If at any time the Governmental Lender Notes are not rated (and, consequently, there is no Rating Agency), then the money market mutual fund must be rated "AAAm-G" or "AAAm" by S&P or Aaa by Moody's. If at any time (i) either of the Governmental Lender Notes is not rated, (ii) both S&P and Moody's rate a money market mutual fund and (iii) one of those ratings is below the level required by this paragraph, then such money market mutual fund will, nevertheless, be deemed to be rated in the Highest Rating Category if the lower rating is no more than one rating category below the highest rating category of that rating agency.

If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Notes, this Funding Loan Agreement and all other Funding Loan Documents.

(h) Several Obligations. Neither the Servicer, nor any Funding Lender shall be responsible for the failure of any other Funding Lender to make advances under its Funding Loan or to perform any other obligation to be made or performed by such other Funding Lender hereunder, and the failure of any Funding Lender to make advances under its Funding Loan or to perform any other obligation to be made or performed by it hereunder shall not in and of itself relieve the obligation of the other Funding Lender to make any advance of its Funding Loan or to perform any other obligation to be made or performed by such other Funding Lender hereunder.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loans.

Section 2.2 Form of Governmental Lender Notes. As evidence of its obligation to repay the Funding Loans, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lenders, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Notes. d) The Governmental Lender Notes or any interest therein, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the applicable Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Governmental Lender Notes shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

e) No service charge shall be made for any sale or assignment of the Governmental Lender Notes or a participation therein, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other charge that may be imposed in connection with any such sale or assignment and payment of any fees and expenses incurred by the Governmental Lender in connection therewith. (c) The Funding Lenders will promptly notify the Borrower, the Servicer, if any, and the Governmental Lender in writing of the occurrence of any Event of Default hereunder or any Borrower Loan Agreement Default known to the Funding Lenders.

Section 8.10. Each Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and prepayment premium, if any, paid on the applicable Funding Loan, subject to the inspection of the Borrower, the Governmental Lender, the Servicer and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lenders, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loans, if any, and to make copies thereof.

## **Article IX Default; Remedies**

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an "Event of Default") under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable; or

b) A default in the payment of principal of, or premium on, any Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

-27-

c) Subject to Section 8.7 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lenders or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender, Borrower, Equity Investor or Special Member has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender, Borrower, Equity Investor or Special Member is diligently pursuing such cure to the satisfaction of the Funding Lenders or the Servicer as administrative agent for the Funding Lenders, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lenders or the Servicer) within which to cure such default; or

d) A default in the payment of any Additional Borrower Payments; or

e) Any other "Default" or "Event of Default" under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment, (a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders may declare the principal of the applicable Funding Loan and the corresponding Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the applicable Funding Loan and the applicable Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lenders or the Servicer may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

There has been deposited with the Funding Lenders a sum sufficient to pay (1) all overdue installments of interest on the Governmental Lender Notes, (2) the principal of and Prepayment Premium on the Governmental Lender Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Governmental Lender Notes, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Governmental Lender Notes, and (4) all sums paid or advanced by the Funding Lenders and the reasonable compensation, expenses, disbursements and

-28-

advances of the Funding Lenders, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

All Events of Default, other than the non payment of the principal of the Government, Lender Notes which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lenders shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default or a default under any other Funding Loan Document.

Section 9.3. Additional Remedies; Funding Lender Enforcement. (a) Upon the occurrence of an Event of Default, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce the rights of the Funding Lenders by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lenders is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lenders hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders, may proceed forthwith to protect and enforce the rights of the Funding Lender and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lenders, in their sole discretion, shall deem expedient. The Funding Lenders or the Servicer as administrative agent for the Funding Lenders shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

ii) to become mortgagee of record for the applicable Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the applicable Funding Lender or the Servicer as

-29-

administrative agent for the Funding Lenders as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lenders may elect.

Whether or not an Event of Default has occurred, and except as provided in Section 9.15, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders, in their/its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Notes, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights.

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days (or such longer cure period as set forth in the Regulatory Agreement) after the Borrower and the Funding Lenders receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders shall have the right to exercise all or their respective rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lenders or the Servicer as administrative agent for the Funding Lenders pursuant to this Article

**-30-**

and any other sums then held by the Funding Lenders or the Servicer as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lenders:

a) First: To the payment of any and all fees due the Governmental Lender, the Servicer or the Rebate Analyst under the Borrower Loan Documents;

b) Second: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loans;

c) Third: To the payment of the whole amount of the Funding Loans, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has

been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Governmental Lender Notes) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Governmental Lender Notes; provided, however, that partial interests in any portion of the Governmental Lender Notes shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lenders or the Servicer in its sole and absolute discretion; and

d) Fourth: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

e) If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lenders or the Servicer as administrative agent for the Funding Lenders without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If the Funding Lenders or the Servicer shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lenders, then and in every such case the Governmental Lender and the Funding Lenders shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lenders shall continue as though no such proceeding had been instituted.

-31-

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lenders or the Servicer to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lenders may be exercised from time to time, and as often as may be deemed expedient, by Funding Lenders or the Servicer. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lenders, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default

or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lenders or the Servicer as administrative agent for the Funding Lenders shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the applicable Borrower Note, whether or not the corresponding Governmental Lender Notes have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws, (a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

-32-

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lenders or the Servicer as administrative agent for the Funding Lenders shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect the interests of the Funding Lenders in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lenders.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lenders, the Servicer or their respective permitted assignees or designees in accordance with Section 2.4 hereof shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the applicable Borrower Notes, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder,

rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents, subject to the last paragraph of Section 9.2.

Section 9.15. Remedies upon Unremedied Material Funding Lender Event. ii) accurately represent the financial condition of the Project as of the date of such reports, and

iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17. Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of § 1445(f)(3) of the Code.

Section 4.1.18. Separate Lots. Each parcel comprising the Land is (or will be) a separate tax lot and is not (or will not be) a portion of any other tax lot that is not a part of the Land.

equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23. Flood Zone. Either all Improvements will be constructed above the flood grade or the Borrower will obtain appropriate flood insurance as directed by the Funding Lenders or the Servicer.

