- b) general real estate taxes and any special assessments or other taxes;
- c) all easements, encroachments, covenants and restrictions of record and not shown of record;
- d) such other title defects as may exist; and
- e) any and all exceptions caused by the acts of the Developer or its Agents.

2 Form of Evans Parcel's Deed. The Developer shall convey good and merchantable title to the Evans Parcel to the City by recordable Special Warranty deed ("Warranty Deed"), subject only to the terms of this Agreement and the following:

a) covenants, conditions, and restrictions of record, and building lines and easements, if any, provided they do not interfere with the use of the property; and

b) general real estate taxes not due and payable at the time of Closing. Notwithstanding the foregoing, the general real estate taxes shall be prorated to and including the closing day and such proration shall be based on 110% of the most recent ascertainable full year tax bill; and

c) any and all exceptions caused by the acts of the City or its Agents.

3 Recording. The Developer shall pay to record the Deed and Warranty Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer, and Evans Parcel to the City. This Agreement shall be recorded prior to any mortgage made in connection with any Lender Financing. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number.

4 Reconveyance Deed. On the Closing Date, the Developer shall execute and deliver a Reconveyance Deed (in substantially the form attached hereto as Exhibit D) to the City to be held in trust. The Developer acknowledges and agrees that the City shall have the right to record the Reconveyance Deed and revest title to the Property and all improvements thereon in the City in accordance with Section 20 hereof.

5 The Public Alley.

7

a) Construction of the Public Alley. The Developer agrees, at its sole expense, to construct the Public Alley, in accordance with applicable laws, ordinances, and regulations including the most current version of the Chicago Department of Transportation's Regulations for Opening, Repair and Construction in the Public Way, and its appendices as of the Effective Date provided, however, if the alley is not completed within the timeline provided in this Section 6.5(a), the most current version of CDOT's rules and regulations shall apply. The Developer shall complete construction of the Public Alley within 18 months after the latter of the occurrence of either (i) recording the final plat necessary for dedication or opening of parcels necessary for the creation of the Public Alley, or (ii) substantial completion of the Project. For clarification, the Developer's completion of the construction of the Public Alley is neither a condition precedent to the City's issuance of the Certificate of Completion nor a condition precedent to the City's issuance of a Certificate of Occupancy for the Project. Developer agrees to make a performance deposit with CDOT in the amount equivalent to the cost of construction of the Public Alley, as such dollar amount has been determined by CDOT at the later of (x) closing of this Agreement or (y) 30 days after CDOT advises the Developer the amount of the performance deposit.

b) Dedication of Developer Alley Parcels and Private Alley Parcels. The Developer shall be responsible for causing the dedication (or opening, as provided in this Section 6.5) of the Developer Alley Parcels and Private Alley Parcels for public right of way for the Public Alley, at the Developer's sole cost and expense. The Developer shall

i) prepare one or more plats of dedication of the Developer Alley Parcels and Private Alley Parcels for signature by the Developer, City, and owners whose property is contiguous to the Private Alley Parcels ("Interested Owners") and (ii) diligently pursue the Interested Owners' execution of the Private Alley Parcels plat of dedication for 60 days after the Effective Date and upon expiration of such 60 day period, subject to City Council approval, the City shall commence acquisition of the Private Alley

Parcels through eminent domain as provided in this Section 6.5. If one or more of the Interested Owners fail, for any reason, to execute the plat of dedication within that 60-day period, (x) the Developer shall thereafter submit one or more plats of dedication containing signatures of all Interested Owners who have executed the plat(s) of dedication, dedicating all their interests in the Private Alley Parcels and (y) the City, subject to City Council approval, shall acquire such Interested Owners' interest in the Private Alley Parcels as provided in Section 6.5(d). Additionally, within the same period of time (60 days from the Effective Date), Developer shall present to each Interested Owner whose property is subject to a first mortgage a letter of consent in recordable form acceptable to the City for their first mortgagee to sign. CDOT shall, thereafter, pursue City Council approval for the acceptance of the dedication concurrently with the opening of the City Alley Parcels and, if applicable, Private Alley Parcels.

