OFFICE OF THE MAYOR

CITY OF CHICAGO

LORI E. LIGHTFOOT  
MAYOR

November 16, 2022

TO THE HONORABLE, THE CITY COUNCIL OF THE CITY  
OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of City-owned properties.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

## ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is the owner of the real property located at 8645 S. Yates Boulevard, Chicago, Illinois, 60617, consisting of approximately 6,250 sq. ft. (5.89 acres), as legally described on Exhibit A attached hereto (the "Land"); and

WHEREAS, the Land is improved with a former substation comprised of approximately 5,500 square feet (the "Building." and together with the Land, the "Property"); and

WHEREAS, the Building has been vacant since the City stopped providing electricity via City-owned substations; and

WHEREAS, B. Leonard Construction, LLC, an Illinois limited liability company ("Grantee"), is a Chicago-based, Black-owned construction company; and

WHEREAS, Grantee is currently renting office space in Hyde Park and has submitted a proposal to the City's Department of Planning and Development ("DPD") to purchase the Property for \$55,500.00 (the "Purchase Price") to renovate the Building for office space for Grantee's use (the "Project"); and

WHEREAS, the Purchase Price represents the appraised fair market value of the Property as of April 5, 2022, assuming the land has no adverse environmental conditions; and

WHEREAS, a Phase I Environmental Site Assessment of the Property identified polychlorinated biphenyls ("PCBs") in the concrete flooring of the Building and a suspect underground storage tank ("UST") fill cap/port on the far northeast portion of the Property; and

WHEREAS, as a condition of the sale, the City is requiring Grantee to (i) remediate the PCBs on the concrete floor prior to occupancy of the Building, (ii) remove and close any identified USTs in accordance with applicable regulations, including Title 41 of Illinois Administrative Code ("IAC") Part 175, and (iii) address any identified leaking USTs in accordance with 35 IAC Part 734; and

WHEREAS, Grantee has agreed to remediate the Property in accordance with the terms set forth in this ordinance; and

WHEREAS, the cost of remediating the Property will increase Grantee's costs of constructing the Project; and

WHEREAS, the City has agreed to deposit the Purchase Price into an environmental escrow at closing for Grantee to utilize for the remediation of the Property; and

WHEREAS, by Resolution No. 22-046-21, adopted on October 20, 2022, the Chicago Plan Commission approved the disposition of the Property to Grantee; and

WHEREAS, public notices advertising DPD's intent to enter into a negotiated sale of the Property with Grantee and requesting alternative proposals appeared in the Chicago Tribune on

August 2, 9, and 16, 2022; and

***WHEREAS, no other responsive proposals were received by the deadline set forth in the aforesaid notices; now, therefore,***

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:**

SECTION 1. The foregoing recitals, findings and statements of fact are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the Property to Grantee for the Purchase Price is hereby approved, subject to Grantee's satisfaction of each of the following conditions precedent to closing (unless waived by DPD in its sole discretion):

- a) Grantee must submit to DPD, and DPD must approve, the final construction plans and specifications for the Project; and
- b) Grantee must obtain all building permits and other required permits and approvals necessary to construct the Project and submit evidence thereof to DPD.

If Grantee fails to close on the acquisition of the Property within three (3) years of the date of passage and approval of this ordinance, then this ordinance will be rendered null and void and of no further effect as to such Property, unless the Commissioner, in the Commissioner's sole discretion, extends the closing date. Grantee shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 3. The Purchase Price shall be deposited into an escrow account to be held by a third-party title insurance company for purposes of funding certain environmental costs (the "Escrow Account"), pursuant to a written joint order environmental escrow agreement in substantially the form attached hereto as Exhibit B (the "Escrow Agreement"). The commissioner of the Department of Assets, Information and Services (the "Commissioner"), or a designee of the Commissioner, is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Escrow Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Escrow Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Escrow Agreement and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of this ordinance, with such changes, deletions and insertions as shall be approved by the Commissioner or the Commissioner's designee. Such documents may contain terms and provisions that the Commissioner or the Commissioner's designee deems appropriate, including indemnification, releases, affidavits, and other documents as may be reasonably necessary to remove exceptions from title to the Property or that otherwise may be reasonably necessary or appropriate to consummate the transaction contemplated hereby. Grantee shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 4. The Mayor or the Mayor's proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, a quitclaim deed ("Deed") conveying the Property to Grantee, or to a land trust of which Grantee is the sole beneficiary, or to a business entity of which Grantee is the sole controlling party. Without limiting the quitclaim nature of the Deed, the conveyance of the Property shall be subject to the following: (a) the standard exceptions in an ALTA title insurance policy; (b) general real estate taxes and any special assessments or other