The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

Section 4.1.25. Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Funding Lenders or the Servicer.

Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

-36-

Section 4.1.33. Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee as reflected in the Cost Breakdown, loans from RS Market I LLC (as provided in the Operating Agreement) and unsecured operating deficit loans and other loans from members of the Borrower (excluding any Subordinate Debt) under the Operating Agreement that are payable solely from Net Cash Flow (as defined in the Operating Agreement).

Section 4.1.34. Filing of Taxes. Section 4.1.40. Regulatory Agreement. The Project, as of the date of origination of the Funding Loans, is in compliance with all requirements of the Regulatory Agreement to the extent

Section 4.1.42. Concerning Managing Member. (a) The Managing Member of Borrower is a limited liability company, duly organized and validly existing under the laws of the State. The Managing Member has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by such Managing Member for its own account and on behalf of Borrower, as Managing Member of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

b) Managing Member has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or

prospects of Managing Member.

c) Managing Member is duly authorized to do business in the State.

d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of Managing Member on behalf of Borrower, and by all necessary action on behalf of Managing Member.

**-38-**

Section 4.1.43. Government and Private Approvals. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or Managing Member of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or Managing Member, as applicable. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. Section 5.11. Governmental Lender's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee) and the Funding Lenders or any agents, attorneys, accountants, consultants selected by the Governmental Lender or the Funding Lenders to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents, including, without limitation, any and all reasonable expenses incurred in connection with the making of the Borrower Loans or in connection with any litigation which may at any time be instituted involving the Borrower Loans, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which the Servicer or any Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects a Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Servicer or such Funding Lender may make such appearances, disburse such sums and take such action as such Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of the Servicer or such Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. Neither the Servicer nor Funding Lenders shall have any obligation to do any of the above. The Servicer or Funding Lenders may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding a Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and

agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lenders and the Servicer (except as provided in Section 9.1

-45-

hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Funding Lenders' and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lenders and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the applicable Borrower Loan and the related Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lenders and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lenders and the Servicer to collect the Borrower Notes, or to enforce the rights of the Governmental Lender, the applicable Funding Lender and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the applicable Funding Lender and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lenders and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lenders and the Servicer, all of which shall constitute part of the applicable Borrower Loan and the related Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lenders or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by the Agreement of Environmental Indemnification.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender or Funding Lenders pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lenders, the Servicer, the Beneficiary Parties, and each of their respective officers, directors, employees, attorneys and agents (each an "Indemnified Party"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) and excluding (i) consequential damages and (ii) special or punitive damages unless actually awarded against an Indemnified Party in a legal action which is not subject to appeal (hereinafter, the

-46-

"Liabilities") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loans or the Funding Loans, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loans, the Funding Loans or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

c) Any lien (other than a Permitted Lien) or charge upon payments by the Borrower to the Governmental Lender or the Funding Lenders hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender or the Funding Lenders in respect of any portion of the Project;

d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof, provided, however, the Borrower's liability under this provision shall not extend to cover the period of any violation that first arose, commenced or occurred as a result of actions of the Indemnified Party, after the satisfaction, discharge, release, assignment, termination or cancellation of the Security Instrument following the payment in full of the Borrower Notes and all other sums payable under the Borrower Loan Documents or after the actual dispossession from the entire Mortgaged Property of Borrower and all entities which control, are controlled by, or are under the common control with Borrower following foreclosure of the Security Instrument or acquisition of the Mortgaged Property by a deed in lieu of foreclosure or following the appointment of a receiver for the Mortgaged Property;

e) The enforcement of, or any action taken by the Governmental Lender, the Servicer or the Funding Lenders related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

f) [Reserved];

g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loans or the Funding Loans or contained in any of

-47-

the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other

information given or delivered by Borrower, the Managing Member, any Guarantor or their affiliates to Governmental Lender, the Funding Lenders, Servicer or any other Person in connection with Borrower's application for the Borrower Loans and the Funding Loans (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loans and the Funding Loans;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(l) the use of the proceeds of the Borrower Loans and the Funding Loans,

except in the case of the foregoing indemnification of the Governmental Lender, the Funding Lenders or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party.

Without limiting the foregoing, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, and each of its officers, officials, directors, employees, attorneys and agents ("City Indemnified Parties") against any Liability to which the City Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to any declaration of taxability of interest on the Funding Loans or allegations (or regulatory inquiry) that interest on the Funding Loans is taxable for federal income tax purposes, except to the extent such damages are caused by the gross negligence or willful misconduct of a City Indemnified Party.

Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and

-48-

shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right upon prior written notice to the Borrower to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided, however, the Governmental Lender shall have the absolute right upon prior written notice to the Borrower to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation, except that the Borrower shall always pay the reasonable fees and expenses of the Governmental Lender's separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower

Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lenders have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity and the right to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Borrower Loans and the Funding Loans and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement.

Nothing in this Section 5.15 shall in any way limit the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Funding Lender. Neither the Governmental Lender nor either Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lenders, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations or the rights of any tenants in occupancy and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lenders, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times

-49-

and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lenders, and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder of which it is actually aware, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.19. Covenant with Governmental Lender and Funding Lenders. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Notes and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Funding Lenders and any lawful owner, holder or pledgee of the Borrower Notes or the Governmental Lender Notes from time to time.

Section 5.20. Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lenders or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loans. The Governmental Lender and the Funding Lenders shall not be liable to the Borrower or any other person if for

any reason the Project are not completed or if the proceeds of the Borrower Loans are insufficient to pay all costs of the Project. The Governmental Lender and the Funding Lenders do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender and the Funding Lenders shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21. Maintenance of Insurance. Borrower will maintain the insurance required by the Construction Funding Agreement.