c) Opening of City Alley Parcels and, if applicable, Private Alley Parcels. The City authorizes the Developer, at Developer's sole cost and expense, to prepare and submit to CDOT an application for the opening of (i) the Private Alley Parcels, but only if, pursuant to Section 6.5(d) below and separate ordinance, the City has notified the Developer that the City has acquired or intends to acquire the Private Alley Parcels, and
ii) the City Alley Parcels. CDOT shall, thereafter, obtain City Council approval of the opening of the City Alley Parcels and, if applicable, Private Alley Parcels as provided in Section 6.5(d). Section 6(a) CDOT may pursue City Council approval for the dedication and opening provided under Section 6.5 (a)(&) and Section 6.5(c)(e) even though the Private Alley Parcels may need to be acquired through eminent domain, and, if need be,

8

the Private Alley Parcels are separately dedicated or opened (as the case may be) after the passage of the Public Alley ordinances provided under Section 6.5(c)(e) and Section 6.5(c).

d) Acquisition of the Private Alley Parcels. Pursuant to Article VII, Section 6, of the Constitution of the State of Illinois, City Council approval pursuant to separate ordinance, and all the terms, covenants and conditions of this Agreement, the City agrees to acquire the Interested Owners' rights in and to the Private Alley Parcels through condemnation, in compliance with the Eminent Domain Act, 735 ILCS Section 30/5-5-5, for the construction of the Public Alley in furtherance of the public purposes and goals and objectives of the Project. Such City obligation is subject to, among other things as provided in this Section 6.5, Developer's obligation to reimburse the City for all Acquisition Costs, as itemized in Section 6.5(f) and the terms of this Section 6.5. The City shall be under no obligation to initiate any acquisition efforts with respect to the Interested Owners' rights in and to the Private Alley Parcels if the Developer does not prepare and submit to CDOT the applications for the dedication and opening of the Developer Alley Parcels and Private Alley Parcels, and City Alley Parcels, respectively, and diligently pursue execution of such plats by Interested Owners as provided in Section 6.5(b). In addition, the City shall be under no obligation to acquire the Private Alley Parcels through eminent domain unless any of the Interested Owners refuse to execute the plat of dedication as provided in Section 6.5(b). Following such authorization and acquisition, the Developer shall cause the Private Alley Parcels to be opened as provided in Section 6.5(a)(e).

e) Acquisition Notice. The City shall give notice to the Developer upon the entry of any Judgment Order establishing just compensation for the Private Alley Parcels within fifteen (15) days of such entry (the "Acquisition Notice"). Developer shall deposit the amount of the compensation in the Acquisition Notice with the Cook County Treasurer in accordance with 735 ILCS 30/10-5-85 within ten days from receipt of the Acquisition Notice. Upon issuance of an order vesting title in the City, the Developer agrees to pay all Acquisition Costs incurred within ten (10) days from the receipt of the Acquisition Notice, and CDOT shall, thereafter, proceed to pursue City Council approval for the opening of the Private Alley Parcels for a public right of way.

f) Acquisition Costs. The Developer hereby agrees to pay (i) all those amounts constituting costs, other than (i) charges for City personnel or (ii) any City overhead, fee, burden or markup that is added to third party costs or expenses that otherwise would be Acquisition Costs, associated with the process of acquiring the Private Alley Parcels and any associated closing costs of the City; (ii) all those amounts determined to be just compensation pursuant to any judgment or agreed orders entered in the eminent domain proceedings instituted to acquire any of the Private Alley Parcels ("Judgment Order(s)"), including interest as established by statute, court order or jury verdict, court costs, and trial expenses; (iii) reasonable attorneys' fees for outside counsel retained by the City in its reasonable judgment to effect the acquisitions contemplated by this Agreement (whether through negotiated sale or eminent domain proceedings) and costs incurred on behalf of the City associated with the acquisition of the Private Alley Parcels as determined by the City (iv) cost of any title commitments and title policies, any surveys and any appraisal reports and fees for any appraisers for the Private Alley Parcels; (v) any statutory and court-awarded abandonment costs, including attorneys' fees resulting from the abandonment of any eminent domain proceedings filed by the City to acquire any Private Alley Parcel or as a result of any default under this Agreement by Developer; (vi) any costs incurred by the City in compensating existing parties with a right

