or trees (within 10 feet of the sewer structure) shall be erected upon or over said easement herein reserved, or other use made of said area, which in the sole discretion of the respective municipal officials having control of the aforesaid service facilities, would interfere with the use, maintenance, renewal, repair, replacement, reconstruction, and abandonment of said facilities, or the construction of additional public service facilities, without the provision of identified improvements detailed in EXHIBIT E, and the express written and recorded release of easement by the Department of Water Management.

It is further provided that the expenses related to any Developer or Chicago Housing Authority-initiated adjustments to Water Department Facilities within the area herein vacated and which exceed the costs detailed in EXHIBIT E shall be borne by the Developer, its successors or assigns, with proposed adjustments be submitted to the Department of Water Management for review and express written approval prior to construction. Any repair, renewal or replacement of private improvements, or private property damaged within the vacation area as a result of the City exercising its easement rights shall be repaired/replaced at the sole cost and expense of the Developer, its successors or assigns.

The Developer understands improvements are required in accordance with EXHIBIT E, and that it is its responsibility to provide the required public facilities at its expense in the streets herein dedicated in excess of the costs detailed in EXHIBIT E, in accordance with plans reviewed, approved and permitted by the Department of Water Management, prior to work. Acceptance of new facilities as public is contingent upon submittal of as-built drawings, and physical and videotape inspection provided by the Developer to the Department of Water Management within 30 days of completion. All work in both the public way and on private property requires permit as secured through the Department of Buildings.

## **SECTION 6. Indemnification**

The vacation and dedication herein provided for are made under the express condition that the Developer, its successors and assigns, shall hold harmless, indemnify and defend the City of Chicago from all claims related to right of way actions herein advanced.

## **SECTION 7. County Clerk Recording**

The vacation herein provided for is made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance, the Chicago Housing Authority or its assign shall file or cause to be filed for recordation with the Office of the Cook County Clerk / Recordings Division a certified copy of this ordinance, together with the associated full-sized plats as approved by the Department of Transportation's Superintendent of Maps and Plats.

## **SECTION 8. Effective Date**

This ordinance shall take effect and be in force from and after its passage and approval. The vacation and

dedication shall take effect and be in force from and after the recording of the published ordinance and approved plats.

**Dedication Accepted / Vacation Approved :**

**Gia Biagi ~~ Commissioner ' Department of Transportation**

**Introduced By:**

**Honorable Michael Rodriquez Alderman, 22nd Ward**

**CDOT File Number: 04-22-21-3998**

CITY OF CHICAGO \*

DEPARTMENT OF WATER MANAGEMENT

December 7, 2022

City of Chicago Department of Transportation Division  
of Infrastructure Management Office of Underground  
Coordination 2 North LaSalle Street Chicago, Illinois  
60602

Attn: Mr. Jai Kalayil

Deputy Commissioner

Re: Proposed Dedication Ordinance

For: LeClaire Courts Development

The area bounded by S. Lavergne Ave, W. 45th Street, S. Cicero Ave, and the Gulf, Mobile, and Ohio Railroad.

REVISED

OUC File No. VD-108985 M&P Project No. 04-22-  
21-3968 Water Atlas Page 404A Sewer Atlas Page  
38-3-74

Dear Mr. Kalayil:

**This letter supersedes all prior Dedication Ordinance communications. I) The**

**Department of Water Management - Water Section**

The Department of Water Management (DWM) owns and maintains water main facilities within the limits of several of the parcels proposed for dedication. Water main facilities within the limits of the proposed dedication parcels are as follows:

**Parcel Description of Water Main Facilities (all lengths are approximate)**

**1** 165 feet of 8-inch water main

- 2 No water facilities
- 3 315 feet of 8-inch water main
- 4 No water facilities
- 5 No water facilities

DWM currently has easements reserved over the parcels with water facilities. Since these parcels will now be public ROW, DWM has no objections to the proposed dedications.

To adequately serve the proposed development, extensive water main improvements are required. Those requirements are addressed in the letter regarding the vacations for the LeClaire Courts development, VD-108983, dated December 7, 2022.

rsHIO STREET, CHIUGO, ILLINOIS 606 11

OUC File No. VD-108985 REVISED December 7, 2022 Page 2 of 3

The DWM retains its rights for all water mains and appurtenances that are not in the newly dedicated ROW. Those rights can be released once the existing water mains are abandoned and the new water mains are approved by the DWM and in service.

For questions regarding water facilities, please contact Andrew McFarland at [andrew.mcfarland@cityofchicago.org](mailto:andrew.mcfarland@cityofchicago.org) <<mailto:andrew.mcfarland@cityofchicago.org>>.