Section 5.22. Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Governmental Lender and the Funding Lenders:

a) Notice of Default. As soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Event of Default or Potential Default of which it is actually aware, a statement of an Authorized Representative of Borrower describing the details of such Event of Default or Potential Default and any curative action Borrower proposes to take;

b) Financial Statements; Rent Rolls. In the manner and to the extent required under the Construction Funding Agreement, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required

e) Audit Reports. Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

f) Notices; Certificates or Communications. Promptly upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or Managing Member naming Governmental Lender, the Servicer or Funding Lenders as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

g) Certification of Non-Foreign Status. Promptly upon request of the Servicer or either Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by such Funding Lender;

Together with each of the documents required pursuant to Section 5.22(b) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to the Servicer or the Funding Lenders and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

-51-

(i) Other Items and Information. Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of Borrower, Managing Member, Guarantors or the Project, as the Servicer or the Funding Lender or Governmental Lender reasonably requests from time to time.

Section 5.23. Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to the Funding Lenders and the Governmental Lender of:

a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

b) any Legal Action which is instituted by or against Borrower or Managing Member, or any Legal Action which is threatened against Borrower, or Managing Member which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of Borrower, Managing Member or the Project;

c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower or Managing Member is a party or by or to which Borrower or Managing Member or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower or Managing Member as applicable;

d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

f) any change or contemplated change in (i) the location of Borrower's or Managing Member's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or Managing Member; or (iii) the nature of the trade or business of Borrower; and

g) any default, alleged default or potential default on the part of any member (including, without limitation, the Managing Member and the Equity Investor) under the Operating Agreement, after giving effect to any applicable notice, cure or grace period.

-52-

Section 5.24. Compliance with Other Agreements; Legal Requirements, (a) Borrower shall timely perform and comply with, and shall cause Managing Member to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Operating Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish each Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. The Servicer and each Funding Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as such Servicer or Funding Lender may request and otherwise cooperate with such Servicer or Funding Lender in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Servicer or Funding Lenders of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25. Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("Completion") on or before the Completion Date. Borrower shall thereafter maintain the Project and the related and appurtenant uses as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance, which shall mean and be no less than the highest quality of maintenance provided by the Manager for similarly situated properties managed by the Manager.

Section 5.26. Fixtures. Borrower shall deliver to the Servicer, or if there is no Servicer, either Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan

-53-

Documents and the Funding Loan Documents and the funding of all sums necessary to meet any required reserves, including any required reserves for Taxes and insurance before using or applying such Gross Income for any other purpose. With the exception of asset management fees, tax credit adjustment amounts and payments of deferred developer fees or operating deficit loans payable pursuant to the Operating Agreement, Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of the Servicer, or if there is no Servicer, Funding Lenders.

*Section 5.28. Leases and Occupancy Agreements.*

(a) Lease Approval, (i) Borrower has submitted to Funding Lenders, and Funding Lenders have approved, Borrower's standard form of tenant lease (the "Tenant Lease Form") for use in the Project. Borrower shall not materially modify the Tenant Lease Form without the prior Written Consent of the Servicer, or if there is no Servicer, the Funding Lenders in each instance, which consent shall not be unreasonably withheld or delayed. Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without prior Written Consent of the Servicer, or if there is no Servicer, the Funding Lenders, if:

A) The Tenant Lease Form is a Permitted Lease, and is executed in the form approved by the Servicer, or if there is no Servicer, the Funding Lenders, without material modification;

B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the Tenant Lease Form; and

C) The Tenant Lease Form conforms to the Rent Schedule approved by the Servicer, or if there is no Servicer, the Funding Lenders, and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R's.

ii) If any Event of Default has occurred and is continuing, the Funding Lenders may make written demand on Borrower to submit all future leases for Funding Lenders' approval prior to execution. Borrower shall comply with any such demand by Funding Lenders.

iii) No approval of any lease by the Servicer, or if there is no Servicer, the Funding Lenders shall be for any purpose other than to protect the Funding Lender's security for the Borrower Loan and to preserve the Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by the Servicer, or if there is no Servicer, the Funding Lenders shall result in a waiver of any default of Borrower. In no event shall any approval by the Servicer, or if there is no Servicer, the Funding Lenders of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant.

-54-

b) Obligations. Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with Borrower's Manager, Borrower shall not without the approval of the Funding Lenders or the Servicer enter into any leasing or marketing agreement and the Servicer, or if there is no Servicer, the Funding Lenders reserve the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lenders, Borrower will furnish to the Servicer, or if there is no Servicer, the Funding Lenders, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to the Servicer, or if there is no Servicer, the Funding Lenders and consents to such assignments where required by the Servicer, or if there is no Servicer, the Funding Lenders, all in form and substance acceptable to the Servicer, or if there is no Servicer, the Funding Lenders. Neither Borrower nor Managing Member has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to the Servicer, or if there is no Servicer, the Funding Lenders.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Notes, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform the Servicer, or if there is no Servicer, the Funding Lenders of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to the Servicer, or if there is no Servicer, the Funding Lenders a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

Section 5.32. Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. The Servicer, or if there is no Servicer, the Funding Lenders shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then the Servicer, or if there is no Servicer, the Funding Lenders may, at their option, cause Borrower to comply therewith and any and all costs and expenses incurred by in

-55-

connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of the Funding Lenders relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations and warranties in Article IV become untrue or inaccurate at any time during the term of the Funding Loans. Upon any Beneficiary Party's request from time to time during the term of the Funding Loans, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Article IV remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lenders relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loans. Borrower shall immediately notify the Servicer, or if there is no Servicer, the Funding Lenders in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also reimburse Servicer or Funding Lenders for any expense incurred by Funding Lenders in evaluating the effect of

an investigation by Governmental Authorities on the Funding Loans and each Funding Lender's interest in the collateral for its Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Servicer, or if there is no Servicer, the Funding Lenders to enforce their rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lenders relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lenders as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lenders as a result thereof.