9

of easement to the Private Alley Parcels or otherwise payable to such parties; (vii) all escrow fees and title charges, and any other acquisition costs reasonably incurred by the City in performing its obligations under this Agreement, including, without limitation, with respect to acquisitions that are ultimately abandoned or terminated by the City pursuant to a right granted hereunder ((i) through (vii) individually and in aggregate, the "Acquisition Costs"). If the City proceeds to acquires any Private Alley Parcels, DPD shall use reasonable efforts to deliver to the Developer a statement of all Acquisition Costs owed by the Developer as to such Private Alley Parcels.

(g) Letter of Credit. To secure Developer's obligation to pay for Acquisition Costs, Developer shall furnish to the City an unconditional irrevocable letter of credit ("Letter of Credit"), in form and substance satisfactory to the City, in the sum of 130% of the estimated Acquisition Costs provided by the City's choice of outside counsel for the acquisition of the Private Alley Parcels after expiration of the 60 day period provided in Section 6.5(b). The Letter of Credit shall provide that the issuer shall neither cancel nor fail to renew such Letter of Credit without thirty (30) days' prior written notice to the City. If any such notice is given, the Developer shall provide a replacement Letter of Credit no later than fifteen (15) days prior to the expiration date of the expiring Letter of Credit. If the Developer does not do so, the City shall be entitled to draw upon the expiring Letter of Credit to pay any incurred, contractually committed and reasonably foreseeable Acquisition Costs. The Developer shall provide the Letter of Credit within fifteen (15) days of the latter to occur of (i) the full execution of this Agreement, or (ii) receipt by the Developer of a notice by the City containing a summary of the outside counsel's estimated invoice for the estimated Acquisition Costs. Upon the acquisition by the City of the Private Alley Parcels, and payment of any Acquisition Costs, the Letter of Credit or any excess funds from such Letter of Credit shall be returned to the Developer. The City has only agreed to acquire and open the Private Alley Parcels for the Acquisition Costs because (x) the creation of the Public Alley is in the best interest of the public and (y) the Developer has agreed to execute this Agreement and comply with its terms and conditions.

SECTION 7. TITLE AND SURVEY.

1 Title Commitment and Insurance. Not less than thirty (30) days before the closing, the Developer shall obtain a commitment for an owner's policy of title insurance for the Property, issued by the Title Company (the "Title Commitment"). The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and

obtaining the Title Policy and any endorsements it deems necessary.

2 Correction of Title. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the Property or liens for such unpaid property taxes, the City shall ask the County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (a) accept title to the Property subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically

10

provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer shall be deemed to have accepted title subject to all exceptions.

3 Survey. The Developer shall obtain a survey of the Property and Evans Parcel at the Developer's sole cost and expense.

4 Title Commitment and Insurance for Evans Parcel. Not less than thirty (30) days before the closing, the Developer shall obtain a Title Commitment for an owner's policy of title insurance for the Evans Parcel, as evidence of title in Developer. The title insurance policy shall be subject only to items listed in Section 6.2 herein and shall have an effective date as of the closing and be in the amount of \$88,000.00. The Developer shall furnish to the City at Closing an Affidavit of Title covering the date of Closing, and shall sign any other customary forms required for issuance of an ALTA Insurance Policy. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining the Title Policy and any endorsements.

