EXHIBIT A

FIRST AMENDMENT TO OPENLANDS GRANT AGREEMENT

This First Amendment to Openlands Grant Agreement (this "Amendment") is made as of the ____ day of ___, 2011 (the "Amendment Closing Date") by and between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Housing and Economic Development ("HED"), and Openlands, an Illinois not-for-profit corporation (the "Grantee").

RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. [intentionally omitted]

C. City Council Authority: On July 28, 2010, the City Council of the City (the "City Council") adopted an ordinance published in the Journal of Proceedings of the City Council for such date at pages 96422 through 96481, inclusive (the "Bond Ordinance"). Pursuant to the Bond Ordinance, the City issued its General Obligation Bonds, Taxable Project Series 2010C-1 (the "Bonds"). Pursuant to the Bond Ordinance, the proceeds of the Bonds ("Bond Proceeds") may be used to finance, among other things, grants to assist not-for

-profit organizations or educational or cultural institutions, or to assist other municipal corporations, units of local government, school districts, the State of Illinois or the United States of America. Pursuant to Section 12 of the Bond Ordinance, the City is authorized to enter into grant agreements for such aforesaid purposes.

D. The Project: On March 28, 2011, the Grantee purchased (the "Acquisition") certain property located at 1230 West School Street, Chicago, Illinois 60657 (the "Property"), and, within the time frames set forth in Section 3.01 hereof, shall convey the Property to the Chicago Park District, a body politic and corporate and a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois (the "Park District"), for use as a public park (such conveyance of the Property shall be known herein as the "Conveyance"). The Acquisition and the Conveyance are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. [intentionally omitted]

F. City Financing: The City agreed to grant Bond Proceeds in an amount not to exceed \$520,000 (the "City Funds") to the Grantee to reimburse the Grantee for the costs of the Acquisition (such grant of the City Funds shall be known herein as the "Grant"). On May 13, 2011, pursuant to Section 12 of the Bond Ordinance, the City's Chief Financial Officer, with the concurrence of the City's Budget Director, designated HED to administer the Grant and the Commissioner of HED to sign a grant agreement with respect thereto. On May 23, 2011 the City and the Grantee entered into Openlands Grant Agreement for the grant of the City Funds (the "Grant Agreement").

G. Open Space Fees: On April 1, 1998, the City Council adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City. The Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"). Pursuant to the Open Space Ordinance, the Department of Revenue ("DOR") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected. HED has determined that the Fee-Paying Developments built in the Lake View Community Area have deepened the already significant deficit of open space in the Lake View Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309-69311 of the Journal of the same date. The City desires to grant the Grantee impact fee funds to reimburse the Grantee for the Project. HED desires to provide to Openlands Open Space Fees in an amount not to exceed \$361,000 for the Project. The Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected. The Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected. HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected. HED has determined that Open Space Fees to be used for the Project have come from the specific fund set up by DOR for the Lake View Community Area in which the Fee-Paying Developments are located and from which the Open Space Fees were collected. HED recommended that the City Council approve the use of the Open Space Fees for the Project. HED recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected. On ___, 2011, the City Council adopted an ordinance published at pages _- _ of the Journal of the same date approving the use of Open Space Fees for the Project, making a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected,

and authorizing this Amendment.