Section 5.33. Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms, conditions and adjustments of the Operating Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants as follows, solely with respect to or as it relates to, the Project:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Notes from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to

-56-

comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Notes, the Funding Loans or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Notes, unless it has received and filed with the Governmental Lender and the Funding Lenders a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Notes for a period during which such portion of the Governmental Lender Notes is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Notes or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

i) Limitation on Net Proceeds. At least 95% of the net proceeds of the Funding Loans (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

ii) Limit on Costs of Funding. The proceeds of the Funding Loans will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loans, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loans.

iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding

Loans or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

iv) Limitation on Land. Less than 25 percent of the net proceeds of the Funding Loans actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loans be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

v) Limitation on Existing Facilities. No portion of the net proceeds of the Funding Loans will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such

-57-

acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loans (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loans.

vii) Limitation of Project Expenditures. The acquisition, construction and equipping of the Project was not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the inducement ordinance of the Governmental Lender with respect to the Project on July 21, 2021, and no obligation for which reimbursement will be sought from proceeds of the Funding Loans relating to the acquisition, construction, rehabilitation or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures," which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project, and which do not exceed 20% of the aggregate issue price of the Governmental Lender Notes.

viii) Qualified Costs. The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loans shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-l(b) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Governmental Lender Notes shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located, so that each building in the Project and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Governmental Lender Notes for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lenders nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other Affiliate of the Borrower or the holders or payees of the Governmental Lender Notes and the Borrower Notes for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and

-58-

warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

c) Limitation on Maturity. The average maturity of the Governmental Lender Notes does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loans, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loans. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loans or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Governmental Lender Notes or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Notes to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Agreement or the Borrower Notes relating to the Governmental Lender Notes, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Governmental Lender Notes, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lenders. The Borrower shall not, at any time prior to the final maturity of the Governmental Lender Notes, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Governmental Lender Notes to the maturity date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Governmental Lender Notes and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lenders at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lenders.

-59-

e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Notes to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied

upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Notes for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Project will be operated as a "qualified residential rental project" within the meaning of Section 142(d) of the Code, on a continuous basis during the Qualified Project Period (as defined in the Regulatory Agreement) to the end that the interest on the Governmental Lender Notes shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Notes to be filed with the Internal Revenue Service within prescribed time limits.

(i) Governmental Lender Notes Not Hedge Bonds. The Borrower covenants and agrees that not more than 50% of the proceeds of the Governmental Lender Notes will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Governmental Lender Notes will be used to carry out the governmental purposes of the Governmental Lender Notes within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

-60-

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Governmental Lender Notes will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Governmental Lender Notes.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loans and prior to their payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lenders. Anything contained in this Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lenders and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Notes to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lenders, shall notify the

other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lenders and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Notes in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lenders per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lenders, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lenders as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lenders shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

-61-

The Borrower irrevocably authorizes and directs the Servicer, or if there is no Servicer, the Funding Lenders and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Servicer or the Funding Lenders, or any agent of the Governmental Lender or the Funding Lenders. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Governmental Lender Notes in an amount related to the amount of the corresponding Borrower Loan.

*Section 5.35. Payment of Rebate.*

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loans or the Governmental Lender Notes in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Servicer, within 55 days after each Computation Date:

A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i) (A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lenders), the Borrower shall (1) pay to the Servicer (for deposit to the Rebate Fund) and cause the Servicer to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with

-62-

any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Notes from becoming an arbitrage bond within the meaning of Section 148 of the Code.

iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Notes or the date each Funding Loan is retired in full.

iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lenders in connection with computing the Rebate Amount.

v) No Diversion of Rebatable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loans which are not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loans were not subject to Section 148(f) of the Code.

vi) Modification of Requirements. If at any time during the term of this Agreement, the Governmental Lender, the Funding Lenders or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

b) Rebate Fund. The Servicer shall establish and hold a separate fund designated as the "Rebate Fund." The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Servicer by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Servicer shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Servicer for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Servicer by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

-63-

e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loans.

f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Funding Lenders or of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lenders to secure the Funding Loans or any other obligations.

g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lenders an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lenders with respect to such withdrawal.

h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lenders.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lenders, and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder of which it is actually aware, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

*Section 5.38. Reserved.*

Section 5.39. Compliance with Ground Lease. Borrower will do, or cause to be done, all things necessary to preserve and keep unimpaired the rights of Borrower, as lessee under the Ground Lease, and to prevent any default under the Ground Lease or any termination, surrender, cancellation, forfeiture or impairment thereof. Borrower will keep, observe and perform, or cause to be kept, observed and performed, all of the terms, covenants, provisions and agreements contained in the Ground Lease on the part of Borrower thereunder to be kept, observed and performed. Without prior Written Consent of the Servicer or if there is no Servicer, the Funding

-64-

Lenders, the Borrower will not terminate, cancel (or permit any cancellation or termination), modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Ground Lease and any attempt on the part of Borrower to do so without such prior Written Consent of the Servicer or if there is no Servicer, the Funding Lenders, shall be null and void and of no effect.

Section 5.40. Compliance with HAP Contract. Borrower will do, or cause to be done, all things necessary to preserve and keep unimpaired the rights of Borrower, as lessee under the HAP Contract, and to prevent any default under the HAP Contract or any termination, surrender, cancellation, forfeiture or impairment thereof. Borrower will keep, observe and perform, or cause to be kept, observed and performed, all of the terms, covenants, provisions and agreements contained in the HAP Contract on the part of Borrower thereunder to be kept, observed and performed. Without prior Written Consent of the Servicer or if there is no Servicer, the Funding Lenders, the Borrower will not terminate, cancel (or permit any cancellation or termination), modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the HAP Contract and any attempt on the part of Borrower to do so without such prior Written Consent of the Servicer or if there is no Servicer, the Funding Lenders, shall be null and void and of no effect.

Section 5.41. Compliance with Permanent Loan Commitment. Borrower will do, or cause to be done, all things necessary to preserve and keep unimpaired the rights of Borrower under the Permanent Loan Commitment, and to prevent any default or failure of condition under the Permanent Loan Commitment or any termination or cancellation thereof. Borrower will keep, observe and perform, or cause to be kept, observed and performed, all of the terms, covenants, provisions and agreements contained in the Permanent Loan Commitment on the part of Borrower thereunder to be kept, observed and performed. ### *Section 8.2. Remedies.*

Section 8.2.1. Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Servicer, or if there is no Servicer, the Funding Lenders may, take such action, without notice or demand, as the Servicer, or if there is no Servicer, the Funding Lenders deem advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Notes to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Servicer, or if there is no Servicer, the Funding Lenders, in such Person's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Servicer, or if there is no Servicer, the Funding Lenders.