5 Correction of Title for Evans Parcel. The commitment for title insurance will be presumptive evidence of good and merchantable title as therein shown, subject only to the exceptions therein stated. If the title commitment discloses any unpermitted exceptions or if the survey shows any encroachments or other survey matters that are not acceptable to the City, then the Developer shall have said exceptions, survey matters or encroachments removed, or have the Title Company commit to either insure against loss or damage that may result from such exceptions or survey matters or insure against any court-ordered removal of the encroachments. If the Developer fails to have such exceptions waived or insured over prior to Closing, the City may elect to terminate this Agreement, or to take title as it then is with the right to deduct from the Credit at Closing prior encumbrances of a definite or ascertainable amount.

SECTION 8. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall, within six (6) months of the passage and approval of the Project Ordinance, (i) obtain an approved foundation permit, and (ii) submit its application for the building permit and other required permits and approvals ("Governmental Approvals") for the Project, unless DPD, in its sole discretion, extends such approval and application dates, and shall pursue such Governmental Approvals in good faith and with all due diligence. By the City executing this Agreement, (i) DPD gives its consent for the Department of Buildings to allow the Developer to apply for the necessary building permits prior to Developer's acquisition of the Property and (ii) DPD shall provide its consent to any other applicable City department to allow the Developer to apply for the necessary Governmental Approvals required in Section 10.5 of this Agreement from such City departments having jurisdiction over the Project or Developer prior to Developer's acquisition of the Property.

SECTION 9. PROJECT BUDGET AND PROOF OF FINANCING.

The Developer has furnished to DPD, and DPD has approved, a preliminary project budget showing total costs as of June 28, 2022, for the construction of the Project in the amount of approximately \$127,308,300. The Developer hereby certifies to the City that the preliminary project budget is true, correct and complete in all material respects. Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to DPD for approval a final project budget ("Budget") and proof reasonably acceptable to the City that the Developer has equity in amounts adequate to complete the Project and satisfy its obligations under this Agreement ("Proof

11

of Financing"). The Proof of Financing shall include evidence (e.g., the Developer's most recent quarterly statement) of the Developer's ability to make an equity contribution in the amount of the required financing, as evidenced in the final Budget.

SECTION 10. CONDITIONS PRECEDENT TO CLOSING.

The obligation of the City to convey the Property to the Developer is contingent upon the delivery or satisfaction of each of the following items (unless waived by DPD in its sole discretion) at least fourteen (14) days prior to the Closing Date, unless another time period is specified below:

1 Budget. The Developer has submitted to DPD, and DPD has approved, the Budget in accordance with the provisions of Section 9 hereof.

2 Proof of Developer Equity. The Developer has submitted to DPD, and DPD has approved, the Proof of 100% Funds required for the Project in accordance with the provisions of Section 9 hereof.

3 Zoning and Dedication/Opening of Public Alley. Additionally, the Developer shall have made a performance deposit with CDOT as provided in Section 6.5(a) (if then due according to Section 6.5(a)).

4 Plans and Specifications. The Developer has submitted to DPD, and DPD has approved, the Final Plans for the Project in accordance with the provisions of Section 11.1 hereof.

5 Governmental Approvals. The Developer has received all Governmental Approvals necessary to construct the Project and has submitted evidence thereof to DPD, including but not limited to all necessary building permits.

6 Title. On the Closing Date, the Developer shall furnish the City with:

b) A copy of the pro forma Title Policy for the Evans Parcel, certified by the Title Company, showing the City as the named insured. The Title Policy shall be dated as of the Closing Date and shall evidence the recording of this Agreement. The Title Policy shall also contain such endorsements as the

Corporation Counsel may deem necessary to cure any defects on title and convey title to the City as provided in Section 6.2, including, but not limited to, satisfactory endorsements regarding contiguity, location, access and survey.