#### **The Department of Water Management - Sewer Section**

Per Exhibit A - Plat of Dedication, there are a total five (5) parcels proposed for dedication and represented as Parcel 1, Parcel 2, Parcel 3, Parcel 4 and Parcel 5.

Parcel 2 and Parcel 5: Based on sewer records, there are no known sewer facilities within the limits of the area proposed for dedication. See general conditions for proposed dedication below.

Parcel 1, Parcel 3 and Parcel 4: Based on sewer records, the following public sewers are present in Parcel 1, Parcel 3 and Parcel 4 -

- i. Parcel 1: 15-inch sewer running north on vacated S LaPorte Ave within the proposed area to be dedicated
- ii. Parcel 3: 15-inch sewer running north on S Lamon Ave within the proposed area to be dedicated
- iii. Parcel 4: 36-inch sewer running east on vacated W 43<sup>rd</sup> St within the proposed area to be dedicated

Please see detailed conditions below for Parcel 1, Parcel 3 and Parcel 4:

Detailed conditions for Parcel 1, Parcel 3 and Parcel 4: The Sewer Section will approve the proposed dedication, provided the beneficiary must agree with the conditions below-

- a. Existing private sewers in the areas to be dedicated will be sealed and removed at the expense of the beneficiary, in accordance with the standard procedures of the Department of Water Management, Sewer Section.
- b. If and when the existing private main sewers and appurtenances are abandoned, the abandonment plans must meet the Department of Water Management, Sewer Design Section's requirements.
- c. Private structures are not allowed in the public right of way without an ordinance established by the City Council. Existing private structures must be relocated into private property, abandoned or established through a City Council ordinance.

General conditions for proposed dedication: The Sewer Section will approve the proposed dedication, provided the beneficiary must agree with the conditions below-

- a. It is the owner's/developer's responsibility to provide proper drainage in the areas to be dedicated. DWM-Sewer Section has reviewed the draft "Proposed Sewer Public Concept" plan dated 12/23/2021. Per the plan, 15-inch sewer in Parcel 1 and 36-inch sewer in Parcel 4 are proposed to remain, and the 15-inch sewer in Parcel 3 are proposed to be replaced with 18-inch sewer along with other sewers in public ROW. Existing sewers to remain in Parcel 1 and Parcel

3 must be televised before & after construction. Should preconstruction TV indicate conditional issues, sewers shall be replaced or rehabilitated as part of the project improvements. When the final plans are available, the owner's/developer's engineering staff must discuss those plans with Sewer Section Engineering Personnel. In the event when developer is unable to complete the sewer

OUC File No. VD-108985 REVISED December 7, 2022 Page 3 of 3

installations in the areas to be dedicated, a deposit is required from which the DWM-Sewer may complete the sewer work. The required deposit amount for the Sewer Section is \$3,198,966.37, subject to additional DWM revisions that may reduce or increase this amount. This estimate is based on current rates for labor, materials, equipment and overhead charges, but actual costs will be billed to developer upon DWM's completion of the work.

- b. Please be advised that any underground sewer work, including the public main sewers and sewer structures associated with the proposed dedications, must be submitted for review and installed at the expense of the beneficiary. The developer will be the owner and responsible for the maintenance of the public sewers and sewer structures within the dedicated ROWs until the ownership and maintenance is transferred from the developer to CDWM. The ownership and maintenance of said public sewers and sewer structures will be accepted by the Department of Water Management only after receiving, reviewing, and approving the construction as-built drawings and the videotaped inspection of the new sewer main.
- c. Permits are required to be obtained by a Licensed Drainlayer from the Department of Buildings - Sewer Permit Section for all underground sewer work, in both the public way and on private property. As-built plans of the public sewer and combined public main sewers indicating the street location of the main sewer(s) and appurtenances must be submitted to the Department of Water Management for record purposes within 30 days of completion.
- d. The Office of Budget and Management shall provide DWM with a deposit in the amount of \$3,198,966.37 or the revised amount as determined by DWM.
- e. The developer shall initiate the Existing Facility Protection (EFP) process through the Office of Underground Coordination (OUC). Only after the EFP process has been fully completed and approved by the OUC will the developer be able to pull any necessary permits to begin the work covered by this communication.

If there are any questions regarding the sewer facilities, contact Anupam Verma at [Anupam.Verma@CityofChicago.org](mailto:Anupam.Verma@CityofChicago.org) <<mailto:Anupam.Verma@CityofChicago.org>>.