Section 8.2.2. Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Servicer, or if there is no Servicer, the Funding Lenders against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Servicer, or if there is no Servicer, the Funding Lenders, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lenders shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Servicer, or if there is no Servicer, the Funding Lenders shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lenders may determine in their sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Servicer, or if there is no Servicer, the Funding Lenders permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Servicer, or if there is no Servicer, the Funding Lenders shall remain in full force and effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Servicer, or if there is no Servicer, the Funding Lenders to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any

other portion, and the Servicer, or if there is

-74-

no Servicer, the Funding Lenders may seek satisfaction out of the Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary or in the other Borrower Loan Documents or the Funding Loan Documents, the Governmental Lender and the Funding Lenders agree that any cure of any default made or tendered by the Equity Investor and/or the Special Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower. A courtesy copy of any notice of any default or Event of Default hereunder or in the other Borrower Loan Documents or the Funding Loan Documents given to Borrower shall also be given to the Equity Investor.

Section 8.2.3. Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Servicer, or if there is no Servicer, the Funding Lenders shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Servicer, or if there is no Servicer, the Funding Lenders reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4. Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lenders may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of Borrower to Funding Lenders arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not Funding Lenders shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and Borrower hereby grants to Funding Lenders, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lenders to or for the credit or the account of Borrower.

Section 8.2.5. Assumption of Obligations. In the event that the Servicer or either Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts (or inaction) of the Borrower.

-75-

Section 8.2.6. Accounts Receivable. Upon the occurrence of an Event of Default, , the Servicer, or if there is no

Servicer, the Funding Lenders shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lenders.

Section 8.2.7. Defaults under Other Documents. The Servicer and the Funding Lenders shall have the right to cure any default under any of the Related Documents (other than the Operating Agreement unless an Event of Default exists after the expiration of all applicable notice and cure periods) and the Subordinate Loan Documents, but shall have no obligation to do so.

Section 8.2.8. Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects, unless and until Funding Lenders elect to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9. Completion of Improvements. Upon the occurrence of any Event of Default, the Servicer, or if there is no Servicer, the Funding Lenders shall have the right to cause an independent contractor selected by the Servicer, or if there is no Servicer, the Funding Lenders to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by the Servicer, or if there is no Servicer, the Funding Lenders for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10. Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Servicer, or if there is no Servicer, the Funding Lenders shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender, provided that only the Governmental Lender may enforce the Unassigned Rights that exclusively benefit Governmental Lender and neither the Servicer, nor the Funding Lenders shall impair Governmental Lender's enforcement of such Unassigned Rights. Notwithstanding the foregoing, the Governmental Lender and the Servicer, or if there is no Servicer, the Funding Lenders shall have the right to enforce all rights and remedies under Sections 5.14, 5.15 and 5.17, with or without involvement of the other party. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11. Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints the Servicer, or if there is no Servicer, the Funding Lenders, or an independent contractor selected by the Servicer, or if there is no Servicer, the Funding Lenders, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

- a) to use any of the funds of Borrower or Managing Member, including any balance of the Borrower

Loans, as applicable, and any funds which may be held by Funding Lenders for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lenders a security interest), for the purpose of effecting completion of the construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project, the Improvements or the Project, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;

h) to let new or additional contracts to the extent not prohibited by their existing contracts;

**-77-**

(i) to employ watchmen and erect security fences to protect the Project from injury; and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Servicer or Funding Lenders' assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Notes, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

## **Article IX**

### **Special Provisions**

#### ***Section 9.1. Sale of Notes and Secondary Market Transaction.***

Section 9.1.1. Cooperation. Subject to the restrictions of Section 2.4(b) of the Funding Loan Agreement, at the Funding Lenders' or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lenders or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lenders or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Notes and the Funding Loans or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Notes and the Funding Loans (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lenders or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) pursuant to a confidentiality agreement reasonably acceptable to Borrower, Managing Member and Guarantor, provide such financial and other information with respect to the Borrower Loans, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii) at the

-78-

expense of the Funding Lenders or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase TPs), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lenders or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lenders or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Funding Lenders or the Servicer and the Rating Agencies;

b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lenders or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2. Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "Secondary Market Disclosure Document"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by

providing all reasonably requested current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

Section 9.1.3. Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lenders pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lenders pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lenders and the Servicer, certify in writing that the Borrower has

-79-

carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lenders, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.4. Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lenders, the Governmental Lender and the underwriter group for any securities (the "Underwriter Group") and all officials, employees and agents of any of them for any Liabilities to which Funding Lenders, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lenders, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lenders, the Servicer or the Underwriter Group in connection with defending or investigating such Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5. Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

-80-

Section 9.1.6. Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties by written notice as provided herein.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lenders and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lenders shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Notes and the assignment of the Borrower Notes to the Funding Lenders, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Funding Lenders and the Servicer.

Section 10.4. Preferences. The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

-83-

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lenders or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lenders or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lenders or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lenders or the Servicer with respect to a Borrower Loan Payment. Such waiver shall not invalidate such claim which may be brought as a separate action. Any assignee of Funding Lenders' interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lenders and the Servicer (and any affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lenders' or the Servicer's participation in the making of the applicable Borrower Loan or the applicable Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lenders or the Servicer or one of its or their affiliates. All news releases, publicity or advertising by the Borrower or its Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lenders or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lenders or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lenders, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lenders, the Servicer, and

-84-

the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lenders' rights, title, obligations and interests therein may be assigned by the Funding Lenders, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, provided, however, such assignee must be an entity reasonably capable of fulfilling the Funding Lenders' obligations under the Funding Loan Documents and the Borrower Loan Documents. Upon such assignment, all references to Funding Lenders in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lenders. Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lenders in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lenders before such assignment. In connection with any proposed assignment, Funding Lenders may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to Funding Lenders with reference to Borrower, Managing Member, any Guarantor or any Affiliate of Borrower, or the Project, including information that Borrower is required to deliver to Funding Lenders pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