7 Survey. The Developer has furnished the City with copies of any surveys prepared for the Property and Evans Parcel.

8 Insurance. The Developer has submitted to the City, and the City has approved, evidence of liability (\$1M/occurrence; \$2M/aggregate) and property insurance reasonably

12

acceptable to the City for the Property. The Developer's liability coverage may be provided through its captive insurance company (Northwestern Medicine Insurance Company). The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date through the date the City issues a Certificate of Completion (as defined in Section 14 below) for the Project. With respect to property insurance, the City will accept either a 2003 ACORD 28 form, or a 2006 ACORD 28 form with a policy endorsement showing the City as a loss payee (subject to the prior rights of any first mortgagee). With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9 Due Diligence. The Developer has submitted to the Corporation Counsel the following due diligence searches in its name (as plaintiff and as defendant for litigation searches), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel:

- a) Bankruptcy Search, U. S. Bankruptcy Court for the N.D. Illinois;
- b) Pending Suits and Judgments, U. S. District Court for the N.D. Illinois;
- c) Federal Tax Lien Search, Illinois Secretary of State;

The Developer has submitted to the Corporation Counsel a resolution(s) or its corporate secretary's certificate, authorizing or evidencing its authority to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its

obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing Date; and such other corporate authority and organizational documents as the City may reasonably request.

11 Economic Disclosure Statement. The Developer has provided to the Corporation Counsel an Economic Disclosure Statement in the City's then current form, dated as of the Closing Date.

12 MBE/WBE and City Residency Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors have met with staff from DPD

13

regarding compliance with the MBEA/WBE, city residency hiring and other requirements set forth in Section 23, and DPD has approved the Developer's compliance plan in accordance with Section 23.4.

13 Reconveyance Deed. On the Closing Date, the Developer shall deliver a Reconveyance Deed for the Property to the City for possible recording in accordance with Section 20 below, if applicable.

14 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 25 and elsewhere in this Agreement shall be true and correct.

15 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement, including the applicable requirements of Section 23.

If any of the conditions in this Section 10 have not been satisfied to DPD's reasonable satisfaction within the time periods provided for herein, or waived by DPD, DPD may, at its option, upon thirty (30) days' prior written notice to the Developer, terminate this Agreement at any time after the expiration of the applicable time period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder; provided, however, that if within said thirty (30) day notice period the Developer satisfies said condition(s), then the termination notice shall be deemed to have been withdrawn. Any forbearance by DPD in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 11. CONSTRUCTION REQUIREMENTS.

1 Plans and Permits. The Developer shall construct the Project on the Property in accordance with the drawings and specifications prepared by the Architect, and attached hereto as Exhibit H ("Preliminary Drawings") and the Final Plans. No material deviation from the Preliminary Drawings may be made without the prior written approval of DPD. The Preliminary Drawings and the Final Plans shall at all times conform to all applicable Laws. If the Developer submits and DPD approves revised drawings and specifications after the Effective Date, the term "Preliminary Drawings" as used herein shall refer to the revised drawing and specifications upon DPD's written approval of the same. The Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire Governmental Approvals for the Project.

2 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and cause the general contractor and each subcontractor to abide by the terms set forth in Section 24.2 (City Resident Construction Worker Employment Requirement) and Section 24.3 (MBE/WBE Commitment) of this Agreement. The Developer shall deliver to the City written progress reports detailing compliance with such requirements on a quarterly basis. If any such reports indicate a shortfall in

compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

3 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or

14

construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other utility services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

4 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable Laws.

5 Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require during the Project, identifying the site as a City redevelopment project. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The parties shall work in good faith to agree upon the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades and signs, which shall be maintained by the Developer at its sole cost and expense. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

6 Survival. The provisions of this Section 11 shall survive the closing.

SECTION 12. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than October 31, 2023, and shall complete the Project (as evidenced by the issuance of the Certificate of Completion) no later than 36 months after construction commencement; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Final Plans and all Laws and covenants and restrictions of record.

SECTION 14. CERTIFICATE OF COMPLETION.