Very truly yours,

Andrea R.H. Cheng, Ph.D., P.E.  
Commissioner

**Attn: Mr. Jai Kalayil**

**Deputy Commissioner**

**Re: Proposed Vacation Ordinance**

**For: LeClaire Courts Development**

**The area bounded by S. Laverne Ave, W. 44th Street, S. Cicero Ave, and the Gulf, Mobile,**

and Ohio Railroad.

REVISED

OUC File No. VD-108983 M&P Project No. 04-22-21-3966 Water Atlas Page 404A Sewer Atlas Page 38-3-74

Dear Mr. Kalayil:

This letter supersedes all prior Vacation Ordinance communication.

#### **D) The Department of Water Management - Water Section**

This letter only addresses the area north of W. 44<sup>th</sup> Street. The water mains addressed in this letter will provide water service to the Academy for Global Citizenship at 4942 W. 44<sup>th</sup> Street, the LeClaire Partners LLC development's proposed grocery store at W. 43<sup>rd</sup> Street and S. Lamon Avenue and their proposed medical office building at W. 44<sup>th</sup> Street and S. Cicero Avenue. Additional water mains will be required to serve additional phases of development. DWM will not provide funding for these improvements.

To adequately serve the increased domestic demands, new fire pumps and increased external fire demands, new water mains are required throughout the development. To serve the development described above, the following water mains are required:

Length (ft.)	Size (in.)	Location	From	To
2,600	12	W 44 <sup>th</sup> Street	S Cicero Avenue	S Laramie Avenue
650	12	W 43 <sup>rd</sup> Street	S Cicero Avenue	S Lamon Avenue
640	12	S Lamon Avenue	W 43 <sup>rd</sup> Street	W 44 <sup>th</sup> Street
380	8	W 43 <sup>rd</sup> Street	S Lamon Avenue	S LaPorte Avenue
480	8	S LaPorte Avenue	W 43 <sup>rd</sup> Street	W 44 <sup>th</sup> Street

IOHO EAST OHIO ST flt: L' T. CHICAGO. II LIKJOIS GQG11

OUC File No. VD-108983 REVISED December 7, 2022 Page 2 of 4

The following existing water mains will be abandoned as part of this work:

Length (ft.)	Size (in.)	Location	From	To
670	12	W 43 <sup>rd</sup> Street	S Cicero Avenue	S Lamon Avenue
640	8	S LaCrosse Avenue	W 43 <sup>rd</sup> Street	W 44 <sup>th</sup> Street
640	8	S Lamon Avenue	W 43 <sup>rd</sup> Street	W 44 <sup>th</sup> Street
640	8	S LaPorte Avenue	W 43 <sup>rd</sup> Street	W 44 <sup>th</sup> Street
620	8	S Laverne Avenue	W 43 <sup>rd</sup> Street	W 44 <sup>th</sup> Street
480	8	S Lawler Avenue	RR Tracks	W 44 <sup>th</sup> Street

For the vacation to be approved by the Water Section, these water main improvements must be made and following requirements complied with:

- The water mains described above must be installed and the existing mains abandoned. The estimated cost for this work is \$2,601,310.00. Please note that this estimate is based on current rates for labor (straight time), material, equipment, and overhead charges, but actual costs will be charged upon completion of the work.
- Typically, DWM requires a deposit in an amount equal to the cost of the proposed work. In this instance, however, through concurrence reached by, and at the behest of the Department of Planning and Development, the Office of the Chief Financial Officer, the Office of Budget and Management, and the Mayor's Office, the funds necessary for all of the DWM costs for the water infrastructure shall be provided to DWM by the City from multiple non-DWM sources such as Tax-Increment Financing, bonds, and other sources. DWM acknowledges receipt of TIF funding for this phase of the work, but additional phases may require additional sources of funding. DWM will not fund any improvements.

- c. The scope of the DWM's involvement in the water main installation and abandonment work will include but not limited to obtaining all applicable permits, tracing equipment, excavation/OSHA shoring, backfilling/compaction, traffic control, all pipe work, supplying all water main pipe, line valves, valve basins, fire hydrant, water main, valve operations, engineering design services, and water quality services, and as well as all existing sewer facility adjustments required for the proposed water facilities to meet all DWM and Illinois Environmental Protection Agency (IEPA) vertical separation requirements for water and sewer pipe crossings.
- d. The DWM will provide final restoration in W 44<sup>th</sup> Street from S Laramie Avenue to S Laverne Avenue but LeClaire Partners, LLC will be responsible for final restoration in all other areas.
- e. All water services no longer in use must be permanently terminated as part of the proposed development by permit per DWM Standards.
- f. Because the existing water mains cannot be located within private property (the vacated streets), this work must be done before the vacations can be approved. Alternately, a temporary easement could be granted over the proposed vacation parcels that would be released once the mains located therein have been abandoned.
- g. The DWM also retains its rights for all water mains that lie within easement reservations, specifically the 8-inch water main in S LaCrosse Avenue between W 43<sup>rd</sup>