*Section 10.11. [Intentionally Omitted].*

Section 10.12. Governmental Lender, Funding Lenders and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lenders or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lenders and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lenders and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lenders or the Servicer or to create an equity interest in the Project in the Governmental Lender, the Funding Lenders or the Servicer. Neither the Governmental Lender, the Funding Lenders nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lenders and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager,

-85-

controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lenders and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lenders and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the

Funding Lenders and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lenders and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lenders, the Servicer and the Borrower, or to create an equity interest in the Project in the Funding Lenders or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been indefeasibly paid in full and the Borrower Loans and the Funding Loans have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Notes, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11 (Governmental Lender's Fees), 5.14 (Expenses), 5.15 (Indemnity), 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 (Reimbursement of Expenses) hereof, as well as under Section 12.27 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lenders or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lenders and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Notes.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lenders' rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Governmental

-86-

Lender, the Servicer and the Funding Lenders of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Governmental Lender's and the Servicer's, or if there is no Servicer, Funding Lenders' judgment, a reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to the satisfaction of the Servicer, or if there is no Servicer, Funding Lenders, that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to the Servicer's, or if there is no Servicer, Funding Lenders, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lenders and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a

determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and the Servicer, or if there is no Servicer, Funding Lenders may draw or realize upon any bond or other security delivered to Funding Lenders in connection with the contest by Borrower, in order to make such payment.

Section 10.17. Funding Lenders Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by the Servicer, or if there is no Servicer, Funding Lenders. The Servicer's or Funding Lenders' approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lenders. No such approval shall result in a waiver of any default of Borrower. In no event shall Servicer's or Funding Lenders' approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. Funding Lenders and Servicer shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

-87-

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lenders or the Servicer may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lenders or the Servicer under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lenders or the Servicer, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction.

Section 10.23. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and

assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. Public Housing Provisions Rider to Loan Instrument

**The following modifications are made to that certain Borrower Loan Agreement (the "Instrument") that precedes this Public Housing Provisions Rider to Loan Instrument (this "Rider"). The provisions hereof shall be deemed incorporated by reference in each document (each, a "Related Document") that, together with the Instrument, evidences, secures, or otherwise relates to the same financing transaction as the Instrument (the "Loan").**

1. PUBLIC HOUSING REQUIREMENTS. By the execution of this Rider, the City of Chicago, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois ("Lender") acknowledges that seventy-five (75) of the dwelling units to be developed on the real property located in three (3) midrise buildings located at 1002 Racine Avenue, 1257 West Roosevelt Road and 1357 West Roosevelt Road and further described in the Instrument (the "Property") (such that seventy-five (75) units, the "Public Housing Units") will be assisted by funding provided through Chicago Housing Authority (the "Housing Authority"), and constitute a public housing project as defined in the U.S. Housing Act of 1937, as amended (the "Act"). As such, the Public Housing Units shall be subject to the following for so long as they remain public housing: (a) the Act, (b) the Annual Contributions Contract ("ACC") between the Authority and the U.S. Department of Housing and Urban Development ("HUD"), (c) the Mixed Finance Amendment to the ACC (the "Mixed Finance ACC Amendment"), (d) the Declaration of Restrictive Covenants, dated of substantially even date herewith between the Housing Authority and RS Affordable I LLC, an Illinois limited liability company ("Borrower"), (e) any federal statutes, regulations and executive orders applicable to public housing projects (collectively the "Public Housing Requirements"), and (f) a Regulatory and Operating Agreement ("R&O Agreement") between the Authority and Borrower. If there is a conflict between a provision of this Instrument or any other "Loan Document" (as defined in the Instrument) that affects the Public Housing Units and a requirement in any Public Housing Requirement or the R&O Agreement, then the Public Housing Requirement and the R&O Agreement shall govern, except as such Public Housing Requirements or R&O Agreement may have been expressly waived in writing by HUD or the Housing Authority, as appropriate. The provisions of this Rider are intended to implement this paragraph without limitation of its general effect.

2. RESTORATION IF FEASIBLE. If any provision relating to the application of casualty and/or condemnation proceeds in the Instrument or Related Documents conflict with the Mixed Finance ACC Amendment, the provisions of Section 11 of the Mixed Finance ACC Amendment shall control.

3. NOTICE. If Lender gives notice of default to Borrower under the Instrument or any other Loan Document, Lender shall give a copy of such notice to HUD in the same manner of notice as is provided for in the Instrument or other Loan Document; provided, however, that the failure of any such party to receive any such notice shall not be a defense against any action taken or to be taken by Lender against Borrower under the Instrument or any of the Loan Documents. 4. MODIFICATION OF LOAN DOCUMENTS. Neither the Instrument nor any Loan Document, as modified by any riders, shall be materially modified in a way that might affect the Public Housing Units without the consent of the Housing Authority or HUD during the term of Public Housing Requirements or the R&O Agreement.

### 5. LIMITATION OF ASSIGNMENTS AND SECURITY INTEREST.

Notwithstanding any contrary provision of the instrument or any other Loan Document, any funds of Borrower that are assigned, pledged, or otherwise come into the possession or control of Lender (not including scheduled payments on the Loan) and that derive from the Public Housing Units (including without limitation rents collected from the Public Housing Units or any operating subsidy received from the Housing Authority or HUD for the operating of such units) or are otherwise restricted in use by the R&O Agreement and Public Housing Requirements shall be utilized only in accordance with the R&O Agreement and Public Housing Requirements. The burden shall be on Borrower or the Housing Authority to prove that any funds relating to the Property that are not held in an account designated as a "Public Housing Subaccount" or words to that effect are, in fact, derived from the Public Housing Units.