Upon the Developer's completion of the Project, the Developer shall request in writing from the City a certificate of completion (the "Certificate of Completion"). The Developer's written

15

request shall include: (a) a request for the return of the Performance Deposit (if any); (b) a copy of the certificate of occupancy (the "Certificate of Occupancy") for the Project issued by the City's Department of Buildings; (c) a copy of the close-out letter from DPD regarding compliance with Section 24 hereof; (d) a copy of the recorded Final NFR Letters (as defined in Section 23.1) for the Property and the Developer Property pursuant to Section 23 hereof; compliance documentation evidencing compliance with the City's MBE/WBE and City Residency requirements; Silver LEED Certification; a copy of the green roof certification; and a copy of the Developer's Certificate of Need for the Project issued by the Illinois Health Facilities and Services Review Board. Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole opinion of DPD, for the Developer to take or perform in order to obtain the Certificate of Completion. If DPD requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 19) with respect to the Developer's obligations to construct the Project.

SECTION 15. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

1 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

2 The Developer shall construct the Project in accordance with this Agreement, the Final Plans, and all Laws and covenants and restrictions of record.

3 The development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City, and are intended to further the City's public policies.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the expiration of the final Certificate of Completion to anyone other than another

principal party, without the prior written consent of DPD,

16

which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer.

SECTION 17. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Project, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for any Lender Financing already approved pursuant to Section 9, which shall be limited to funds necessary to construct the Project.

SECTION 18. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any Affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19. If any such mortgagee or its Affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 19.

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 23 (Release for Environmental Conditions), touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 18 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Section 13, Section 15.2, Section 15.3, Section 16, and Section 17 upon the issuance of the Certificate of Completion; and Section 15.1 and Section 23.3 (Release for Environmental Conditions) with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

1 Time is of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

17

b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or the Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer nor any other Developer Parties shall assert that those obligations must be satisfied in whole or in part by the City, because this covenant contains a full, complete and final release of all such claims.

5 Survival. The terms of this Section 23 shall survive the Closing or any earlier termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human

24

Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to

business concerns which are located in or owned in substantial part by persons residing in, the City.

c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

d) The Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

24.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

25

b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were

26

employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 Developer's MBEA/VBE Commitment. The Developer agrees for itself and its successors and

assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

Those entities which constitute both an MBE and a WBE shall not be credited more than once with regard to the Developer's MBEA/VBE commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code, the

Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBEA/VBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

f) Any reduction or waiver of the Developer's MBEA/VBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

29

f) As of the Closing Date, the Developer will have and shall maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project.

g) The Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

SECTION 27. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is

31

being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing, the City may elect to decline to close the transaction contemplated by this Agreement.

7 For purposes of this provision:

a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

d) Individuals are "domestic partners" if they satisfy the following criteria:

32

i) they are each other's sole domestic partner, responsible for each other's common welfare; and

ii) neither party is married; and

iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

v) two of the following four conditions exist for the partners:

1) The partners have been residing together for at least 12 months.

2) The partners have common or joint ownership of a residence.

3) The partners have at least two of the following arrangements: (A) joint ownership of a motor vehicle;

, (B) joint credit account;

C) a joint checking account;

D) a lease for a residence identifying both domestic partners as tenants.

4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" : as defined in

Chapter 2-156 of the Municipal Code, as amended.

SECTION 30. INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. The Developer understands and will abide by all provisions of Chapter 2-56 of the Municipal Code.

SECTION 31. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of DPD. Such breach and default entitles the City to all remedies

33

under the Agreement, at law or in equity. This section does not limit the Developer's, general contractor's and its subcontractors' duty to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 32. 2014 CITY HIRING PLAN.

1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or

opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4 In the event of any communication to the Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 33. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1 -23-030 of the Municipal Code shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

34

SECTION 34. MISCELLANEOUS.

The following general provisions govern this Agreement:

1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument. For purposes of this Agreement, a document (or signature page thereto) electronically or digitally signed and transmitted by facsimile machine or other electronic means is to be treated as an original document. The signature of any party on any such document, for purposes hereof, is to be considered as an original signature, and the document transmitted is to be considered to have the same binding effect as an original hand signature on an original document.

2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

4 Entire Agreement: Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

6 Force Majeure. Neither the City nor the Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such

party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

35

10 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.