taxes; (c) all easements, encroachments, covenants, restrictions and liens of record and not shown of record; (d) such other title defects that may exist; and (e) any and all exceptions caused by the acts of Grantee or its agents. In addition, the Deed shall include the following terms, covenants and conditions, in substantially the form set forth below, which are a part of the consideration for the Property and which shall run with the land and be binding upon and enforceable against Grantee and Grantee's heirs, successors and assigns, in perpetuity (unless a shorter period is expressly stated below):

1. **Covenant to Complete Project.** Grantee shall renovate the building on the Property into office space and satisfy the remediation requirements set forth in Section 3(b) below (the "Project") in accordance with plans previously approved by the Department of Planning and Development ("Department") within eighteen (18) months of the date of this Deed. No material deviation from the previously approved plans is permitted without written approval from the Department. If this condition is not met, the City may record a notice of default against the Property and shall have the right to exercise any and all remedies available to it at law or in equity, including the right to re-enter and revest title to the Property in the City. Grantee, at the request of the City, covenants to execute and deliver to the City a reconveyance deed to the Property to further evidence such revesting of title. Upon completion of the renovation, Grantee shall submit a written request to the Department for a certificate of completion. If the Department determines that Grantee has completed the renovation in accordance with this covenant, the Department shall provide Grantee with the certificate of completion. The certificate shall be in recordable form and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenant in this section.
2. **"As Is," "Where Is" and "With All Faults" Conveyance.** Grantee acknowledges that Grantee has had an opportunity to inspect the Property and is relying solely upon Grantee's own inspection and other due diligence activities in determining whether to acquire the Property, and not upon any information provided by or on behalf of the City with respect thereto. Grantee accepts the risk that any inspection may not disclose all material matters affecting the Property (and any improvements thereon). Grantee acknowledges and agrees that the Property is being conveyed, and Grantee accepts the Property, in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition, without any covenant, representation or warranty, express or implied, of any kind, regarding the physical or environmental condition of the Property (or any improvements thereon), its compliance with any Laws, or the suitability or merchantability of the Property for any purpose whatsoever. Grantee acknowledges and agrees that Grantee is solely responsible for any investigation and remediation work necessary to put the Property in a condition which is suitable for its intended use.
3. **Environmental Requirements.** Grantee shall satisfy the following environmental requirements:
  - (a) As used herein, the following terms shall have the following meanings:

"Waste" means those materials defined in the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq. as waste and identified subcategories thereof, including but not limited to, construction or demolition debris, garbage, household waste, industrial process waste, landfill waste, landscape waste, municipal waste, pollution control waste, potentially infectious medical waste, refuse, or special waste.

b) Remediation Requirements. Grantee shall (i) remediate the polychlorinated biphenyls ("PCBs") on the concrete floor prior to occupancy of the Building, (ii) remove and close any identified underground storage tank ("UST") on the Property in accordance with applicable regulations, including Title 41 of Illinois Administrative Code ("IAC") Part 175, and (iii) properly address any identified leaking USTs on

the Property in accordance with 35 IAC Part 734

- c) Release. Grantee, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under any of them, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through Grantee following the date of the Deed (collectively, the "Grantee Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "City Parties"), from and against any and all Losses which Grantee Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of the Deed, based upon, arising out of or in any way connected with, directly or indirectly: (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Grantee Parties waive their rights of contribution and subrogation against the City Parties.

5

Grantee acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to convey the Property, and that, but for such release, the City would not have agreed to convey the Property to Grantee. It is expressly agreed and understood by and between Grantee and the City that, should any future obligation of Grantee or Grantee Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither Grantee nor any other Grantee Parties shall assert that those obligations must be satisfied in whole or in part by the City, because this covenant contains a full, complete and final release of all such claims.

4. Affordable Housing. Grantee acknowledges that the sale of City-owned land may trigger Section 2-44-085 of the Municipal Code of Chicago (as hereafter amended, supplemented or replaced, the "Affordable Requirements Ordinance"), and therefore, that a future residential project on the Property may be subject to the requirements of the Affordable Requirements Ordinance.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall be in full force and effect immediately upon its passage and approval.