6. LIMITATION ON RECOURSE. Lender recognizes that, except as otherwise authorized pursuant to the

ACC, as amended, the Housing Authority may not transfer, convey, assign, lease, mortgage, pledge or otherwise encumber (a) any "project," as such term is defined in the ACC, (b) any operating receipts of the Housing Authority (as the term "operating receipts" is defined in the ACC) that are subject to the ACC, (c) any public housing operating reserve of the Housing Authority reflected in the Housing Authority's annual operating budget and required under the ACC, or (d) any other asset whose uses are limited by Public Housing Requirements (any of them, "Restricted Property"). Therefore, notwithstanding any contrary provision of the Instrument or any Related Document, Lender shall have no right of recourse under the Instrument or any Related Document against any Restricted Property other than property to which HUD has expressly granted recourse in connection with the Financing Transaction.

7. **BENEFICIARY.** The Housing Authority is an express third-party beneficiary under the provisions of the Rider for the sole purpose of enforcing the provisions of this Rider.

WITNESSETH:

Whereas, pursuant to an ordinance adopted by the Issuer on February 23, 2022, as amended on July 22, 2022 (the "Ordinance") and a funding loan agreement (the "Funding Loan Agreement") with (i) CIBC Bank USA, an Illinois state chartered bank (the "Series A Funding Lender"), pursuant to which the Issuer will borrow an aggregate principal amount not to exceed Forty Million Dollars (\$40,000,000) (the "Series A Funding Loan") for a portion of the purposes set forth in the next Recital and in evidence of its limited, special obligation to repay mat borrowing, issue a tax-exempt revenue note, to be designated as the \$38,125,000 Multi-Family Housing Revenue Note (Roosevelt Square Phase 3B), Series2023A (the "Series A Note") and (ii)BMO Harris Bank, N.A., a national banking association (the "Series D Funding Lender"), pursuant to which the Issuer will borrow an aggregate principal amount not to exceed Forty Million Dollars (\$40,000,000) (the "Series B Funding Loan" and, together with the Series A Funding Loan, collectively, the

"Funding Loans") for a portion of the purposes set forth above and in evidence of its limited, special obligation to repay that borrowing, issue two tax-exempt revenue notes, to be designated as the (i) \$13,875,000 Multi-Family Housing Revenue Note, Series 2023B-1 (Roosevelt Square Phase 3B) (the "Series B-1 Note") and (ii) \$24,250,000 Multi-Family Housing Revenue Note, Series 2023B-2 (Roosevelt Square Phase 3B) (the "Series B-2 Note" and, together with the Series B-1 Note, the "Series B Notes" and, together with the Series A Note, collectively, the "Notes") under the terms and conditions of the Ordinance and the Funding Loan Agreement; and

Whereas the proceeds derived from the issuance and sale of the Notes have been lent by the Issuer to the Owner pursuant to the loan agreement of even date herewith (the "Borrower Loan Agreement"), between the Issuer and the Owner for the purpose of financing a portion of the costs of acquiring, leasing, constructing, rehabilitating and equipping of low- and moderate- income residential facilities and related common facilities and containing approximately 314 residential rental apartments (of which 205 units will be set aside for tenants of the CHA (as hereinafter defined)) including approximately 130 apartments to be rented to households earning up to 50% of area median income ( "AMI"), approximately 153 apartments to be rented to households earning up to 60% of AMI, approximately 31 apartments to be rented to households earning up to 80% of AMI (together with related common areas along with parking lot facilities, the "Projects" and, each individually, a "Project" with each Project further described by address and BIN in Exhibit A-1), which includes all rights and interests of the Owner in common areas in such buildings and on the related sites, the "Units"), on property located at 1002 South Racine Avenue, 1255 and 1355 West Roosevelt Road, 1337 West Roosevelt Road, the northern portion of 907-909 S. Ada Street and scattered sites along Arthington St., Taylor St., Lytle St., Racine Ave., Roosevelt Rd.,

Blue Island Ave., Washburn St. and 13<sup>th</sup> Street in Chicago, Cook County, Illinois, as more particularly described on the site described in Exhibit A-2 hereto (the "Site"); and

Whereas, the Units will be leased primarily to low- and moderate-income tenants: and

Whereas, the Chicago Housing Authority, an Illinois municipal corporation under the Housing Authorities Act, as amended (310 ILCS 10/1 et seq.) (the "CHA ") and the City each own a portion of the Site, as separately identified on Exhibit A hereto; and

Whereas, the CHA desires to acquire the City's portion of the Site (the "City Land") from the City, and the City has agreed to convey the City Land to the CHA for \$1.00 per parcel, for the Projects; and

Whereas, CHA intends to make a donation to Heartland Housing, Inc., an Illinois not for profit corporation ("Heartland Housing") of that certain Ground Lease, dated as of January 10, 2023, between the CHA, as landlord, and Heartland Housing or its affiliate, as initial tenant, and assigned by Heartland Housing to the Owner relating to the affordable housing units located on the Site generally at 1002 S. Racine Avenue, 1257 W. Roosevelt Road, and 1357 Roosevelt Road in Chicago, Illinois and the affordable housing units located on the Site generally at the northern portion of 907-909 S. Ada Street in Chicago, Illinois, as assigned to the Owner pursuant to that certain Assignment and Assumption of the Ground Lease by and among Heartland Housing, CHA and the Owner, dated concurrently herewith; and

Whereas, Roosevelt Square I Limited Partnership, an Illinois limited partnership ("Assignor") is the owner of the leasehold estate created by (i) that certain Ground Lease by and between CHA, as landlord, and Assignor, as tenant, dated as of September 1, 2004 and recorded on September 10, 2004 in the Office of the Cook County Recorder of Deeds as Document No. 0425441021, and (ii) that certain Ground Lease by and between CHA, as landlord, and Assignor, as tenant, dated as of September 1, 2004 and recorded on September 10, 2004 in the Office of the Cook County Recorder of Deeds as Document No. 0425441020, as amended by that certain Amendment to Ground Lease by and between CHA and

Assignor, dated as of June 6, 2005 and recorded on July 14, 2006 in the Office of the Cook County Recorder of Deeds as Document No. 0619534097, relating to the affordable housing units located on the Site generally at scattered sites along Arthington St., Taylor St., Lytle St., Racine Ave., Roosevelt Rd., Blue Island Ave., Washburn St. and 13th Street in Chicago, Cook County, Illinois, each as assigned by Assignor to the Owner, and amended by that certain Assumption, Assignment and Amendment of Ground Lease (Affordable) by and between Assignor and Owner and consented to by CHA, as landlord, dated as of January 10, 2023; and