OUC File No. VD-108983 REVISED December 7, 2022 Page 3 of 4

Street and W 45<sup>th</sup> Street, the 12-inch water main in vacated W 43<sup>rd</sup> Street between S Lamon Avenue and S Laverne Avenue, and the 8-inch water main in S Laporte Avenue from vacated W 43<sup>rd</sup> Street to dedicated W 43<sup>rd</sup> Street. These reservations can be released once these water mains are abandoned or replaced, as determined by the DWM.

For questions regarding water facilities, please contact Andrew McFarland at [andrew.mcfarland@cityofchicago.org](mailto:andrew.mcfarland@cityofchicago.org) <<mailto:andrew.mcfarland@cityofchicago.org>>.

The Department of Water Management - Sewer Section

Per Exhibit B, there are a total of three (3) parcels proposed for vacation and represented as Parcel 1, Parcel 2 and Parcel 3.

Parcel 1: Based on sewer records, there are no City sewer facilities within the limits of the area proposed for vacation. Therefore, the Sewer section has no objection to the proposed vacation of Parcel 1.

Parcel 2: Based on sewer records, there is a 15-inch sewer running north on vacated S La Crosse Ave and within the area proposed for vacation, from W 44<sup>th</sup> St to W 43<sup>rd</sup> St. Based on sewer records, the 15-inch sewer is serving a portion of public ROW of W 44<sup>th</sup> St at the upstream end. This 15-inch sewer must be retained and maintained until the new relocated sewers on W 44<sup>th</sup> St are built by the beneficiary of the vacated ROW and accepted by City as a part of sewer relocation work into W 44<sup>th</sup> St public ROW. Please see detailed conditions below.

Parcel 3: Based on sewer records, there is a 12-inch private sewer on vacated S La Crosse Ave running south within the area proposed for vacation. Therefore, the Sewer section has no objection to the proposed vacation of Parcel 3.

Detailed conditions for Parcel 2: The Sewer Section will approve the proposed street vacation, provided the beneficiary must agree with the following conditions:

- i. There must be a reservation of the entire width and length of the vacated ROW for the existing retained sewer main.
- ii. The Sewer Section requires a minimum of forty (40) feet of vertical clearance from ground level to provide access to construction machinery that would be necessary in the event of a break or if maintenance or relocation were required in the future.
- iii. The City of Chicago Department of Water Management must have continuous 24 hour access without any

obstructions like fences or bollards to the area where the reservation is required.

- iv. All proposed plans for improvements must be submitted to and approved by the Department of Water Management - Sewer Section prior to construction.
- v. The beneficiary of the vacated ROW where a reservation is required must be responsible for the repair, renewal or replacement of any physical improvements on the vacated area which may be damaged in connection with the maintenance and repair, or replacement of the sewer main. Examples of improvements include, but are not limited to the landscape island, the private drainage system, lighting, pavement and sidewalks.

OUC File No. VD-108983 REVISED December 7, 2022 Page 4 of 4

- vi. The beneficiary of the vacated ROW where a reservation is required must be responsible for completely removing any obstacle for the maintenance and repair, or replacement of the sewer main.
- vii. The beneficiary of the vacated ROW where a reservation is required must follow Landscape requirements per Department of Water Management Sewer requirements for Existing Facilities Protection.
- viii. Any adjustments to the Sewer Section's facilities in the vacated ROW where a reservation is required must be paid by the beneficiary.
- x. Reservations on Parcel 2, and easement for 18-inch to 21 -inch east-west sewer should be released after accepting relocated sewers built by the beneficiary and accepted by City as a part of sewer relocation work in public ROW. When final plans of Public ROW sewers are available, the owner's/developer's engineering staff must discuss those plans with Sewer Section Engineering Personnel. The plans must be submitted through the OUC-EFP review process.

If there are any questions regarding the sewer facilities, contact Anupam Verma at [Anupam.Verma@CityofChicago.org](mailto:Anupam.Verma@CityofChicago.org) <<mailto:Anupam.Verma@CityofChicago.org>>.

Very truly yours,

Andrea R.H. Cheng, Ph.D., P.E.  
Commissioner