Whereas, the Owner will construct the Units on the Site and will own the Units; and

Whereas, in order to assure the Issuer and the Funding Lender that interest on the Notes will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of each Project under the Code must be established;

Now, Therefore, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:

Section 1. . Term of Restrictions.

a) *Occupancy Restrictions.* The term of the Occupancy Restrictions set forth in Section 3 hereof shall (a) for the Rehabilitation Projects commence on the date each Rehabilitation Project is acquired, and (b) for the New Construction Projects commence on the first day on which at least 10% of the Units in a New Construction Project are first occupied following completion of such Units and for each of the Rehabilitation Projects and each of the New Construction Projects shall end on the latest of (i) the date which is 15-years after the date on which at least 50% of the Units in each such Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to such Project is outstanding (treating, for such purpose, each Project as being financed in part by all Notes); or (iii) the date on which any housing assistance provided with respect to each such Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred to with respect to each Project, separately, as the "Qualified Project Period").

b) Rental Restrictions. The Rental Restrictions with respect to each Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period for each such Project.

c) Involuntary Loss or Substantial Destruction. The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to a Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to such Project) after the date of delivery of the Notes, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to such Project), or condemnation or similar event (with respect to such Project), but only if, within a reasonable time, (i) all of the Notes are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of such Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to such Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to such Project will not adversely affect the exclusion of the interest on the Notes from the gross incomes of the owners thereof for purposes of

federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to such Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in such Project for federal income tax purposes. "■Affiliated Party" means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations

-3-

(as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

d) Termination. This Agreement shall terminate with respect to a Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to such Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of such Project with the Rental Restrictions and the Occupancy Restrictions applicable to such Project is not required in order for interest on the Notes to remain excludible from gross income for federal income tax purposes.

e) Certification. Upon termination of this Agreement with respect to a Project, the Owner and the Issuer shall execute and cause to be recorded (at the Owner's expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated as to such Project.

f) Encumbrance of Fee. In furtherance of enforcing compliance with the provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations applicable to this Agreement, unless the provisions of paragraph (c) or (d) above apply to a Project resulting in a termination of the restrictions set forth herein, such restrictions shall continue to apply to such Project following the termination of the Owner's or any other party's leasehold estate therein, whether or not such Project is thereafter re-leased by the CHA (and Heartland Housing) until termination of the Occupancy Restrictions and the Rental Restrictions as provided in Sections 1(a) and (b) above.

## Section 2. Project Restrictions.

The Owner Represents, Warrants and Covenants that:

a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "Regulations") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

b) Each Project is being acquired, leased, constructed, rehabilitated and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to each such Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

c) Substantially all (not less than 95%) of each Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(b) of the Regulations),

-4-

which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-R(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

d) None of the Units in any Project will at any time be used on a transient basis, nor will any Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; nor shall any portion of any Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; provided, however that nothing herein shall be understood to prohibit single room occupancy units occupied under month to month leases.

e) All of the Units in each Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, (ii) Units for Qualifying Tenants as provided for in Section 3 hereof, and (iii) Units which may be rented under the Section 8 assistance program, which units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in any Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

f) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of a Project, will be of a character and size commensurate with the character and size of such Project and will be made available to all tenants in such Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

g) Each residential unit in each Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family. Each Unit will contain a kitchen that includes a stove, cooking range, full-size refrigerator and sink.

h) No portion of any Project will be used to provide any health club facility (except as provided in (f) above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(c) of the Code.

Occupancy Restrictions.

The Owner represents, warrants and covenants with respect to each Project that:

a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to such Project at least 40% of the completed Units in such Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as ExhibitB (the "Income Certification") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; provided, however, that for any calendar year during which no unit in such Project is occupied by a new resident who is not a Qualifying Tenant, no Income Computation and Certification for existing tenants shall be required.

d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a

Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

f) The lease to be utilized by the Owner in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

g) All Income Certifications will be maintained on file at the Project as long as any Notes are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file

a copy thereof with the Issuer.

h) On the first day of the Qualified Project Period with respect to the Project on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to such Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in such Project, the Owner will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as Exhibit C executed by the Owner with respect to the Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project, an annual certification on Form 8703 as to whether such Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

#### Section 4. Rental Restrictions.

The Owner represents, warrants and covenants with respect to each Project, that once available for occupancy, each Unit in such Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to a Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to such Project, the Owner will comply with all Section 8 requirements.

#### Section 5. Transfer Restrictions.

The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of a Project (a "Transfer") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to such Project,

-7-

unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of such Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to such Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any member interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

#### Section 6. Enforcement.

a) The Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding each Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other

information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

c) The Issuer and the Owner each covenant that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Notes from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting any Project.

d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Notes, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any, court, state or federal, for specific performance of this Agreement

-8-

or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

e) The Owner and the Issuer each acknowledge that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Notes from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Notes, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to each Project.

g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's members shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

## Section 7. Covenants to Run with the Land.

The Owner hereby subjects each Project, the Site and the Units to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent

permitted by law, and shall pass to and be binding upon the Owner's successors in title to such Project, the Units, and the Site, throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying a Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a member interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

#### Section 8. Recording.

The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

#### Agents of the Issuer.

The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

#### Section 10. No Conflict with Other Documents.

The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

#### Section 11. Interpretation.

Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Funding Loan Agreement, the Borrower Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

#### Section 12. Amendment.

Subject to any restrictions set forth in the Funding Loan Agreement, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

#### Section 13. Severability.

The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

#### Section 14. Notices.

Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be

deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in Section 11.1 of the Funding Loan Agreement.

-10-

#### Section 15. Governing Law.

This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois, and where applicable, the laws of the United States of America.

#### Section 16. Limited Liability of Owner.

Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Owner contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future member of the Owner, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Owner or any past, present or future member of the Owner, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Owner pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owners of the Notes, and their respective successors and assigns, shall have the right to sue for specific performance of this Agreement and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Owner hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of a Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.
